

Complete 12-Bout Card Outlined For PAL Boxing Show Saturday

Complete card for the Medford Police Athletic club boxing show here Saturday night was listed today by Hugh Jennings, coach and matchmaker for PAL. A 12-bout program, starting at 8 p.m. at the St. Mary's school gym, will include one national champion and three state titlists. Nine of the participants on the card will carry the banner of Medford PAL. Others will be from Portland, Chiloquin, Klamath Falls and Ashland.

The top three bouts will feature three of the champs and three scrappers from the home club and each of the three engagements will be a rematch of the principals. A double main event headlines the card with Jackie Puscas, Medford, national AAU lightweight crown winner, scuffling Dale Nicely, Portland, a Tennessee titlist and Larry Lewis, Oregon AAU flyweight champ, opposing Darryl McQuarry, Portland, Christian Britles.

Loren Christie, Medford, is matched against Mose Martinez, Chiloquin in the semi-windup.

Featured preliminary puts together, Jerry Jennings, 165, Ashland, and Eddie Cole, Chiloquin. Jennings is well known in local ring competition.

Puscas will enter the ring at about 135 pounds and Nicely around 140. The Lewis-McQuarry mix is a 114-pound encounter and Christie and Martinez are in the 170 bracket. Nicely, Lewis and Martinez were victors in previous action with their Saturday night opponents. Nicely and McQuarry will represent Multnomah Athletic club.

Army Gallagher and Randy Jones, a pair of Chiloquin fancy

gangs who weigh just 35 pounds each, are scheduled to raise the curtain on the fistc evening just as they did in rousing manner back in September for the open air card.

Johnny Little, Medford, will engage Stewart Rapone, Ashland, in the 105-pound class. Bobby Little, the better known of the two Medford PAL brothers, will face another Ashlander, Dick Morgan in a 110-pound go. Jimmy Evans, 95, Medford, is billed against ChoCho Esquido, Chiloquin.

Jay Walker, 135, one of the coming PAL pugilists, is paired with Bogey Gallagher, Chiloquin. Larry Nored, Medford, is the third state champ on the card. He'll meet Dick Rensfield, 132, Ashland. Nored won an Oregon AAU novice title last year.

Darrell Erdman, Multnomah

athletic club, will take on Jackie Gibbons, Klamath Falls, in another 135-pound ruckus. Bob Carr, 80, Medford, will fight Dick Rose, Ashland.

Processed from the bouts will be used to keep Police Athletic league activities going. In some cases where expenses are not provided by the host organization, funds may be used to pay for a boxer's trip to fight in another community. Coach Hugh Jennings pointed out expenses often are not paid for novices, boys who have not built up reputations in the ring. He mentioned also that the occasional out-of-town trips are important in keeping up the interest of the boys.

Tickets are on sale at the city police station, Sam's and Lamports Sporting Goods stores, the Union and Bohemian clubs and Brown's cafe.

Rogue Loop Clubs Wait Friday Tiffs

Efforts of the Phoenix high Pirates to wrap up the Rogue League basketball title and of Crater and Eagle Point to wind up at least in second place will be features of action this week end in the A-2 circuit.

Phoenix meets Crater Friday at Phoenix and Saturday at Central Point. Eagle Point plays Illinois Valley at Eagle Point Friday and at Cave Junction Saturday.

The Pirates of Phoenix can grab the mantle Friday by bumping the Comets. But if they should drop the Friday fray and still win Saturday, they'll have the toga. It's unblemished loop record makes Phoenix favorite to sweep the series.

The Eagles are also picked to bounce Illinois Valley which has not won a game this season. If they do and if the Pirates take both from Crater, the Eagles and Comets will deadlock for second, making their series next week a crucial one. First and second place clubs in the loop will be seeded with first round byes in the A-2 subdistrict tourney.

