MERCY FLIGHTS NEEDS YOU!

DO YOU NEED MERCY FLIGHTS?

Anyone in Southern Oregon—at any time— may find himself in immediate need of the services of Mercy Flights. Ask any of the more than 430 patients who learned this from experience.

Yet—without the subscriber system—Mercy Flights could not keep their planes available to meet the urgent requests. It's a fact. Mercy Flights planes are operated at a yearly loss of more than \$10,000 and this loss is covered by the subscriber fees of \$4 a year per family. However, those subscribers who do have need of a flight, more than get their money's worth. In a medical emergency, they can be taken anywhere within a 400-mile radius of Medford, and still not have to pay a cent.

We urge every family in Southern Oregon and Northern California, within a 150-mile radius of Medford, to join Mercy Flights now. We believe it is safe to say that there is not a resident in this area who does not know someone who has been flown as a patient by Mercy Flights.

If you want to say "thanks" for that service, and at the same time protect yourself and loved ones, join today. Mercy Flights, Inc. is a non-profit corporation serving you. Simply send your name, address, and \$4 to
