

YMCA, Rogue River Go Into AAU Play-Off Final; Y Beats Lions

YMCA and Rogue River Merchants, who were runners-up in the Medford and Grants Pass city circuits, will scuffle Wednesday night at Rogue River in the Jackson-Josephine AAU sub-district basketball play-off finale.

The two last night bowled over the champions of their respective circuits to ramble into the final game. YMCA humbled the Prospect Lions, regular season Medford Independent Basketball League victors, 83 to 70 and the Merchant's cut

off the current from Camp's Electric, GP city titlist, 59 to 52.

Semi-finals were at the Medford senior high gym.

Wednesday's encounter is set for about 9 p.m. following a 7:30 p.m. prelim. Arrangements for the early game were being completed today.

The Y crew, a collection of mostly ex-Medford high athletes, took an early lead and were never headed to spill the Lions' blood after losing to them twice in

MIBL. Rogue River slapped Camp's in a rubber match after dividing in regular season play and its win came a bit harder than the Y's. The Merchants were in front much of the way but they had to bust a 52-all deadlock which came with two minutes left to go.

Bob Serak, a deadeye lefty from Chicago, Derald Wooton and Larue Smith sparked the sharpshooting YMCA offensive. Serak, who joined the club after playing the regular season with Hawkinson Tire Tread, poured in 26 counters. Wooton had 19 points and Smith 18. Wes Stauffer got 19 for the Prospectors. Dick Price, an uncanny gunner from long range, bombarded for 18 and Ted Greb wound up with 16.

Y was on top by five to nine points through the big share of the first half and had a 45 to 37 margin at the midway breather. In the second half the spread was upped to 10 points at 49 to 39 and 51 to 41.

MEDFORD TRIBUNE SPORTS

A-2 DIVISION TOURNEY TO BEGIN ON THURSDAY

District 6 A-2 southern division play-offs at Central Point head the high school basketball agenda in this section of the state this week.

Final games in the Southern Oregon conference and in the Jackson County Class B league are billed and one or two other scuffles are planned.

The A-2 tournament opens Thursday with Eagle Point taking on Henley at 7 p.m. and Illinois Valley tussling Brookings at 8:30 p.m. Eagle Point-Henley victor will battle Phoenix in the first game Friday and host Crater will meet the Illinois Valley-Brookings winner.

Championship scuffle will be on Saturday night. It will be the last of three games. Thursday losers meet in the opener for fifth place and the Friday beaters clubs vie for third.

Special Tiff at Talent

First and second places in the A-1 Southern Oregon conference are settled but prestige still will be at stake when Grants Pass comes to Medford Friday and the Black Tornado goes to GP on Saturday. The same will hold true at Ashland where the Grizzlies entertain the Pelicans both nights.

Two games are on tap this evening. Jacksonville will go to Butte Falls for a B league make-up and the Talent varsity, minus its seniors, will oppose the

Grants Pass sophomores on the Talent court at 7 p.m.

Talent will travel to Prospect for a B make-up on Wednesday and on Thursday or Friday the senior-less Bulldogs will go to Grants Pass for a return brush. Only single games will be contested in the Talent rivalry with Grants Pass.

The two Jackson B loop frays being played this week were postponed from last Friday because of the heavy snow.

Advance Sale Of Tourney Ducats Good

University of Oregon, Eugene — Oregon's greatest Sports week, the annual high school championship basketball tournament, apparently is headed for a new attendance high if the advance ticket sales are a true indication of the crowds to be on hand when the 38th annual prep classic is played at McArthur Court March 13 through 17.

Ted Bouck, Oregon's business manager, said today the advance sale of season reserved seat and student tournament tickets was up more than 10 per cent over last year and the same applied to applications for individual reserved seats for the Friday night night.

Last year the tournament drew 77,285 fans, an all-time high, and this year the playoffs will be exclusively an A-1 affair of 16 teams while the A-2 teams, which formerly fought it out for the right to enter the tournament here with the bigger schools, will have their own eight-team tournament in Salem.

No Change in Prices

Bouck said there had been no change in tournament ticket prices, applications are being accepted at McArthur court.

Active Club officials, who cosponsor the tournament with the Oregon School Activities association and the University of Oregon, said today plans had nearly reached completion and they would again publish the popular state tournament guide. The only changes to be made in the book involves editorial copy for the A-2 tournament in Salem while the team information on both A-1 and A-2 schools will be the same in both editions.

Last year sales of the book reached the 5,000 mark and additional copies are planned for this year.

FOUR REGULARS OUT

Memphis, Tenn. — (U.P.) — Memphis State will have to compete in the NCAA basketball tournament without four of its top men, two because they are too old, two because they're too young. Center Forest Arnold and guard Ken Caldwell are seniors and can't play because this is their fourth year of eligibility under the rules by which Memphis State plays. And forward Bobby Arnold and center Jim Hockaday can't play because they're freshmen. First year men are barred by the NCAA.

The St. Louis Hawks, pleased that their latest victory famine is over, today held a one-point lead over Rochester for the third and final playoff spot in the National Basketball Association's Western Division.

In a doubleheader tonight at New York, the Knicks entertain the Syracuse Nationals and the Royals play the Pistons. The Hawks return to St. Louis for a game with the Boston Celtics.

Calhoun Wins 18th Fight

New York — (U.P.) — Unbeaten young Rory Calhoun, who registered his 18th straight victory Monday night on a television TKO over Angelo Defendis, will be moved "very gradually" toward a middleweight title shot, trainer Charley Goldman said today.

Rory's next bout will be an eight-round semi-final at Madison Square garden, March 9.

Monday night, the 21-year-old Negro of White Plains, N.Y., stopped young Defendis of Brooklyn at the end of the fifth round in their return bout at St. Nicholas arena. It was scheduled for 10. Rory had a decision over Defendis in their first scrap, Sept. 27, 1954.

Monday night Referee Teddy Martin motioned that the bout was ended while brown-haired, square shouldered Defendis sat on the stool in his corner between the end of action in the fifth round and the start of the sixth. According to New York rules, it was a fifth-round TKO.

Defendis, 22, was on the floor and the count had reached "five" when the bell ended the action in the fifth round. A solid left hook and a following right to the chin had dropped him for the only knockdown of the bout. He was staggered three times just before he hit the deck. It was Rory's ninth knockout. He was favored at 3-1.

Solomons announced in London yesterday that he would allow blubbery Archie to postpone a world championship bout there against Yolande Pompey from March 13 to June 5 providing Moore agreed to a list of provisions.

These included that Moore not box anywhere else before the Pompey bout, put up a guarantee of \$14,000 that he would appear, and arrive in England four or five weeks before the fight.
