### THE BASIC FACIAL

by MIRIAM GIBSON FRENCH  
McCall's Beauty Editor

A facial is a cream treat-  
ment that cleanses, stimu-  
lates and lubricates.

Always use smooth, rhyth-  
mic upward-and-outward  
movements; never pull or  
tug at the skin.

Try to give yourself this  
professional treatment  
once a week, adapting it  
to your own complexion.
