Magda Gabor Marries N. Y. Industrialist

Franklin, N.J.— (U.P.) —Magda Gabor married New York industrialist Arthur Tony Gallucci Easter Sunday in the first of three April weddings by the beautiful Hungarian sisters.

Magda was wed in a civil ceremony which brought her marriage number to four, temporarily placing her one ahead of sister Zsa Zsa and two ahead of Eva.

The wedding stirred this rural community. Some 20 guests were invited to the wedding but hundreds of townspeople crowded along the church yard and peeked through windows.

Magda, who said after the wedding it was the "most beautifu day" of her life, announced the marriage would end her career on the stage.

Eva's fiance, Dr. John Williams, Beverly Hills, Calif., and Zsa Zsa's bethrothed, Los Angeles contractor Hal B. Hayes, attended the ceremony.

Taxation Committee Favors Sales Tax

Salem — (U.P.) — The Legislature's interim committee on taxation voted in favor of a state sales tax here Saturday and came out unanimously in support of repeal of the 45 per cent income surtax at the next session of the Legislature.

The 11-member committee voted 9 to 2 in favor of establishing a sales tax but six of the proponents said they would insist that food consumed off premises be exempt.

Most prominently mentioned by the committee was the so-called "California plan" which would base state revenue on a combination sales tax and personal and corporation income tax.

Sentiment favored a three per cent sales tax rate with food and certain other articles exempt.

Grace Kelly Plans Final Preparations

Philadelphia — (U.P.) — Film actress Grace Kelly leaves by auto for New York today to make last minute preparations before sailing Wednesday for Monaco and her marriage to Prince Rainier III.

She was accompanied by her parents, Mr. and Mrs. John B. Kelly, and Rev. John Cartin, pastor of the family parish, St. Bridget's church here. The party was to lunch with Francis Cardinal Spellman.

Grace spent the Easter week end, her last in the United States, with her parents, relatives and close friends. She marries Prince Rainier April 19.

Russian H-Bomb Said Similar to US Version

Tokyo — (U.P.) — A Japanese scientist was reported yesterday as saying the H-bomb exploded by the Russians last November is similar to the super-uranium bomb tested by the United States at Bikini in spring 1954.

Kyodo News Agency said Prof. Yosmio Sugiura, chief of the Meteorological Research Institute's geochemistery laboratory, came to this conclusion after an exhaustive analysis of radio active particles which fell in the Tokyo area for three days after Nov. 24.

Skier Buried Under Avalanche of Snow

Seattle — (U.P.) — Hans Grage, 45, was killed at the Stevens Pass Ski area yesterday when he was buried under about 10 feet of snow which slid off a ski hut roof.

The State Patrol said Grage was shoveling snow off the roof of a hut owned by Penquin Ski Club. The snow slid from under him, carried him off the roof and then piled up on top of his body.

Grage was prominent in Pacific Northwest skiing activities.

This shaggy dog story has a moral for you-

and proves why U. S. Savings Bonds are safer than cash

One day the U. S. Treasury received a letter enclosing fragments (only) of a $50 Savings Bond. The letter came from a distressed dog owner who confessed that his shaggy canine companion had given the Bond a thorough chewing, and plaintively asked what could be done about it. The Treasury wrote right back assuring the unhappy man that his Bond would be replaced upon presentation of satisfactory evidence—and enclosed the proper form to be filled out.

Several days passed
A second letter arrived—enclosing fragments of the Treasury's letter and bits of the enclosed form. You guessed it. The shaggy dog had done it again. Could the Treasury please send along another application form?

The Treasury could—and did—and eventually the chewed up Bond was replaced. Nothing further has been heard from the man—or from the shaggy dog. (The Treasury is hoping that no news is good news.)

This true shaggy dog story illustrates the safety—the indestructibility of U. S. Savings Bonds. Just remember this. *Any of your Bonds that are lost, stolen or destroyed will be replaced by the U. S. Treasury without charge.* That's why Bonds are said to be, "Safer than cash."

Your Government is just as anxious as you are to protect your rights as Bond owners. But of course you must do your part, too. Just follow these simple rules: Keep your Bonds in a safe place. Keep a complete record of all the Savings Bonds you own by serial number, denomination, date, and name of co-owner or beneficiary. *And* be sure to keep this record in a different place from your Bonds. This record is not absolutely essential in reclaiming lost Bonds, but it will help speed up replacement.

U.S. Savings Bonds are not only safer than cash, but one of the best investments you can make. You can be sure of the principal, sure of the returns (an average 3% interest when held to maturity)—and sure of the future when you invest regularly in Savings Bonds.

So don't stash cash in sugar bowls and mattresses. Start investing in Savings Bonds today. That's the safe and sure way to save.

For the big things in your life, be ready with United States Savings Bonds
