64 YEARS Serving You

Back in the horse and buggy days . . . in 1892 . . . this firm was established on Front street in Medford. Much of the furniture sold then was manufactured at the firm's plant at Phoenix. Since 1900, Weeks & Orr have been at the present location, constantly building, expanding and remodeling. In August, 1953, Weeks & Orr's fine new remodeled store . . . the largest in southern Oregon and one of Oregon's finest . . . opened with 23,000 square feet of display and sales space. This is exclusive of 14,000 feet of storage space in another location. This week we're celebrating 64 years of business in Medford with outstanding Anniversary values as a means of saying "Thank You" to the friends of this pioneer firm for their generous support and patronage!
