

Camp Fire Girls Plan Celebration

When Camp Fire Girls in Medford light the 46 candles on their birthday cake March 9th, they will be celebrating the birth of an organization that has helped over 4,000,000 girls to become better citizens and homemakers, a Camp Fire statement points out. Today, just as in 1910 when Dr. and Mrs. Luther Gulick and other leading educators founded the organization, its purpose is to provide girls with an educational program that helps to build character.

It was pointed out that Camp Fire provides "wonderful opportunities for growth and achievement" and that girls enrolled in this program serve the community, the nation and the world.

Attention was called to the "energetic way" in which Camp Fire Girls have turned the traditional Halloween "trick or treat" into help to others. Girls toured the neighborhoods gathering pennies in order that children in other lands might have milk.

Camp Fire's current birthday project is "plant seeds — reap friendship."

Attention was also called to the men and women in Medford and other cities who give their time and talents to the Camp Fire program. Throughout the nation there are approximately 70,000 men and women who volunteer their services to Camp Fire as board and committee members, group leaders and sponsors. However, it was said that many were volunteers are needed in order that Camp Fire may extend its program to all girls who wish to take advantage of the opportunities which membership offers.

Because many adults claim that they are "too busy to serve," the statement mentioned a few adults who now serve Camp Fire.

"One might think that Mrs. Herbert Daniels, Mrs. J. Rowen and Russel DeForest were 'too busy,' the statement continues. "Mrs. Daniels is the mother of four children, does all of her own housework, is active in church work and is a Horizon advisor; Mrs. Rowen has three children, is a Camp Fire leader, and also serves on the council as an active member, and gives many hours to PTA and church work; Mr. DeForest is a business man with a family but is never too busy to lend a hand where it is needed, and is an active council member."

"These people and every one of our leaders and council members find a challenge in the Camp Fire program. By working with the girls of our community we feel that our ideals and hopes for the future will serve a better community."

Rogue Council of Camp Fire Girls is a member of the Medford United Crusade.

"Andy says I'm an angel!"

Andy thinks it's nothing short of a miracle the way I manage to get all my housework done and still have time for the many things I really enjoy doing. The truth is, I've simply found faster, easier ways to do my work. Like wood floors. How I used to dread that chore until I found out about Bruce Cleaning Wax. Now it's almost a snap because Bruce cleans as it waxes. There's no floor washing at all. And, honestly, my floors haven't looked so nice in years. If you have wood floors, you really ought to try Bruce Cleaning Wax. I know you'll like it.

Incidentally, I've found other Bruce floor products help me, too. There's Bruce Floor Cleaner for cleaning and lighter waxing, Bruce Paste Wax, Bruce Asphalt Tile Cleaner, Bruce Asphalt Tile Self-Polishing Wax and the new Bruce Self-Polishing Wax. Yes, for floors it's Bruce!

As We Live

Party Kissing Games Are Unwise For Teenagers

Kissing games are a popular indoor sport for young teenagers. While they may seem harmless enough on the surface, they are often the beginning of heavy petting.

(Q) "My daughter recently attended two parties at which kissing games were the order of the evening. The boys and girls were 13 and 14 years old. Am I being an old fuddy-duddy in thinking that this sort of thing is unnecessary to make such a party a success? The other mothers think kissing games are all right. My daughter says she doesn't care anything about the games but if everyone else plays them, she can't very well be the only one who refuses. I told her I would write and ask what you thought about this matter and each of us has promised to abide by your decision."

Mrs. L. B. (A) I agree that kissing games are unnecessary to make a party for young teenagers a success. There are more wholesome forms of entertainment, such as dancing, cards, bingo and other games of chance for which small prizes are offered, and group singing.

On the other hand, I agree with your daughter that she cannot go to a party and be the

League To Quiz Candidates

Portland — Questions to be asked candidates for the office of governor, secretary of state, treasurer, attorney-general, state senators and representatives were discussed and approved at a state board meeting of the League of Women Voters of Oregon in Portland last Saturday.

Mrs. Bernard J. Shaffer, state voters service chairman, Beaverton, presented the questions and stated that questionnaires would be mailed to all candidates for state offices soon after the close of filing on March 9. Candidates for state representatives and senators will be interviewed by local leagues. Candidates for the U. S. Senate and House of Representatives in the four congressional districts in Oregon will also receive questionnaires from the state league office. When the candidates return the questionnaires, the answers are compiled and forwarded to all of the local leagues in the state for use in their local "Know Your Candidates" paper.

