

Collegiate Fives Face Stiff Trials

By TIM MORIARTY
United Press Sports Writer
San Francisco and St. Francis (N.Y.), the nation's only unbeaten college basketball teams, face comparatively easy sledding this week, but another tournament hopefuls such as Vanderbilt, Illinois, Duke and UCLA run into stiff competition in their own conferences.

The top-ranked Dons, an odds-on choice to gain the California Basketball Association's berth in the NCAA tournament, have a conference date with College of Pacific Tuesday night and play Fresno State Friday.

Little St. Francis, a top candidate for the National Invitation shindig, has three games this week — Manhattan Tuesday night, Brooklyn College on Wednesday and St. Joseph's at Philadelphia Saturday. The Terriers' record now stands at 15-0.

Hectic Meet
Fifth-ranked Vanderbilt survived another hectic week end in the Southeastern Conference but must place its 7-0 league record on the line tonight against Alabama 5-0.

In the Big Ten, third-ranked Illinois plays tonight after a one-week layoff against Indiana (3-3). The Illini also have a Saturday date with Ohio State (4-3) gang, Robin Freeman.

Duke took over first place in the Atlantic Coast Conference Saturday by posting a 64-59 upset over eighth-ranked North Carolina. That gave the Blue Devils a 7-1 league record. North Carolina now is 8-2 and N.C. State 6-2.

Missouri Valley: St. Louis (6-1) plays old time rival Oklahoma A&M (2-2) tonight and Houston (5-2) Saturday.

Big Seven: Kansas State (5-1) has conference dates with Nebraska and Colorado, while Iowa State (4-2) plays Missouri this week.

Southwest: Southern Methodist (6-1) should play that record against Texas (1-1) and Texas A&M (3-3).

Southern: West Virginia (7-2) is the leader but Georgia Washington (6-2) could tie for first tonight by beating Furman (7-4).

Ivy League: Columbia (5-0) and Princeton (5-1) each have two conference games on tap this week.

Skyline: Brigham Young (5-1) meets tough Utah State (5-2) and tougher Utah (5-2).

Medford JV Top Indians

Medford high's junior varsity basketballers romped over Roseburg's jayvees 61 to 33 in the Hedrick gym here Saturday night in the prelude to the varsity contest between the two schools.

The Junior Tornado held the Indian five to only three points in the last quarter while piling up 21 of their own. Quarter scores with Medford leading were 12 to 6, 28 to 16 and 40 to 30.

Dick Puhl had 19 points for Medford, Tom Hamlin 14, and Jay Mullen 10. Anderson was tops for the visitors with nine.

LINE-UPS:
Medford JV 61
Mullen 10
Hamlin 14
Anderson 9
Puhl 19
Wiseley 4
Substitutions—For Medford: Lane 4, Berteau, Bergman, Albert 2, Payne, for Roseburg: Sloan 6, Huttman, Hanson 2, Eddy, D. Jackson 2, Meredith.

34 Roseburg JV
Crawford 2
Anderson 9
Barron 1
W. Jackson 6
Cripps 6
Substitutions—For Medford: Lane 4, Berteau, Bergman, Albert 2, Payne, for Roseburg: Sloan 6, Huttman, Hanson 2, Eddy, D. Jackson 2, Meredith.

LOOKS REAL EASY, DOESN'T IT?—It's perfect rotation that carves this turn through the powder snow at Sun Valley, Idaho, for famous French skier Gerogege Thioliere Miller. One of the world's finest skiers, now living in Los Angeles, Mrs. Miller skis annually at the Union Pacific

Phoenix High Nears Hoop Mantle in Rogue Circuit

The Phoenix high Pirates need only one victory in their series next week end with the Crater high Comets to claim the basketball championship of the Rogue League.

Phoenix scored its eighth victory against no setbacks in the loop Saturday by drubbing Eagle Point 70 to 46. Crater boosted its hold on second place to two games over the Eagles by trimming Illinois Valley 64 to 51, exactly duplicating its Friday tabulation in action with the Cougars.

The Pirates will have the Rogue banner by winning any two of their remaining four games. But the Phoenicians can have the pennant more quickly and simply by tripping the Comets next Friday night. The loop leaders are favored to

sweep the Friday-Saturday series. They now have a three-game bulge over Crater.

Power on the backboards and hot shooting carried the Phoenix five to its decisive win Saturday after being held to 41 to 36 by the Eagles the previous night. The Pirates had control on the backboards 55 rebounds to 20 for Eagle Point. They fired at a 55 per cent clip in making 27 field shots while the Eagles had a 22 per cent evening making 13.

