Lincoln PTA Elects Officers

Medford Footlighters presented a skit, "Random Target", for Lincoln Parent-Teacher Association at a meeting held March 13. After the skit Miss Mary Vandenberg, psychiatric social worker, led a group discussion of the behavior patterns brought out in the play. Footlighters taking part in the play were Mr. and Mrs. Thayer Tarvin, Terry Tarvin, Mrs. Ivan Burton and Mrs. Bernice Scofield.

Business during the meeting included the election of officers for the coming year. John Weber was elected president, Mrs. H. S. Morris, vice-president; Mrs. Eric de Place, secretary and Mrs. J. J. Jones, treasurer.

Other business of the evening included the decision to provide each of the teachers with a stapler in place of the annual teachers' luncheon; it was also decided to secure another instrument for the school orchestra. A report was given on the success of the recent school carnival and the president extended the thanks of the association to the committee members in charge. They were Mrs. Austin Caldwell, Mrs. Juanita White and Mrs. Ralph Hogue.

Mrs. Robert Barnum spoke on the value of the "Parent-Teacher Magazine" and passed around sample magazines for the members to study. It was voted to send one of the new officers to represent the Lincoln unit at the Oregon Congress convention at Eugene.

Roy Gilbertson, principle, called the members attention to a display of the students art work on the walls of the gym. He stated that it was material the children would exhibit the next

times! Send 25 cents for your copy of this wonderful book now. You'll want to order every design in it!

Cotton Queen Logical Choice for Position

Los Angeles—(U.P.)—Patricia Ann Cowden, 21, of Raleigh, N.C., was a logical choice for the title "Maid of Cotton." "I'm allergic to wool," said the pretty cotton queen, here for personal appearances.

Tough jobs demand a Universal 'Jeep'

Traction. 4-wheel drive gives the extra traction for traveling up steep grades or broken ground. The 'Jeep' is built to stand up and take it in tough usage.

Mobile power. With power take-off, the Universal 'Jeep' provides mobile power for operating welders, compressors, generators and many other kinds of specialized equipment.

Hydraulic lift. With hydraulic lift, the 4-wheel drive 'Jeep' operates graders, scrapers, post hole diggers and most 3-point hitch implements.

Now a 'Jeep' with longer wheelbase—the new model CJ-5. Carries larger, bulkier loads; has all the features that made the 'Jeep' famous.

A 4-Wheel-Drive Universal 'Jeep' takes you to the job, wherever it is—on the road or off! This rugged performer carries men and equipment over the highway in conventional 2-wheel drive. Then, when work calls for travel off the road—through mud, sand or snow, up hill or down—you shift a single lever for the extra traction of 4-wheel drive. With power take-off, or hydraulic lift, the Universal 'Jeep' does an almost endless variety of jobs. To find out what it can do for you, ask for a demonstration.
