Spring Flower Show School Dates Announced by Chairman

The spring flower show school of Siskiyou district, Oregon Federation of Garden clubs will be held April 18, 19 and 20. The school was planned in order that interested gardeners in this district could be trained as flower show judges, and this is the third session.

It is pointed out that previously the classes had been announced as opening one day earlier. The school will be held in the Central Point Grange hall.

Horticulture instruction will be on native plants and judging instruction will be on tulips, early iris and camellias. Books to read are "Wild Flowers in Your Garden" by Helen Hull, and Chapter 16 and 44 in "Women's Home Companion Book" by Wister.

Flower show practice will be on staging, and the duties of the judges. Those planning to attend are also to study pages 11 to 14 on staging, and Chapter 4 on judging in the "Handbook for Flower Shows."

Flower arranging instruction will be on design, with emphasis on scale, proportion, color and analogous harmony. Books to read in preparation for this are "Color in Flower Arrangement" by Wilson and "Color Notation" by Munsell.
