

**SITE OF SUNDAY REGATTA** — Western Speedboat association's annual regatta will be contested Sunday afternoon on the waters of Emigrant lake, above. Among approximately 100 entries will be some of the leading boat

skippers of the west coast. A number of local drivers will compete. The first of six races will start at 1 p.m. The lake, a reservoir for Talent Irrigation district, is off Highway 66, about four miles southeast of Ashland.

## Speedboaters Seek APBA Points In Emigrant Races on Sunday

A good number of the top rated drivers on the Pacific coast will be vying for honors Sunday afternoon when the Western Speedboat association, an organization of southern Oregon racers, holds its annual regatta on the waters of Emigrant lake southeast of Ashland.

The opportunity to gain points toward national honors, along with the prize money and trophies, will provide the impetus for fast speeds and a bit of chance-taking which despite skillful jockeying could result in a number of thrills and spills.

The first of six races is set for 1 p.m.

Knox and Johnny Hartley, Coquille; Bob and Bill Larson, Delake; Les Manasar and H. J. DeMartin, Crescent City, Calif., and Harold Fowler, Redding, Calif. There'll be others from throughout Oregon, Washington and California.

### Wooden Moans Shun of Naulls

Los Angeles — (U.P.) — UCLA Coach Johnny Wooden says his star center, Willie Naulls, may have been left off the 12-man Olympic basketball squad because the selections committee was afraid it was going to have too many West Coast players on the team.

"It looks as if the committee was afraid it was going to have too many West Coast ball players represented on the team," Wooden told United Press. "I can not possibly see how they left Willie off the team."

Naulls rated as one of the best players in the Pacific Coast conference was named as an alternate to the squad. Four of the players chosen for the team were from California schools.

The UCLA coach rated Naulls a better all around offensive player than San Francisco's Bill Russell. He, however, praised the All-America star as the greatest defensive performer he had ever seen.

Races this year are sanctioned by the American Power Boat association and it will be APBA points the drivers will be after. Points from the various sanctioned races are tabulated at the end of the racing year to determine the top man of the nation.

Paul Woodruffe, Salem, and Rocky Stone, Willamina, are a couple of the leading drivers expected here. Woodruffe won first place in the nationals last fall in D utility. He'll also race D and F hydroplanes. Stone is a west coast leading racer and holds the mile world record for D utility. He also entered D and F hydro races.

### Russ Meyer Goes Nine; Tips Orioles

By TIM MORIARTY  
United Press Sports Writer

An old Branch Rickey axiom is haunting the Brooklyn Dodgers.

When the old Mahatma was general manager of the Dodgers, he frequently contended that "The best deals are those you never make."

And who could blame the Dodgers today if they were wishing they had never traded Russ Meyer to the Chicago Cubs.

Beset by pitching problems, the world champions must have cringed Thursday when they learned that Meyer became the first Cubs' pitcher to win nine innings as he posted a 1-0, 16-4 victory over the Boston Orioles.

Meyer walked only two men and allowed but two earned runs in his route-going effort against the Orioles at Alpine, Tex.

### Erskine Gets It

Carl Erskine got a rough going over by the Milwaukee Braves as the Dodgers dropped an 8-6 decision at New Orleans. The Brooks' right-hander was nipped for seven runs and 10 of Milwaukee's 11 hits in five innings.

Larry Doby collected three hits that helped the White Sox to a 10-7 victory at Albany, Ga. It was only the third defeat in the last 15 games for the Cardinals, the Grapefruit League leaders.

At Corpus Christi, Tex., Herb Score allowed only two hits and fanned seven in five innings as the Cleveland Indians handed the New York Giants their second straight 2-0 shutout.

Johnny Temple's one-out single in the ninth inning scored the winning run as the Cincinnati Redlegs ipped the Washington Senators, 4-3, at Fort Gordon, Ga., while Dick Littlefield allowed only two hits during an eight-inning stint in pitching the Pittsburgh Pirates to a 6-1 triumph over the Kansas City Athletics.

### Tax Lien Filed Against Louis

Chicago — (U.P.) — The Internal Revenue Service yesterday filed another tax lien against former boxing champ Joe Louis.

It was the seventh lien to be filed against the one time heavyweight titleholder and showed that the fighter owes \$4,380 in income taxes for 1953.

Earlier liens charged him with owing \$1,210,789 for 1936 through 1951 and for 1953.

MEDFORD (OREGON) MAIL TRIBUNE—THIRTEEN

## Panchos Vie For Mantle

Cleveland — (U.P.) — Richard (Big Pancho) Gonzales shoots for his fourth straight title in tonight's final of the world championship tennis tournament against Francisco (Little Pancho) Segura.

The two Panchos showed their mastery over former amateur greats at the arena last night when they swept the semifinals in straight sets.

Gonzales had to come from behind in each game to defeat Rex Hartwig of Australia, 23-21, 21-18, 21-18, while Segura beat former amateur king Tony Trabert, 21-13, 21-10, 21-16.

The tourney is being played under a new scoring system adopted last year based on the 21-point system used in table tennis.

## Stevens' 3-Run Homer Enables Hollywood Win

Anaheim, Calif. — (U.P.) — R. C. Stevens blasted a three-run homer in the eighth inning yesterday to give the Hollywood Stars a 7-4 victory over Sacramento in an exhibition game.

The win broke a four-game winning streak. Winning pitcher Don Dangleis, named to start in the Stars' PCL opener against Seattle next Tuesday, allowed the Solons only one hit.

## Most of Baltimore Oriole Positions Still Uncertain

(This is the last in a series on the 1956 prospects of the major league clubs.)

By CARL LUNDQUIST

Douglas, Ariz. — (U.P.) — Neither the nights nor the days are long enough this spring for field manager-general Manager Paul Richards of the Baltimore Orioles, who has just too much to accomplish trying to get a decent ball club into the American League race.

Except for slick fielding Willie Miranda at shortstop and Gus Triandos who will play every day, either as a first baseman or a catcher, no one knows for sure who will be in the lineup.

Triandos, the team's best hitter who has a \$200,000 price tag, will be the catcher on days when there is a right-handed pitcher opposing Baltimore. That means lefty swingers Bob Hale or Bobby Boyd, goods batsmen but mediocre fielders, will be at first.

Richards wants Bobby Adams at second but that's a mystery because years ago Adams was moved to third with the Redlegs because he couldn't make the double play well. However, it is likely that Fred Marsh will be moved over to the keystone later, although he's at third right now.

Experimenting All spring Richards has been experimenting at third. He brought in switch-hitting outfielder Dave Philley to play the bag and even had center fielder Chuck Diering there. And bonus player Wayne Causey originally was the regular "hot corner" man.

The idea is to pack more power in the lineup and that could be done with Philley at third and with Jim Dyck, Dave Pope, Diering or hot rookie Vito Francona in the outfield. All except Diering are better than average hitters. He also will give the bonus outfielders, Bob Nelson and Jim Pyburn a chance to play.

Richards has kid pitchers in

abundance, too, but here he is sticking mainly with veterans. He has named as his four big starters Jim Wilson, Ray Moore, Eric Palica, and lefty Bill Wight, all veterans from other major league clubs. The relief experts, George Zuverink and Harry Dorish, also are veterans and a young lefty, Fred Besana, who Richard says "can go in there and get out those lefty batters" will stick as a bullpen batter.

Catching is a bright spot because Triandos takes care of the job more than adequately when he is back there and young Hal Smith also is developing into a talented receiver.