Defense Sought

Crater concentrated on offense yesterday but has spent most of the week attempting to build an adequate defense for Phoenix. Coach Leonard Warren reported that drills have gone rather well. He thinks his club will be set for the clashes. However, Harold Lefler has an ankle sprain. Possible starters are Fred Herrmann and John Shama, forwards, Bob Gray or Dick Callender, center, and Nathan Douthit and Don Goyette, guards.

At Phoenix Coach Jack Woodward has stressed fundamentals through the week. He said his squad appears to be in good shape. Woodward is expected to open with the usual five, Charles Wall, Ray Dahl, Bill Madden, Jim Korth and Delmar Broaden.

Ellsworth wrote, "Later in the session when the appropriations committee gets around to related budget items its my purpose to present testimony . . . urging favorable consideration of approval of the funds necessary to bring about the installation of the fish screens.

The screens are sought to prevent damage and destruction to downstream migrating fish. Unscreened turbines on the Rogue have been described as possibly the No. 1 factor in decline of fish runs in the river. Jackson County chapter members of the Walton league have made the Savage Rapids screening one of their major projects of the year.

DIFFICULT TASK

There are indications that Waltonians face a difficult task. Congressional appropriation is necessary to provide for installation. Place was left in the dam construction to receive the four required screens.

Ellsworth said that continuing effort has been made to find some basis on which federal funds could be secured. He pointed out that the matter has been subject of bureau of the budget discussion in the past.

According to the congressman, the dam project was not considered eligible for non-reimbursable funds. He said, "The formula for payout of the reimbursable funds indicated that the additional expenditure for the screens could not be required on the required payout basis . . . Congress apparently was of the viewpoint that the federal government could not properly undertake making improvements which had not previously been part of the project . . ."

Ellsworth pointed out that the fact that the secretary of interior may urge budgeting of funds for the project does not assure that it will be in the budget or will be approved

by the appropriations committee.

HUSKY GRID RUMOR

A second-hand rumor has it that Mel Ingram, head football coach at Grants Pass high, is a possibility for the varsity coaching post at University of Washington made vacant by the firing of Johnny Cherberg.

GRANTS PASS QUESTION

Line-up of clubs for the Southern Oregon League baseball season may be pretty well known following the loop's Sunday afternoon meeting at the Roseburg city hall. But it may not be complete. There's a report that Grants Pass does not plan to participate despite a previous report to the contrary.

It may take some urging on the part of other loop clubs and some reorganizing in Grants Pass to keep the Cave-men in the circuit. It is reported that the Elks lodge does not plan to sponsor the team this year and that one of the club's officials has moved away.

SOFTBALL PROBLEM

Mention of baseball brings the question of softball. Will the Medford Softball association resume operation this year. The softball organization, revived in 1952 after four years of inactivity, struggled along for three seasons. But efforts to organize for 1955 failed completely despite repeated efforts to keep the ball rolling.

It wasn't because no one wanted to play softball. There were groups interested in fielding teams. The trouble was that no individuals could be found who had both time and desire—it requires both—to shoulder the responsibilities and problems of administering the league. Biggest fault has been a "let George do it attitude" which meant that one, two or, perhaps three had to do almost all of the work while others had all the fun.

If softballers can lick the faults and the matter of arranging a place to play, the sport can be revived on a healthy basis. This writer would like to see softball come back for the good of the community. He'll help in any reorganization but, because of his obligations to so many sports and groups, can't participate in actual administration.

Now's the time to start making preparations if there is to be a league.

BASKETBALL DANGER

A few remarks overheard recently indicate that the Medford Independent Basketball league could be in danger of going the same way as the softball association.

Hayward Award Given Tonight

Portland — (U.P.) — Oregon's leading athletes will be on hand at the Columbia Athletic club here tonight for the annual banquet of champions and the naming of the year's outstanding contributor to sports.

Twelve of the state's leading athletic figures of the year will receive individual awards and from that dozen will be named the recipient of the Bill Hayward award, given annually to the man voted by the panel of 50 judges as having contributed the most to sports in the past year.

