

Pardon us . . . while we spruce up a bit... just for you

Rub-a-Dub-Dub . . . One Man and a Tub!

A tub of soapy water, that is . . . for we're doing a lot of scrubbing. And you'll see a lot more scrubbing and cleaning at your friendly Big Y Shopping Center for the next couple of months. There's a little method in our madness, though . . . for we are getting ready to present to you one of the most, modern, up-to-the-minute shopping centers in this area. If, at times, we do inconvenience you in any way with obstacles such as fixtures or cleaning utensils in the aisles, please forgive us. We will be handicapped for awhile, as all of this preparation will have to take place while we are open for business. Let me give you a little idea of what is going to take place. First . . .

Ah, Ah Don't Touch!

You'll see a lot of wet paint signs around our store as we renovate and paint with the latest decorator's pastels. These colors were selected especially for you, because when you step into our stores, we not only want you to feel welcome, but we want you to feel right at home. If from time to time you pick up a disagreeable odor from the painting, please bear with us, as this will be only a temporary situation. Second . . .

Pardon Me, Madam . . . Coming thru!

We're moving in with the latest and finest frozen food equipment available. This will assure you the finest selection of frozen foods. The first opportunity you get, please contact any of your Friendly Big Y personnel and let them know of any frozen food delicacies that you would like us to stock for you. In addition we will be rearranging much of the present equipment to make your shopping more convenient. We ask that if we happen to inconvenience you during this moving that you will excuse us as in the end it's all being done to give you the most modern up-to-date shopping center that is possible.

You'll Check thru in a Breeze!

Third . . . now you can check out in a breeze at your Friendly Big Y Shopping Center. Not only have we installed the Zephyr Acromatic checkstand to speed you on your way but we have eliminated some of the checkstand stops. Yes, now you can check out groceries, meat, produce, baking and variety items through one checkstand and in addition with checkstands located at both the south entrance and the new north entrance you may check out at the stand nearest your car.
