SAVAGE CREEK-ROGUE RIVER Recent Newlyweds Honored

By CHRISTINA H. MARSHALL

Savage Creek-Rogue River—There was a reception Sunday honoring recent Savage Creek newlyweds, the former Juanita Faye Boucher, daughter of Mr. and Mrs. Walter Boucher, 151 Savage Creek rd., and Nolen Delbert Renfro, son of Mr. and Mrs. Herman Renfro, of 808 Fifth st., Grants Pass. The reception was held at the Renfro home in Grants Pass starting at 2 p.m.

The couple was married at the home of the bride's parents on Savage Creek rd. Feb. 9. The double-ring service was conducted by the Rev. L. G. Fraser as the couple stood beneath an arch of daffodils and greenery. The home was decorated with white bells and streamers of yellow and white. The bride was given in marriage by her father. She wore a street-length frock of white faille with sweetheart neckline and stand-up collar. The bodice was fastened with tiny pearl buttons. Her veil was of white tulle, and she carried a bouquet of white carnations centered with a white orchid.

Instruction by TV Proved Effective

University Park, Pa. —(U.P.)—A study at Pennsylvania State University showed instruction by television to be as effective as direct classroom methods.

Dr. R. C. Carpenter, director of a project sponsored by the Fund for the Advancement of Education, said students felt they had learned about the same through television courses as they would have by being present in classrooms.

Courses in general psychology, general chemistry and the psychology of marriage were offered to television students.

Dr. Carpenter said the common complaints were that students were not able to know their instructors personally and had no opportunity to ask questions.

Faculty members associated with the project said they missed personal contact with the students.

Miss Dorothy Boucher, sister of the bride, was maid-of-honor. She wore a street-length frock of turquoise embroidered taffeta with a white hat and white accessories and corsage of white carnations.

Carl Renfro, brother of the groom, attending him as best man. Mrs. Walter Boucher, mother of the bride, was attired in a two-piece dress of navy blue faille with white accents at the collar. Her corsage was of white carnations as was that of Mrs. Herman Renfro, mother of the bridegroom, who also was wearing a navy blue ensemble.

The newlyweds left on their honeymoon to San Francisco after the ceremony. The bride wore a navy-blue knit suit with red accessories for her going-away outfit.

They are making their home in Glendale where Mr. Renfro is employed by the California Oregon Power company.

The bride graduated from Rogue River High school in the class of 1955. Prior to her marriage she was employed at the office of the California Oregon Power company in Grants Pass.

Another resident of Savage Creek rd. will soon join the rank of newlyweds. She is Miss Margaret Miller whose engagement to Gary Johnson was announced last December. They plan to be married some time in June.

Mrs. Marion Mitchell of upper Savage Creek rd. is in northern Oregon at the home of her mother, where she is undergoing extended treatment for a severe illness. Mrs. Mitchell has arthritis of long standing and recently became poisoned from too many drugs which she received to bring relief. It will be some time before she is able to be about again.

Clarence Mitchell, her husband, and daughter Marilyn accompanied their wife and mother, but are now home again. Marilyn keeps house for her father.

Mr. and Mrs. Lee H. Marshall spent the afternoon and evening at the new home of Mr. and Mrs. Chester Hollingsworth on Bridge st. in Ashland Feb. 12. A chicken dinner was served by Mrs. Hollingsworth, followed by a valentine cake in the form of a large heart. An evening of visiting and TV followed.

Addressograph Plates Completed in County

Addressograph plates for the county's 26,000 registered voters were completed Tuesday by the county elections department.

The plates were converted from card files and will take the place of typists and proof-readers required in the past for publishing the 94 poll books, according to Mrs. E. K. Peterson, department head.

Employees also completed plates for the county payroll, 865 election board members and a list of county physicians, the latter at the request of the county health department.
