7 Benefits of PRE-PACKAGED PRODUCE

NO WAITING . . .

Shop quickly or leisurely. Checkout service speeds up because produce is plainly marked and can be handled quickly.

TABLE READY . . .

You pay for no waste. Everything is trimmed and washed, ready for home use.

GREATER SELECTION

Pre-packaged produce takes less display space permitting larger variety. Most items are packed in different size packages for different size families.

LESS SPOILAGE . . .

The wrapping prevents oxidation, thereby giving the item a longer refrigerated life.

CLEANLINESS . . .

No store dust or dirt can enter the package. No "Picking Over" by other customers can soil the product, thereby assuring you of complete sanitation.

TOP QUALITY . . .

Everything is No. 1 grade merchandise. All merchandise sold at the BIG Y, of course, carries the BIG Y unconditional guarantee. Satisfaction on anything or your purchase price refunded.

NO EXTRA COST . . .

There is no extra charge for packaging; the price is the same as if the produce were sold loose. Of course, if you don't see the size package that you want, we will be happy to break one of the larger packages and let you have what you want.
