

Responsibility for Mental Health Placed

Asilomar, Calif. — (U.P.) — A Palo Alto psychiatrist has charged employers, the family and society as a whole with the responsibility of a successful mental health treatment program.

Dr. Maurice Grossman spoke yesterday before 100 physicians, nurses and vocational experts from five western states, Alaska, Hawaii and Washington, D.C., who are attending a conference on rehabilitation of the mentally ill. The five-day meet ends today.

"Because the new drugs used to suppress symptoms of mental illness," Grossman said, "for permanent cure, these patients need even more attention to other forms of treatment outside the hospital."

He said if families would tolerate certain mentally ill members, the patients could be treated at home and would not have to go to a hospital.

On The Side

"It's sad to starve a love, dear, so worshipful and true, I know a little cottage, dear, quite large enough for two, and will you lie my wife, dear, so you will ever bless, through all your sunny life, dear, the day you answered yes?" — J. G. Sax

When Irving Berlin wrote the first Music Box Revue he had just fallen in love with Ellen Mackay. Ellen's father was opposed to Berlin and made it difficult for the sweethearts to meet. Three of the hit songs in the Music Box Revue, all sung by Grace Moore, were "song messages" from Irving to Ellen. They were "All Alone," "Remember?" and "What'll I do?"

Planned Births
Are you a believer in planned births? If so, do you know what period is claimed to be best for a birth? It is between Feb. 12 and March 15. As for the worst time, that is in July, August and September. Children born in the Feb. 13-March 15 group are said to be more intelligent, healthier

and more likely to succeed than those born at any other time of the year. Among those born in the preferred period have been George Washington, Abraham Lincoln, Samuel Pepys, Russell Crouse, Talleyrand, David Garrick, Enrico Caruso, Longfellow, Rossini, Edgar Bergin, Chopin and Michaelangelo.

So They Say
The lucky day for Pisces (Feb. 20-March 20) people is Friday. Their lucky numbers are one and two. Pisces women are very psychic. They are practically mind readers. If married to a Piscean don't lie to your wife. She will know what you've been up to. Or, so say the stargazers.

Horses and Women
Large ears, according to the character analysts, indicate a good listener. A wife who listens is a matrimonial treasure. Only time most wives listen to their husbands is when they talk in their sleep. However, large-eared women are usually poor housekeepers and inclined to be extravagant. Small-eared women are non-stop conversationalists. Their husbands seldom get a word in. Still the small-eared girl are clever home managers and quite economical. As for eyes, the dark eyed girls make the best wives. Those with light colored eyes are likely to be fickle, indolent and hard to please. Gray-eyed women think with the head rather than the heart. They marry for security rather than love. Green-eyed girls are dangerously jealous. Black-eyed females love intensely and hate likewise.

Asking
Queries from Clients: Q. Were both parents of George M. Cohan born in Ireland? A. George M. Cohan's father, Jerry Cohan, was born in Boston, Mass. His mother, whose maiden name was Nellie Costigan, was born in Providence, R. I. George's paternal grandfather was born in County Cork, Ireland.

Close Finish
How close was the closest photo finish you ever lost a wager by? Or do you know? An electric timer has revealed that in one race the horse losing by a photo finish completed the distance 13-100ths of a second slower than the winner.

Laughs of the Day . . .

Raleigh, N.C. — (U.P.) — The lost and found columns of Raleigh's newspapers carried this notice:

"Lost Saturday night, leaving scout dance, State Union Building, teen-age pink strapless evening dress."

Dallas, Tex. — (U.P.) — Police said a woman sentenced to a three-year prison term for swindling used an alias in her operation for good reason.

Her name was Mrs. Janice Roy Swindle.

Toronto — (U.P.) — Anson Jones, 21, got a \$50 fine for "impaired driving" after police testified they chased his car through a red light at 70 miles an hour.

Jones said his speech was slurred and his eyes glassy because he played his saxophone "for seven hours straight" at an all-night jam session.

Los Angeles — (U.P.) — Antique dealer Albert J. Babbaty, 57, Beverly Hills, was granted a divorce on testimony that his wife, Martha, 34, broke a statuette of the patron saint of peace over his head.

DeQuoin, Ill. — (U.P.) — The owners of "Joe," a male parakeet, thought they had lost him this week but it turned out he had only gone courting.

After several days' absence, Joe was discovered at the home of a female parakeet eight blocks away.

East Paterson, N.J. — (U.P.) — Edmund Neal, charged with driving through a parking lot to avoid a traffic light, told the judge that he was only trying to

Model United Nations Set At Oregon State College

Corvallis — Southern Oregon college will represent Luxembourg at the "Model United Nations" next week at Oregon State college. Students from 70 western colleges are expected to participate and debate international issues in meetings patterned after the world UN organization.

The four-day sessions will start Wednesday with some 800 collegians from 11 western states and Alaska. Representatives of various countries will speak for the "adopted nation" in three general assembly sessions and various council meetings.

Assembly President
Charles A. Sprague of Salem, former Oregon governor and UN representative, will serve as president of the general assembly. Topics which will be discussed include regulation of armed forces, control of atomic energy and the Arab-Israeli dispute.

On the agenda for the sixth session are the security council, economic and social council, trusteeship council, general assembly, and ad hoc organs, including political committee and peace observation commission.

In addition to subjects mentioned, the model UN also will consider admission of new members to the UN, the question of Morocco, establishment of an international finance corporation, establishment of a special fund for economic development, the draft international covenant on human rights, and recommendations concerning international respect for the right of peoples and nations to self determination.

The west coast model UN is the oldest and largest of six conducted by colleges in various parts of the country, according to OSC officials. A total of 11 Oregon colleges will participate in the sessions, representing Austria, Bulgaria, United Kingdom, Liberia, Soviet Ukraine, Egypt, Nationalist China and Nepal, Canada and Albania in addition to Luxembourg.

Members were glad to welcome their Grange mother, Mrs. Otto, who has not been able to attend the meetings for some time.

Master Lattie spoke on the sales tax. Master Herb Carlton of Pomona Grange spoke on membership and the farm problem. William McLean, also Pomona lecturer, announced that there would be a memorial program and service held at the regular Pomona Grange meeting April 28 at the Gold Hill Grange hall.

Mrs. Travis Littlefield will be hostess to the next HEC meeting April 10.

After the meeting canasta and pinocle were played.

Live Oak Grange
Officers of Live Oak Grange opened the regular meeting with the seating drill March 22 and escorted Ray Frantz to the Masters station.

The agriculture committee reported that the poultry market had been steadfast for the past two weeks, and a slight rise in the beef market. Foster Luce, the Grange delegate to the recently organized flood control group, reported on the constitution and by-laws drawn up and recommended their adoption.

The third and fourth degrees were given to Theda Reville and John Chiumulera by the degree team with Larry and Edna Sheehan acting as stewards. Visitors welcomed to the meeting were Sallie and Ernest Cotter of Rogue River Valley Grange and Mr. and Mrs. Harold Densmore of Phoenix Grange.

Mrs. Phil Strahan was in charge of the refreshments.
