### Earl Warren In PR For Award Ceremony

San Juan, P. R. — (U.P.) — Chief Justice Earl Warren said today he will pay no heed to protests urging him to refuse an honorary doctor's degree from Puerto Rico University because Spain's chief justice is to be similarly honored.

Mr. Warren said he did not receive a message from local Freemasons and Protestants urging him to reject the degree, and added "I would have come to Puerto Rico even if I had."

The Chief Justice arrived last night in preparation for Saturday's award ceremony, at which he will share the limelight with Spanish Chief Justice Jose Castan Tobenas. He said he is looking forward to meeting Castan.

Mr. Warren also will take part in ceremonies dedicating the Puerto Rican Bar Association's new building here.

## Housing Sought For Conference Delegates

YMCA officials in charge of the youth and government conference to be held here Saturday appealed this morning to local residents with extra rooms available who would be willing to house delegates to get in touch with the YMCA office.

Rooms for girls attending the session are particularly needed, it was reported.

About 150 high school age delegates are expected to attend from Klamath Falls, Grants Pass, Medford and Ashland. Housing for out of town delegates will be needed Saturday night.

The session, conducted under the direction of local government experts, will help prepare students for participation in the annual youth legislature at Salem April 27 and 28.

## Los Angeles Times Building Damaged

Los Angeles — (U.P.) — Fire which caused an estimated \$200,000 damage in the Los Angeles Times building yesterday did not cause the newspaper to miss any editions.

Flames broke out in a second floor pipe shaft shortly before printing of the Times' final edition. The pressroom and composing room were not damaged although smoke and water damage were reported in the editorial departments on the third and fourth floors, in a cafeteria and auditorium on the fifth floor, and on a sixth floor penthouse.

Asst. Fire Chief Earl H. Richardson said defective wiring may have caused the blaze.
