Mobilgas Economy Run Slated March 10 to 22

Los Angeles (U.P.)—The 1956 Mobilgas automobile economy run will be run from Los Angeles to the base of Pike's Peak near Colorado Springs, Colo., March 19-22, it was reported today.

The annual run is to test the gasoline mileage potential of cars under driving conditions encountered by the average motorist. The newly organized United States Auto Club will supervise this year's run.

WALL STREET

New York (U.P.)—Stocks started and ended today's session on a higher note.

DuPont gave the market a bit of excitement. It opened on a rise of four points at 230, later rising to 230 3/4. Directors ordered the usual dividend and failed to split the stock. The price broke to 220 off six points net and later came back to 224.

Oils had a good recovery. Jersey Standard made up a loss of more than a point. Continental late in the day showed a gain of a point.

BIGGEST in the low price field...

[120 1/2" WHEELBASE]

The President Classic—longest, roomiest sedan in its field—210 hp.

MOST POWER, TOO!

(275 hp.)
In The Golden Hawk

This beautiful new Studebaker certainly is king-size in everything but price. Its mighty 210-hp. Sweepstakes engine gives you the biggest power package in the low price field... yet it's a thrifty successor to those Sweepstakes economy champs of the past. Its whopping 120 1/2-inch wheelbase assures satinsmooth, big-car steadiness... plus all the interior roominess that six big adults could want. And even more important is the king-size value you get because of Studebaker's craftsmanship with a flair! You'll find it in the deft tailoring of color-keyed interiors, in the unique safety engineering that surrounds you with security. It all adds up to the plus value that makes Studebaker the new choice in the low price field today.
