

HOCKEY

Montreal—(U.P.)—Jean Beliveau, whose late-season scoring outburst is the chief reason the Montreal Canadiens have increased their first place margin to 17 points over the New York Rangers, today ran his National Hockey league leading total to 66 points.

The stylish, 6-2, 204-pound center added three goals and three assists in three games to stretch his lead to five points over Detroit's Gordie Howe.

Tod Sloan, Toronto's big point producer, advanced a notch to tie Maurice Richard of Montreal for third place, each with 55 points.

Andy Bathgate, New York's standout right winger, slipped one place to fifth with 54 points, followed by Montreal's Bert Olmstead who had 52. Earl (Dutch) Reibel ranked seventh with 47 points. Another Ranger, Dave Creighton, failed to score, but held on to eighth place with 44 points.

New York—(U.P.)—Zellio Toppazzini of the Providence Reds was held to a single point last week but retained an 11-point lead over Dunc Fisher of the Hershey Bears today in the race for the American Hockey league individual scoring crown.

Toppazzini has scored 34 goals and received credit for 46 assists for a total of 80 points in 48 games. In the same number of games Fisher has tallied 32 goals and been credited with 37 assists for 69 points.

Willie Marshall of Pittsburgh leads in goal with 35 and Ken Wharram of Buffalo in assists with 50.

Gil Mayer of Pittsburgh led the goalies with four shutouts and a 2.68 average while Fred Glover of Cleveland topped the circuit with 154 minutes in the penalty box.

TO AVOID DISPUTES

New York—(U.P.)—The National AAU may have an electric photometer in use next Saturday at its annual indoor track championships in Madison Square Garden to try to avoid disputed finishes such as the one between George Sydnor and Dave Sime in Saturday's NYAC meet.

First short wave broadcast was heard in 1924.

SPORTS

Willie Mays Is Married

Elkton, Md.—(U.P.)—Willie Mays, the star center fielder of the New York Giants, was married and arrested for speeding all in the space of a couple of hours today in a hectic celebration of St. Valentine's Day.

Mays was married to Marguerite Wendelle of New York City. She gave her age as 27, Willie as 25.

The marriage ceremony was held in the Parish House of Wright's African Methodist Episcopal church by the Rev. Rufus L. Bond.

"They were both quite composed and they seemed to be a very fine couple," said the Rev. Bond. "There were about three others in the wedding party. They all seemed quite jovial."

"But do you know I didn't have the slightest idea who he was when he came here. To think I married a famous man like that and didn't even realize it."

The speeding offense occurred earlier as Mays and his bride-to-be were rushing down the New Jersey Turnpike after being notified that the marriage license Miss Wendelle applied for last Friday had been granted.

Feud Develops Over Mike Allen

Dayton, O.—(U.P.)—The University of Dayton passed the ball back to Ohio State today in their feud over the transfer of basketball center Mike Allen to Dayton.

Dayton officials demanded Ohio State basketball coach Flody Stahl retract "tampering" charges against Dayton Coach Tom Blackburn, under threat of referring the matter to the NCAA.

Blackburn denied encouraging six-foot, eight-inch Mike Allen to switch schools or that he

had offered Allen a scholarship. Dayton officials call Stahl's "tampering" charge following Allen's switch last week "an unfounded smear."

Ohio State Athletic Director Dick Larkens, meanwhile, jumped to Stahl's defense, calling the incident closed.

BLM Earnings During 1955 Reach Record \$239,500,000

All-time record earnings of over \$239,500,000, more than triple the \$77,400,000 previous high of 1954, were recorded by the bureau of land management during the fiscal year 1955, according to the annual report of Secretary of the Interior Douglas McKay. It was nearly 16 times the \$15,451,547 annual appropriation.

The report indicated substantial progress on all five of the bureau's major operational fronts during the year ended June 30, 1955.

Principal achievements included the successful initiation of a new departmental program for unlocking resources in the outer continental shelf—the submerged periphery of the continental United States.

Two bid sales were held in October and November, 1954, as a result of which petroleum companies paid over \$142,000,000 into the United States treasury in bonus bids and first-year rentals for the right to explore for oil, gas and sulphur in 486,869 acres of lands 40 to 100 feet deep in the Gulf of Mexico off Louisiana and Texas.

Substantial contributions were made to enactment of public laws which enable the government, before issuance of patent, to manage the surface resources of mining claims, including disposal of timber and livestock grazing; to abolish thousands of acres of reserves by eliminating certain spaces bordering navigable waters in Alaska; and to open to mining location over 7,200,000 acres of public lands long withdrawn for power and water sites.