Quarter gaps for Phoenix were 20 to 10, 30 to 21 and 50 to 35. Charles Wall scored 18 points for the Pirates and Ron Veach 17 for Eagle Point.

Crater had an easier time of it Saturday despite the duplicate score. Comet leads at the intermissions were 15 to 6, 25 to 13 and 41 to 34. George Plumlee of IV headed score makers with 22, all in the second half. Fred Herrmann recorded 18 for Crater.

IV did get within six points of the Comets in the third period. Fifty-three fouls were called. 27 on Crater and 26* on Illinois Valley. The Comets made 24 points on gifters and IV 17.

Phoenix won its jayvee game 51 to 45 and Crater freshmen beat the IV frosh.

In the other Rogue series this week end Eagle Point and Illinois Valley are rivals.

Sime Shines In Melrose Track Meet

By OSCAR FRALEY
New York—(U.P.)—Lanky Dave Sime, the red-haired Duke speedster who appears to be America's brightest new track hope for the forthcoming Olympic games, was drawing more and more praise for his fine finishing kick today but was much more concerned with his "poor starts."

The six-foot, two-inch Sime, unbeaten in the sprints this year, got off poorly in the 60-yard dash in Saturday night's Millrose Games at Madison Square Garden but won the event anyway in 6.2 because of his strong finish.

Delany Wins
Sime, the new sensation of the current track season, was the center of attention in the Millrose although Ron Delany of Villanova, Charlie Jenkins, another Villanova, and the Rev. Robert Richards of Los Angeles also drew ovations.

Dublin-born Delany had virtually no competition in winning the Wanamaker mile. Delany was timed in 4:09.5. Jenkins jumped into the lead at the outset of the Mel Shepard 600-yard run and led all the way to win in 1:11.2.

Richards cracked his own Millrose record by two inches in winning the event with a leap of 15 feet, 4 inches.

STEVENS ON SLAT VICTOR
Portland—(U.P.)—Rees Stevenson of Portland won the men's Class A event of the second Oregon Alpine Combined slalom yesterday on Mt. Hood.

Mounties Even Cage Series With Southern Oregonians

Ashland—(U.P.)—Eastern Oregon College of Education evened up its Oregon Collegiate Conference series with Southern Oregon Saturday night, taking a 93-82 decision over the Red Raiders.

Ted Schadewitz, perennial scoring leader for the Mounties, was in good form as he potted 26 points, high for the game. Right behind him though was teammate John Reinking with only two less.

The two clubs fought on nearly even terms through the entire first half before the Mounties finally emerged with a 41-40 lead at the intermission break.

Trade Baskets
A bucket by Gary Burton following the halftime break gave Eastern a three point spread but Lloyd Hoffine hit a pair of two-pointers to move the Raiders out in front.

The clubs traded baskets before Reinking, Lowell Kolbaba, Ken Westenskow and Burton hit in succession to give the Mounties a 56-48 margin. Southern Oregon never could again overtake the winners.

Mounties Shoot Hot
Eastern hit 39 of the 80 shots they took from the field, good for a nifty 88 per cent. Southern Oregon connected at a 329 clip, hitting 24 for 73.

Portland State college took a pair of important OCC wins from Oregon Tech over the week end while Eastern Oregon and Southern Oregon were dividing to give the Vikings a substantial lead in the loop race.

Viks Win Nine
The Viks have a league record of nine-won and one-lost after

their twin killing at Klamath Falls Friday and Saturday nights when they lashed Oregon Tech Friday with an 81-74 loss and followed up Saturday with a 79-52 win.

Behind Portland State in the Standings are Eastern Oregon at seven-won and three-lost and Southern Oregon at five-won and five-lost.

The Red Raiders play Oregon Tech at Klamath Falls Tuesday night.

Unrated A-2 Basketball Quintets Hot

By UNITED PRESS
Molalla and Redmond aren't ranked in any of the polls, but they both are on just about the hottest winning streaks in Oregon high school basketball circles.

Both are Class A-2 schools and both are missing from the first 10 in the rating polls. This hasn't discouraged either team as Molalla ran up a 16-1 record in defeating Seaside Saturday night, 54-47. This ran the Indians consecutive victory skein to 11 games and atoned for an earlier defeat by Seaside.

In central Oregon, Redmond downed Prineville Saturday night, 56-43, to run its string of wins to six straight and a 12-2 season's mark.

Among the bigger schools, No. 1 ranked Eugene swept a pair from Coos Bay rivals during the week end, beating Marshfield 70-47, and then taking North Bend, 76-55. The Axemen are unbeaten in District 5-4 and have a 14-2 overall season record.

