the only dishwasher that gives you all THREE . . .

- SPOT-LESS WASHING!** Everything is washed twice with fresh detergent each time.
- SPOT-LESS RINSING!** A super wetting agent automatically injected into second rinse prevents drops from forming and spotting glasses and silver.
- SPOT-LESS DRYING!** Safe, sanitary drying to a gleaming sparkle in pure, electrically heated air.

USE IT IN YOUR OWN HOME FOR 5 DAYS WITHOUT OBLIGATION

Just give us a call. We'll bring you this new Hotpoint Mobile Dishwasher that you merely plug-in . . . no plumbing costs. Rolls to the table for loading, to the sink to do dishes, out of the way when not in use! Maple top gives you the most practical work-surface in the kitchen. Full size, not a midget portable. Many families find it holds a full day's dishes.
