

**Coffee Maker Burns Hole in Stand, Desk**

A coffee maker left turned on at the Kennedy second hand store, 1603 North Riverside ave., last evening burned through a wood stand and through the desk beneath, firemen reported. Firemen were dispatched to the store after city police reported smoke there about 12:40 a.m. A hole about 10 inches in diameter was burned in the desk. An overheated flue resulted in minor damage to the wall, ceiling and attic about 11 p.m., yesterday at the Robert Stayde home, 603 Benson st. Firemen said it was necessary to cut away part of the wall which was ignited from the flue. Westside station firemen were sent on the call.