Marshfield Falls
Jefferson, the No. 2 ranked team, kept its lead in the Portland Inter-scholastic League, with victories over Benson, 53-50, and Roosevelt, 77-55. The Jeffs have a 13-2 record. Others of the top 10 had rougher going last week. Franklin of Portland, No. 4, split two games, losing to Grant, 54-47, and winning from Cleveland, 83-66.

Marshfield, ranked third last week, dropped two games, the aforementioned to Eugene, and a 65-63 affair to Springfield. Fifth-ranked Medford beat Roseburg 57 to 50 and Mac-Hi, No. 6, split a pair, losing to Pendleton, 71-68, and winning from Dayton, Wash., 70-52.

Seventh-ranked South Salem lost to Corvallis, 55-40, and again to Bend, 58-55. The twin-losses dropped South Salem from the District 8-A lead and put Bend and Albany in a tie for first place.

Beaverton and Milwaukie, tied with Lincoln of Portland for eighth place in the Journal coaches poll, came through the week unscathed. Beaverton downed Hillsboro, 55-45, and edged McMinville, 48-46. Milwaukie defeated Astoria and Parkrose. Lincoln didn't fare quite so well, dropping a 38-35 contest to Washington before measuring Grant, 61-50.

LINE-UPS:
Crater 6: Herrman 18, Callender 7, Gray 11, Douthitt 2, Letler 4.
Substitutions—For Crater: Tidwell 2, Davis 3, Green 2, Goyette 11, Allen 2, Juveland, Harsh 2, for Illinois Valley: Piller, Spencer 3, King, Carothers, Smith, Camp 6.

Phoenix 70: Wall 18, Dahl 9, Madden 12, Korth 12, Brood 8.
Substitutions—For Phoenix: Simmonds 2, Wallace 2, James 2, Selinger 2, Blankenship 2, D. Dahl; for Eagle Point: Christian 3, Chamberlain, Axtell, Erod, Hansen, Brown.

West Girls Win 4-Ball
Hollywood, Fla.—(U.P.)—Ruth Jessen of Seattle, Wash., and Anne Quast of Marysville, Wash., today faced bright futures in the amateur golfing ranks.

The pretty teenagers from the Far West climaxed their surprising march through the Women's International Four-Ball tournament yesterday by defeating veterans Mary Patton Janssen of Charlottesville, Va., and Mrs. Maurice Glick of Baltimore, 4 and 3, in the 36-hole title round.

Miss Jessen especially showed remarkable courage in the championship match. The blonde, 19-year-old miss started the final round with a sore wrist and wrenched it again on the 19th hole. However, she still managed to outdrive her opponents.

Meanwhile, 18-year-old Miss Quast backed up her partner's strong driving with some superb putting that carried her team to a five-up lead after 18 holes.

Industrial Concern Too Secret for Police
Milford, Conn.—(U.P.)—The board of police commissioners temporarily rejected a request to link a secret industrial concern, working on defense orders, with the alarm system at police headquarters. The firm, which keeps secret documents at its office, was too secret to name.

"The boys at headquarters wouldn't know where to go if the alarm was rung," Commissioner Noyes Hall said.

Is That So?

AN OUTDOOR quiz. Answers follow questions. Take 7 points each for every correct answer in the first section; take 5 points each for every one correct in the second. If you scored 80 or better, you are an outdoor expert.

1. A beaver's hair is heaviest in early spring, the marmot's in late fall; 3. It can be taught to run a maze; 7. It can make all these color changes but some take considerably longer; 8. Winds are steadier in early morning and late evening; 9. Like most low-growing plants in the forest, it is an early bloomer.

11. A deer and elk are fall maters; B. Wolf and coyote, winter; C. Rabbit and chipmunk, spring.

(Released by McClure Newspaper Syndicate)

Each week new submissions will be considered. Sorry, I simply can't answer your many friendly letters. Please address your letter to: IS THAT SO? Care Medford Mail Tribune, Box 575, Sausalito, Calif.

1. Some of these statements are true, others false. But mind, even if only a small part of the statement is wrong, your response must be, "False."

2. The mean temperature in North America on March 21 may differ by 89 degrees—from 20 below to 69 above Zero Fahrenheit.

3. An anglerworm which is blind cannot be taught to run a simple maze.

4. A rainbow, dependent upon the reflection of the sun's rays from within raindrops, changes constantly — perhaps as much as a thousand times a second.

5. The albatross has the world's biggest wingspread.

6. The hippopotamus spends so much time in the water because he has difficulty in supporting his ponderous weight on his legs.

7. A flounder can change from white to black to gray, to brown, to blue, to green, to pink, and to yellow with equal speed.

