Training Camp Briefs...

By UNITED PRESS
 Anaheim, Calif. — (U.P.) — The Hollywood Stars split their squad today as one team met the Sacramento Solons here and the other played Boise of the Pioneer League at Ontario. The Stars yesterday dropped an exhibition game to the Portland Beavers. Eddie Basinski hit a bases-loaded round tripper to lead Portland to the 13-6 win.

SOLONS WIN
 Pasadena, Calif. — (U.P.) — Al Heist's 10th inning single with the bases loaded yesterday gave the Sacramento Solons a 4-3 victory over the Seattle Rainiers in an exhibition game.

ANGELS RALLY
 Los Angeles — (U.P.) — The Los Angeles Angels staged a five-run rally in the eighth inning yesterday to defeat the University of Southern California, 14-13, at Wrigley Field.

GRAND SLAM HOMER
 Fullerton — (U.P.) — Catcher Len Neal belted out a grand slam home run yesterday to highlight a seven run rally that gave the Vancouver Mounties a 9-8 victory over San Diego.

Water Resource Board Officials On Izaak Walton League Program

Three members of the Oregon State Water Resources board will participate in a panel discussion Monday night at the monthly meeting of the Jackson County chapter of the Izaak Walton League.

The three are Ted Watson, Salem, and Robert Root, Medford, members of the board, and Don Lane, Portland, executive secretary. Watson is a hydraulic engineer. Lane was formerly manager of the Jackson County Chamber of Commerce.

The meeting will be at 8 p.m. at the Jackson hotel. Functions and operation of the board will be discussed by the three men.

UO Cinder Squad Has High Marks

Eugene — (U.P.) — Coach Bill Bowerman's trackmen not only are fast, they're smart, too. The track and field squad led athletes for the winter term with a 2.83 grade point average, well above the general student body mark.

Complicated PCL Plays Will Be Interpreted

Los Angeles — (U.P.) — Pacific Coast League fans will be better informed about complicated or unusual plays that in the past have gone unexplained except to players and officials.

PCL President Leslie O'Connor has issued an edict for the coming season that requires the umpire-in-chief to interpret any decision or play which requires explanation to the park public address announcer. The announcer immediately will relay the information to the fans.

Leon Hart To Get Duty At Fullback

By LLOYD NORTHRAD
 Detroit — (U.P.) — The start of the 1956 National Football League season is almost half a year away but Leon Hart, the former All-American end from Notre Dame, wishes it would get underway tomorrow.

Hart, the 250-pound veteran of six seasons with the Detroit Lions, is slated for full-time duty at fullback and he likes the idea.

"I played fullback for the final three games last season and really enjoyed myself," Hart said. "It's rough. The ball attracts a lot of attention. But I liked it and I'm looking forward to the 1956 season."

The six-foot, five-inch Hart, who had dished out plenty of punishment during his football career, figures it's worth taking some punishment to realize the dream of all linemen.

Secret Yearning
 "There isn't a lineman around who doesn't secretly yearn to be a back," Hart said. "I'm getting my chance and I intend to make the most of it."

When Hart broke in with the Lions in 1950 after an illustrious career at Notre Dame, he was regarded as one of the top pass catchers in the game.

He lived up to the reputation until fleet defensive backs found they could out-manuever him. When that happened, big Leon was shifted to defensive end and used primarily to menace rival passers.

Hurlers Ease Worries of Tribe Pilot

By FRED DOWN
 United Press Sports Writer
 Bob Lemon and Bob Feller had Manager Al Lopez convinced—at long last—today that they'll be major factors in helping the Cleveland Indians try to recapture the American League pennant.

The 35-year-old Lemon and the 37-year-old Feller eased Lopez' worries Wednesday when they teamed for a 5-hit performance that gave the Indians a 2-0 triumph over the New York Giants at Austin, Tex. Lemon yielded four hits, six innings and then Feller completed the shutout when he allowed only one blow the remainder of the way.

With opening day less than two weeks distant, the pitching seemed to be improving all around the Grapefruit Circuit.

Reds Beat Nats
 The Cincinnati Redlegs got 5-hit pitching from Bill Kennedy, Brooks Lawrence and Hershel Freeman to beat the Washington Senators, 5-0.

Dick Marlowe and Bob Miller, meanwhile, teamed up in a 7-hit job to pitch the Detroit Tigers to a 2-1 win over the Boston Red Sox.

The Pirates snapped Art Ceccorelli's string of 20 scoreless innings by scoring three times in the second inning and went on to beat the Kansas City Athletics, 4-2.

The Philadelphia Phillies, also getting capable pitching, scored three runs off Bob Grim in the eighth inning to down the New York Yankees, 4-3.

Vince Martinez Pummels Diaz

Miami Beach, Fla. — (U.P.) — Vince Martinez' lopsided television victory over Miguel Diaz will be followed "within a week" by the offer of a \$100,000 guarantee for a bout with welterweight champion Johnny Saxton, Martinez' manager said today.

Manager Bill Daly said the offer would be made in New York City and that he hoped a Saxton-Martinez bout could be held there "but anywhere will suit us."

Martinez, fourth-ranked welterweight, out-throttled Cuban champion Diaz throughout their 10-rounder at Miami Beach Auditorium and earned the unanimous decision of all three ring officials. He floored the Cuban twice and only the final bell prevented him from scoring a clean knockout.