Delegates to the national convention of the League of Women Voters of the United States to be held April 30 through May 4 at the Hotel Sherman, Chicago, will be Mrs. Ronald K. Campbell, Corvallis, state president, and Mrs. K. E. Montgomery, Eugene, first vice-president. Alternate is Mrs. Robert J. Wiener, Portland, second vice-president. Program for the biennial 1935-38 will be voted upon at this convention.

Proposed program items are "Conservation of Water Resources" and Evaluation of the federal loyalty-security programs, recognizing the need for safeguarding national security and protecting individual liberties." Other program items may be proposed from the floor if proper notification of the intent to do so is given to the national league board.

The state organization committee reported favorably on investigations made in The Dalles and Springfield and the committee will go ahead with the preliminary organization work necessary in these two cities before a provisional league may be established.

The provisional league in Oswego was recommended to the national league board for local league status.

The state board of the League accepted with regret the resignation of Mrs. Jerome L. Holzman, Portland, as she is planning to become an active political party worker. The non-partisan policy of the league does not permit board members to actively support candidates during their term of office although it urges all other members to be active in the party of their choice.

Plans for the state League council meeting to be held at the Ocean House in Gearhart May 14, 15, and 16 were discussed and a committee to plan a program for the meeting was appointed. Serving on the program committee are Mrs. Carl Ott, Forest Grove, Mrs. J. Richard Nokes, Portland, and Mrs. Robert J. Wiener, Portland. The Beaverton league will act as hostess league for the council meeting.

To Meet Tonight

Gold Hill—Amethyst Rebekah lodge will meet tonight at 8 o'clock in IOOF hall. Mrs. Paul Molloy will take charge of the program.

Couples Return From Vacations; Florida Visited

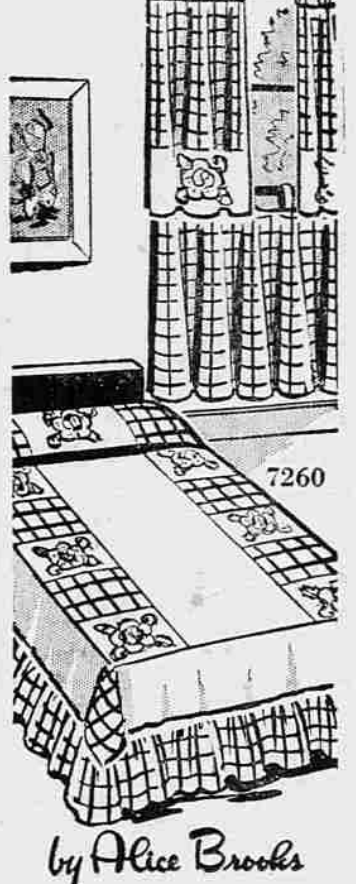

Two Medford couples have recently returned home from winter vacations.

Mr. and Mrs. L. W. Bates, 19 South Barneburg road, spent a month traveling through the southern states and in Florida. They stopped at New Orleans en route to Florida, and after arriving in that state traveled down the west coast to the Florida Keys and up the east coast.

The Bates, who traveled 8,000 miles in 15 states, report that in four or five cities they met Medford friends by chance.

Mr. and Mrs. E. B. DeVoe, 12 Glen Oak court, also recently returned from a winter's vacation south. They spent some time in Southern California and Texas, and then continued to Florida. They visited St. Petersburg, Ft. Lauderdale, Miami, Key West and Sarasota. In the latter city they visited the winter headquarters for Ringling Brothers and Barnum circus.

Hospital Director Disputes Fact of Nurses Shortage

Chicago — (U.P.) — A hospital director and his assistant dispute that there is an actual shortage of registered nurses.

"It has not been proved that there is an actual national shortage of graduate nurses if the nurses were limited to actual nursing duties," said Dr. Albert W. Snoke and Richard B. Ogrean.

Snoke, director of the Grace-New Haven Community hospital of New Haven, Conn., and Ogrean, assistant director, made the statement in an article in Hospitals, Journal of the American Hospital Association.

They said there should be more efficient use of professional nurses, re-evaluation of the patient's nursing needs, and greater utilization of practical nurses, students and aides.

"Responsibilities for clerical, housekeeping, dietary and administrative activities should be taken from the nurse and given to other hospital personnel," they said.

"We believe that uneconomical and inefficient use of graduate nurses in non-nursing activities can be demonstrated in every hospital in this country—including our town."