Leo Durocher, famed as a major league manager, will be the featured speaker at the banquet.

The Belgian Congo, Belgium's vast colonial empire, is about 77 times greater in area than the mother country.

Two Reservoirs Will Open Saturday To Trout Fishing All Year Long

Portland — (U.P.) — Fern Ridge reservoir west of Eugene and Ochoco reservoir just east of Prineville will both open to year-round trout fishing Saturday.

The opening was approved because the reservoirs will probably be treated with rotenone poison this fall to kill the sucker population.

Rice 89, Texas Christian 72
Colo. St. 71, Montana St. 67
Clark JC 70, Oregon State 87

Milwaukee — (U.P.) — Marquette has hired three assistant football coaches to aid new Head Coach Johnny Druze. All are Notre Dame graduates. Named are George Dickson, backfield coach, and Frank Johnston and Fred Wallner, line coaches.

SOC Students Hold Snow Carnival

Ashland — Several students and faculty members from Southern Oregon college participated in SOC's Mountain club's snow carnival at Crater Lake last Sunday. The carnival included skiing, tobogganing, snowshoeing, and a "Sno-ball."

Officers of the group include Ken Wicks, Grants Pass, president; Ray Peat, Grants Pass, vice-president; Esther Powell, Ashland, secretary; Bob Walker, Medford, treasurer; and Fay Hess, Ashland, social committee representative. Miss Ruth Beber, Dan Bulkley and Grier Nichol serve as faculty advisors.

Copple Cans 14 for Rooks

Vancouver, Wash. — (U.P.) — Clark Junior College avenged an earlier one-point defeat at the hands of the Oregon State Beavers and drubbed the baby Beavers 70-57 in a basketball game here last night. Jack Day of Clark scored 24 points while Larry Copple hit 14 for the Rooks.

GIANT GRIDDERS SIGN

New York — (U.P.) — Four of the outstanding offensive backs on the New York Giants last season—Capt. Kyle Rote, Frank Gifford, Charlie Conerly and Alex Webster — all have signed their 1956 contracts with the club. The club also has signed seven of its 10 top draft choices.

ANDERSON CLAIMS Telephone Lines Jammed Over 54

"Andy" Anderson, Medford businessman, says that when you mention magic numbers and money, you leave yourself wide open to be trampled in the rush.

In the columns of this paper last week, Andy claimed that his magic number—54—could solve almost anybody's financial problem, and invited telephone calls or visits.

Andy, his hands bruised from shaking hands, his ears puffed up from answering the phone, and his voice hoarse from saying "Yes," has decided that he'd better explain the magic formula in print.

"54 means that you can borrow \$1000 from COMMERCIAL INDUSTRIAL FINANCE, pay off all your bills, and pay us back at the rate of \$54 monthly for 24 months," Andy says.

"What is more, no payment is due for a FULL MONTH after you receive your loan. From COMMERCIAL INDUSTRIAL FINANCE, at Main and Riverside, you can borrow from \$25 to \$2500. Loans are made on your salary, or on your furniture or car (paid for or not!)"

And to heck with his bruised ear—if you want more information just call 3-4564 and ask for Andy. His greatest pleasure in life is saying "Yes" to your application for a loan!

Cong. Harris Ellsworth has informed Col. Paul Weiland, Medford, state Izaak Walton league director, that he plan to urge favorable consideration of the Savage Rapids turbine screening project by the House of Representatives appropriations committee.

Ellsworth wrote, "Later in the session when the appropriations committee gets around to related budget items its my purpose to present testimony . . . urging favorable consideration of approval of the funds necessary to bring about the installation of the fish screens.

The screens are sought to prevent damage and destruction to downstream migrating fish. Unscreened turbines on the Rogue have been described as possibly the No. 1 factor in decline of fish runs in the river.