SAMPLE OF REGATTA—This is a sample of the action which will be seen Sunday at Emigrant lake in the annual regatta sponsored by Western Speedboat association, a local organization. In this B utility run, Carl Ribbo, Coquille, leads Pete Mobley, Eugene, around a buoy. Some top racers from Pacific coast areas are expected to vie Sunday in the six races scheduled. Events begin at 1 p.m. Emigrant lake is southeast of Ashland, off Highway 66.

ENTRY LIST NEAR 100 FOR MOTORBOAT RACES

Members of Western Speedboat association today relaxed and sat back anticipating the regatta they will administer and perform in Sunday at Emigrant lake.

The races at the reservoir south of Ashland off Highway 66 will begin at 1 p.m. this Sunday and the large list of entries indicates that a big show is in the making for Rogue river valley aquatic fans.

In a surprise announcement, Jerry McGrew, commodore of the WSA, reported that there are close to 100 entries already for the regatta. He said that he believes the huge number of races results from American Power Boat association sanction of the Emigrant event.

This boost from the APBA, which advertised the races to topnotch clubs in the country, could mean the finest races in the history of the valley, McGrew declared.

National Championship
 Names were not revealed today, but the WSA expects the arrival of at least four national APBA champions to make the competition rough for all concerned. Their entry and the cash prizes for each event should provide the incentive for a keen rivalry.

A good number of the local boat jockeys are taking the regatta serious and have been holding practice runs regularly at the lake. Races will be for B and D stock hydros, F hydros, and BU, DU and D utility runabouts.

Children under 12 years of age will be admitted free for the races. There will be snacks available at concession booths.

The lake is about four miles southeast of Ashland.

Henley Joins Little Rogue Relay Group

Phoenix—Henley high school definitely will vie in the Little Rogue relays here Saturday, Meet Director Jack Woodward announced today.

He also reported that the Phoenix Lions club will provide the trophy which a school must win three times for permanent possession.

There will be six teams competing, Illinois Valley, Eagle Point, Rogue River, Glendale and host Phoenix, rounding out the entry list. Field events will start at 2 p.m. and the first running event will be at 3 p.m.

The Phoenix meet will follow the program of the B and C divisions of the Hayward relays for which the teams will be tuning. There will be 10 events. Foot races are the 440-yard relay, sprint and distance medleys and the shuttle hurdles. Pole vault, shot put, discus, high jump, broad jump and javelin are the field tussles.

Thinclads Limp At OSC, Oregon

Corvallis — (U.P.) — Saturday's track and field meet between Oregon and Oregon State at Eugene won't be run on crutches but both teams are crippled, according to the coaches.

Sam Moe, the Beaver coach, said Hal Moe, his top sprinter, has a pulled leg muscle and hasn't worked out all week. Gene Tenney, his best distance man, is recovering from a bout with the flu.

Bill Bowerman, the Oregon coach, said pole vaulter Bob Reich had a sprained ankle and broad jumper Martin Pedigo a pulled leg muscle.

PILOTS SLATE HOOP TRIP
 Portland — (U.P.) — Portland University's basketball team plans a Midwest invasion next February. The Pilots already have games scheduled with DePaul, Bradley and Regis.

Webfoot Crew Blanks Pioneers

Eugene — (U.P.) — The University of Oregon Ducks ran their baseball winning string to three games in as many days here yesterday as they blanked Lewis and Clark, 8-0.

The Ducks picked up one run in the opening frame, added two in the second and one in each in the fourth and fifth stanzas. In the seventh, Pitcher Ron Whitaker banged out a 360-foot triple to the right-center field barrier with the bases loaded to ice the win.

THIRD PLAY-OFF MIX
 Detroit — (U.P.) — Detroit's reeling Red Wings counted today on home ice to get them back on the winning path in their Stanley Cup championship series with the Montreal Canadiens and prevent a complete collapse of their hockey empire.

The Red Wings meet the rampaging Canadiens here tonight in the third game of their best of seven series for Lord Stanley's cherished trophy.

Don Bowden Could Be First Yank To Crack 4-Minute Mile Barrier

By HAL WOOD
 San Francisco — (U.P.) — The first American to crack the four-minute barrier in running the mile may be 19-year-old Don Bowden, a skinny University of California sophomore.

Bowden is so good that, after only three runs at that distance, he already has a 4:08.2 record. "Don right now can be tabbed a good Olympic prospect," says his coach, Brumby Hamilton.

"He is a great competitor—the kind who runs only fast enough to win. If he is pushed hard enough after he gets in top condition and used to the distance, it is hard to tell how fast he can go."

In his three tries at the distance, he has marks of 4:11.8; 4:08.2 and 4:14. In the middle one, he was pushed to some extent. In the 4:14 event, he won by 70 yards.

Bowden stands six feet, three inches tall and weighs only 155 pounds. But he has a beautiful stride—not at all choppy for one who has such a small amount of experience.

Toughest Test
 This Saturday, Bowden will get his toughest test to date. Cal meets Southern California, the national champion, in a dual meet on the Trojan squad.

are two real good distance men in Sid Wing and Max Truex. "If Bowden is to beat my men," says Coach Jess Mortensen of USC, "he'll have to do better than 4:06."

Actually, Bowden came to the Golden Bear campus as a half-miler, and he is an exceptional runner at that distance, too. But Hamilton is firm in his belief that Bowden has great prospect stamped on him as a miler prospect.

"He'll try to make the Olympic team as a miler," says Hamilton, "not as a half-miler. At least we'll train with that in mind. If he should fall in the longer distance, however, he might try the shorter one later."