Some 2,044,000 acres of pub-

lic lands were restored from obsolete reserves to public lands. Final plans were approved for a two-phase modernization of public land records.

Final formulation was made of a cooperative soil and moisture conservation program designed to rehabilitate federal rangelands in the western United States.

Other highlights for 1955 included complete decentralization of mining and mineral leasing cases to the various field offices in the western U.S. and Alaska; a 60 per cent increase in new and reactivated land disposal cases; adoption of a new formula setting grazing fees equal to the average price per pound of cattle and sheep at western markets; a survey of school sections; and sale of timber from BLM lands, which was the greatest in bureau history.

Seven Persons Perish Of Asphyxiation

Midwest City, Okla.—(U.P.)—A family of seven persons died in their home near here today, apparently of asphyxiation.

Deputy Sheriff George Long identified the victims as Mr. and Mrs. George Smithisler and their five children, ages one to nine.

Long said Mrs. Smithisler and two boys were found on a bed, two other boys on a daybed, a girl on a sofa and the father in an easy chair. The gas burners in the home were turned on and putting out a strong odor.

Oil moves through average pipelines at three to four miles an hour, pushed along by pumping stations.

Rookies Ask For Games

By UNITED PRESS
Spring training hasn't even opened officially yet but some rookies are feeling their oats already.

The rookies in the Red Sox instruction camp at Sarasota, Fla., for example, felt they had progressed sufficiently Monday so that they could take on some competition.

Accordingly, the Red Sox recruits issued a challenge to the Cardinals' rookie camp at St. Petersburg Saturday and again at Sarasota Sunday.

Over at the Phillies' rookie camp in Clearwater, Fla., Mack Burk, a \$40,000 bonus catcher from Houston, Tex., impressed observers with his ability. Burk is a 20-year-old University of Texas junior.

General Manager Roy Hamey of the Phillies announced the signing of two more rookies, first baseman Ed Bouchee and outfielder Bob Bowman. Bouchee batted .314 with Schenectady last season and Bowman hit .270 with Syracuse.

Two rookie pitchers currently working out in the Yankees' rookie camp also sent in their signed contracts. They were Jim Depalo, who had a 9-3 record at Birmingham, and southpaw Jim O'Reilly, who had an 8-8 record with Birmingham.

Relief pitcher Ed Butschy became the 32nd member of the Kansas City Athletics to sign his contract. Butschy won six games and lost eight with Portland last year.

Portugal is the most important world source of cork.

80 Teams in Palm Beach Tournament

Palm Beach, Fla.—(U.P.)—The surprising medalist team of Anna Quast and J. Walcott Brown runs into serious trouble today in the first round of the Palm Beach Mixed Foursome Golf tournament.

They meet the noted team of Barbara Romack and Dick Chapman.

Miss Quast, former U. S. Amateur Champion from Sacramento, Calif., and Chapman, long time star from Pinehurst, N. C., are among the top favorites in this four-day, two-ball tournament that ends Friday. Eighty teams are competing today in the different divisions of the tourney, 16 of them in the championship flight.

Miss Quast, Marysville, Wash. co-winner of the Hollywood, Fla. Women's Four-Ball tournament two weeks ago, teamed with Brown, a banker from Manassquan, N.J., for a 1-under-par 70 to lead yesterday's qualifying round over the Everglades club course.

Tied for second were the teams of Barbara Little, Milwaukee, Wis., and W. B. Merry, West Palm Beach, Fla.; and Ruth Jensen, Seattle, Wash., and Hobart Manley, Savannah, Ga.

Providence, R.I.: Sandy Saddler, 132, New York, stopped Curley Monroe, 130, Worcester, Mass. (3-non-115).
New York: St. Nicholas Arena—Hardy Smallwood, 158½, Brooklyn, drew with Ray Drake, 159¾, Far Rockaway, N.Y. (10).

OSC's Jerry Church Picked As All-Star

Corvallis—(U.P.)—Oregon State has an all-American track ace. Jerry Church, who set an OSC javelin record of 242 feet, 10 inches at Denver in the national AAU meet last season, was picked on the all-star squad by the National Collegiate Track Coaches of America.

New York—(U.P.)—Lighthweight Ludwig Lightburn of British Honduras was matched Monday to meet L. C. Norgan of Youngstown, Ohio, in a return, 10-round bout at Madison Square Garden, March 9. Lightburn out-pointed Morgan at Cleveland last Sept. 23.
