

# Appeal Goal Told For Overseas Aid; Projects Numbered

Major Protestant and Eastern Orthodox churches in America are seeking nearly 11 million dollars in the 1956 United Appeal for overseas programs of relief and reconstruction. The goal is nearly one million, five hundred thousand dollars greater than that of 1955.

A major portion of the increase in funds sought will be used in taking advantage of the doubled "share our surplus" opportunity made possible by the recent release of wheat, corn, beans and rice from this country's surplus stocks for free distribution to the needy abroad by religious and other voluntary overseas relief groups.

This is the 8th annual cooperative effort of the denominations working together to meet the need for emergency relief and for economic and spiritual rehabilitation abroad.

Special Offering: The appeal will be the "One Great Hour of Sharing," observances set for Sunday, March 11, when a special relief offering will be made throughout the churches in this country. The funds will provide food, medicines and other supplies; long-term health and nutrition programs, resettlement and rehabilitation of refugees, self-help projects and vocational training and other ministries to the homeless.

Among the major overseas areas to be aided by the 1956 appeal are India, Parkistan, Korea, the Near East, Japan, Greece, Germany, Italy, Vietnam and Hongkong.

# Judge Throws Out Portland Demurrer

Portland—(U.P.)—Circuit Judge Martin W. Hawkins yesterday threw out of court an attempt by east side Portland interests to block construction of an exposition center on the west side of the city.

Judge Hawkins sustained a demurrer filed by the city attorney's office which said the east side suit for an injunction did not state a cause of action.

Still in the way of construction of the \$8,000,000 center was an initiative petition drive launched by the east side interests to force the entire issue to another vote of the people in the May primary election.
