

BUTTE FALLS Community Hall Progresses

By MRS. JUNE TAUNTON
Butte Falls—Construction of the Butte Falls Community hall is progressing nicely. Work was halted temporarily, due to bad weather, but plans to continue work in the near future are anticipated.

Special thanks should go to the men who volunteer much of the labor, as well as those who have contributed funds for the building.

An auditorium, complete with a baptismal tank, is under construction at the Butte Falls Community Bible church. The Rev. Howard Simmonds, minister of the church, has donated many hours of labor, along with other members of the congregation. A large portion of the building materials were also donated by local people.

Mrs. Ben Moore is in Kennewick, Wash., where she went to be with her mother, Mrs. Rose, who passed away soon after her arrival there.

Mrs. Moore only recently was a patient at the Osteopathic hospital where she underwent major surgery. Relatives expected her to return home this week end.

A pink and blue baby shower was given Mrs. Deltie Moore at the home of Mrs. William Lytle, last week. Those who attended were Mrs. Jim Arnold, Mrs. Dean Bush, Mrs. Mel Arnold, Mrs. Kenneth Boles, Mrs. Orb Reddick, Mrs. Chet Ellis, Mrs. Cecil Taunton, Mrs. Donald L. Smith, Mrs. William Lytle and the guest of honor, Mrs. Deltie Moore. After the opening of the gifts, refreshments were served.

Bruce Burton was admitted to Community hospital this week.

Mrs. Elga Abbott was in Klamath Falls while her daughter, Mrs. W. A. Hartlerode Jr., was hospitalized recently. She returned with her daughter and grand daughter, Susan Rae, where Mrs. Hartlerode Jr. will recuperate. Hartlerode's parents, Mr. and Mrs. W. A. Hartlerode Sr., also reside in Butte Falls.

Mr. and Mrs. Jack Klinge and Mr. and Mrs. Don Klinge were recent dinner guests of their grandparents, Mr. and Mrs. Gus Edmondson.

Mr. and Mrs. Jack Klinge were en route to Anchorage, Alaska, where they plan to make their home.

Mrs. Edmondson's daughter and husband, Mr. and Mrs. Lloyd Hall, are also residents of Anchorage.

Mr. and Mrs. Don Klinge are residents of Eagle Point.

Mr. and Mrs. Clay Conley of Butte Falls had as their dinner guests last week Mr. and Mrs. Jess Vincent of Medford.

Mr. and Mrs. Lester Smith of Salem spent the week end with his brother and wife, Mr. and Mrs. Ernest Smith of Butte Falls.

Also visiting were Mrs. Smith's daughter and son-in-law, Mr. and Mrs. Ted Huff of Ashland, and granddaughter, Mr. and Mrs. Larry Rose and son Barry, of Medford.

Mr. and Mrs. Emil Campbell of Seattle, Wash., visited their niece, Mrs. Glen Cathey of Butte Falls last week. Also accompanying them was Charles Campbell, Mrs. Cathey's father, who now resides in Ashland.

Mr. and Mrs. Emil Campbell have made an extended tour of the United States, covering more than 8,000 miles in about five months. They were on the last lap of their journey when they stopped here.

The Butte Falls chairman for

the proposed Rogue Valley Memorial hospital, John Henshaw, has asked that anyone interested in making a pledge contact him by phone. His phone number is 2441. It is his wish that Butte Falls be well represented in this great memorial.

Mr. and Mrs. Page Stauffer of Butte Falls spent the week end with friends, Mr. and Mrs. Norman Caldwell, of White City, Ore.

Mr. and Mrs. Ray Sheppard of Butte Falls, spent the week end visiting friends, Mr. and Mrs. Ernest Briggs and son David, at Klamath Falls, Ore.

Mrs. Ted Reddell of Butte Falls is home now after spending a few days in a Medford hospital with a severe case of strep throat infection.

ICC Refuses To Reopen World War II Case

Washington—(U.P.)—The Interstate Commerce Commission refused Friday to reopen a World War II reparations suit against the nation's railroads filed by the federal government.

The commission earlier rejected a Justice Department suit that called for a refund on part of the shipping charges on war materiel. The commission reaffirmed the earlier decision.

"Let's Live" Magazine January issue 1956 FACTS CONCERNING THE FLUORIDATION OF PUBLIC DRINKING WATER

Notwithstanding the fact that fluorine is found in the teeth, bones and tissues of the body it is not a necessary element for sound teeth or bones. The question arises in many minds about the fluorine in the food we eat. That is true. We find it in vegetable and animal food. But that is organic and not a poison; having passed thru the process of plant and animal metabolism, a process that is necessary before it can be assimilated by the human body. This is organic. Even so, fluorine has never been proven to be a necessary element of nutrition. In the organic state it is assimilated by the human body. In the inorganic state it is an invading poison, and its presence in any amount is detrimental to the economy of the human body as a whole.

Connie wasn't injured but Carol suffered a broken leg in two places and had to be taken to a Medford hospital by station wagon.

Benson Says Farmers Prefer Free Market

Portland—(U.P.)—Agriculture Secretary Ezra Taft Benson told a capacity Lincoln day dinner crowd here Friday night that his job is a political hot seat that no man in his right mind would want but he said he felt privileged to serve under a man he likened to Abraham Lincoln.

Benson said the guiding conviction of President Eisenhower's administration was that "if a thing is right it is also the best politics."

The secretary spoke to more than 1000 Republicans.

Benson charged that surpluses built up under the Truman administration had cost American farmers more than \$2,000,000,000 through depressed prices for farm commodities. He said he was convinced that farmers preferred to produce for a free market rather than for what he called "government bounty."