8. During the early afternoon, the wind tends to be steadier than in the early morning and late evening.

9. The skunk cabbage like most low-growing plants in the forest is a late bloomer.

10. The gibbon is perhaps the most agile four-legged creature on the face of the earth.

11. There has been a lot of nonsense about mating being a springtime function. Among these—rabbit, coyote, deer, elk, wolf, chipmunk—some mate in the fall, some in winter, some in spring. List the A. Fall maters; B. Winter maters; C. Spring maters.

Siskiyou Foresters Slate Jordan Speech

Murl W. Storms, Medford, assistant district forester, bureau of land management, will be speaker for Society of American Foresters, Siskiyou chapter, Columbia River district, Friday, Feb. 10. The session will be held at the Jackson hotel and open with a social hour at 7 p.m., and dinner at 7:30 p.m.

Storms will discuss experiences and show slides relative to his technical assistance assignment to the country of Jordan.

Lee Harter of Oregon state forester's office, Salem, and Larry Richey, California division of forestry, Redding, Calif., led the discussion at the January meeting. It was pointed out that application of Oregon's conservation act is not easily applied to the Siskiyou area, as the act was designed for typical east or west side forest types and the Siskiyou area.

Each week new submissions will be considered. Sorry, I simply can't answer your many friendly letters. Please address your letter to: IS THAT SO? Care Medford Mail Tribune, Box 575, Sausalito, Calif.

Central Point Art Class Begins Tuesday

Central Point — A series of adult art classes will start at Crater High school Tuesday evening, according to Warren Holbrook, high school art instructor. The classes, which will include problems of composition, perspective and basic color studies in water colors, oils and pastels, will continue for eight weeks, at 7:30 p.m. each Tuesday. Individuals taking the course will provide their own materials.

Details of registration and other information can be obtained at the first meeting of the class tomorrow evening.

Dupree Poe Claims China Citizenship

Salem—(U.P.)—Dupree Poe, noted in Oregon for his several attempted escapes from the state penitentiary, has filed a petition in the state supreme court that he be released and sent to China.

Poe, in his latest move, contends that he was born in China. Officials say they can find no record in which Poe has previously claimed Chinese citizenship.

Poe now contends that he was born in China and should not be deprived of his citizenship in that country.

He is serving a life sentence for the slaying of a Silverton police officer in 1932.

Muskegon, Mich.—(U.P.)—What's it like when your name is Joe Friday?

"It can be pretty annoying at times," said Muskegon's Joe Friday. "You get calls at all hours of the day and night from jokers."

"Sometimes the calls are a nuisance but other times they're pretty funny. Having that name sure creates a lot of conversation though."

CARBURETOR SAVES GAS BY "JET-ING"

Car owners who are wasting money and not getting proper mileage due to over-rich mixtures will be pleased to learn of a Wisconsin inventor who has developed a very clever unit that saves gasoline by "Jet-ing and Vacuuming." It is automatic and operates on the supercharge principle. Easily installed in a few minutes. Fits cars, trucks and tractors. The manufacturers, the Vacuum Carburetor Co., 7817-70 State St., Wauwatosa, Wis., are offering a Vacuumatic to anyone who will install it on his car and help introduce it to others. They will gladly send full free particulars if you write them or send your name and address on a post card today.

How to make rough and rugged work easy!

NEW light-duty 4 wheel-drive truck!

- Engineered and all-truck built to save you the BIG money—the operating and maintenance money.
- Completely factory-equipped — no local conversions — fully backed with IM parts and service.
- Famous Comfo-Vision Cab, proven for driver-comfort, for roominess and ease.
- Full 6 1/2-, 8-, and 9-foot pickup bodies and 7'4" and 8'6" stake bodies—factory installed.
- Really low body and cab—less than 2 inches higher than conventional model.
- Extra-capacity frame, propeller shafts, universal joints, springs.
- Exclusive INTERNATIONAL 2-speed transfer case. Full-torque power take-off, optional.
- Optional 4-speed transmissions with left, or left and right side power take-off.
- High performance, high economy Black Diamond 220 engine, standard—131-hp 240 with 11-inch duct, optional.
- Optional 6,000-lb. Capacity front-mounted winch.
- Optional 7.00x18 and 9.00x16 tires for extra flotation, road clearance.

If you need a truck that will operate on the highway or take off across country... if you want a four-wheel-drive truck that gives you plenty of load room, plus good looks, economy, comfort—here's your answer!

This new INTERNATIONAL model S-120 (4x4) four-wheel-drive truck will breeze up difficult grades—or readily go through mud, sand and snow. And it may be fitted for a host of stationary power uses.

You'll find this light-duty model a full brother to the famous INTERNATIONAL 4x4 model trucks of 11,000 and 15,000 lbs. GVW. Come in and see it, drive it—today!
