Faculty, Students Hold In Memoriam Assembly

Ashland—Eulogizing Paul Patterson as a fine patriot, and a good governor, Dr. Roy W. McNeal, long-time friend of the late governor, gave an In Memoriam address before faculty and students of Southern Oregon college at a special convocation Friday.

Dr. McNeal cited the late governor's friendliness and the fact that almost all people respected him regardless of their own personal beliefs.

Dr. McNeal said: "He loved people. He hated equivocation, dishonesty, and unfairness, while expressing his own conviction fearlessly and frankly. His greatest pride was in being an American—one of the great mass of American people."

Ten Groups Ask End Of Idaho Power Plan

Washington—(U.P.)—Ten public power groups asked the U. S. Court of Appeals today to set aside Federal Power Commission approval of plans by Idaho Power Co. to construct two dams in Hells Canyon.

Previously, the groups had appealed an EPC order granting the company a license to erect three low-level dams on the Snake river between Idaho and Oregon. The new petition asked the court to consider both FPC orders as one case.

The planning order, issued Nov. 3, approved the company's revised construction plans for Brownlee and Oxbow dams. Licenses for those two dams, plus Hells Canyon dam, were granted last Aug. 4.

WALL STREET

New York—(U.P.)—Stocks encountered support in the late trading today after a broad, moderately active decline.

The only group which managed to show a rise was the utility and that was helped by the natural gas bill.

Panhandle Eastern Pipe Line reached 87, up 3 1/4. It held more than two points of the rise. Peoples Gas was up more than a point on top of an eight-point rise yesterday.
