Neuberger Describes Political Financing

Salem—(UP)—Sen. Richard L. Neuberger today described his plan for federal financing of political campaigns when he addressed a luncheon meeting of the Salem Kiwanis Club.

Neuberger has introduced a bill calling for a federal appropriation of equal size to each political party as a substitute for large private campaign contributions.

He said "an undemocratic element has been introduced when one nominee can eclipse his opponent not because of superiority of ability or of his policies, but merely through a preponderance of coin of the realm."

Rudy Brothers Circus At Hedrick Gym Today

The Rudy Brothers circus, which has been playing in Portland the past week, will stage two performances at Hedrick Junior High school gymnasium at 4 and 8 p.m. today. The circus is being sponsored here by the Crater Lions club.

Club officials said the circus includes several acts with baby elephants, ponies, dogs, and chimpanzees.

Proceeds from the circus will be used by the club's welfare fund. The show lasts about two hours, club members said.

Air Force To Continue Two Tillamook Courses

Washington — (UP) — Sen. Wayne Morse (D-Ore.) said today that the Air Force has decided to continue the two petroleum courses at the Northwest Technical Institute at Tillamook, Ore.

Morse said the courses, for Air Force personnel, were scheduled to be terminated at the end of the present fiscal year but that the latest decision of the Air Force assured that Tillamook would retain the private school.

"These courses cover highly important functions of storing and maintaining jet fuels and high octane gasoline and are of prime importance to national defense," Morse said.

Board of Health Warns Of Cesspool Workers

The state board of health has warned home-owners against hiring transient cesspool or septic tank workers who are unable to prove they are registered and bonded to operate in Oregon.

Arthur Farrell, state plumbing inspector, said that laws enacted by the 1955 legislature require that anyone who hires out to commercially pump or install a cesspool, septic tank or drain field must be registered and must file a \$1,000 surety bond with the state board of health.

Registration and bonds are good for one year only, ending each June 30, Farrell said.
