

# GP Cavemen Gain Rogue Relay Title; Tornado Establishes 6 New Records

Medford high's trackmen roared to first places in six events and established six new meet standards in the process yesterday but the effort wasn't quite sufficient to continue the Black Tornado's dominance in the Rogue Valley relays. The Kiwanis club trophy emblematic of the team championship went to the Grants Pass Cavemen.

The boys from the Climate city lower down the Rogue captured first places in only two of the events, the javelin and the distance medley, but they got enough seconds and thirds and fourths to total 83 points. That total barely edged Medford's 82.

It was Medford's first team setback in the Rogues since 1949. Third in the 17th annual southern Oregon cinder carnival was Marshfield of Coos Bay with 53. Crater's Comets were fourth with 43. Klamath Falls scored 38 and Ashland 19.

In all eight records were smashed, Grants Pass setting two along with Medford's six.

**McFarland Wins Javelin**

Gary McFarland got one of the Cavemen's firsts when he beat out Medford's state champion, Eldon Francis, with a record javelin heave of 182 feet 3 1/2 inches. Francis, with 180-6 and Hardy Spurgeon, Marshfield with 179-1 also beat the old mark of 178 set by D. C. Mills, Medford in 1950.

Grants Pass won its other blue ribbon and set its other record in the distance medley when Paul Cogle, Francis Krause, Tom Putman and Terry Boatman combined for 11:18.

Medford started out the record breaking afternoon in the first event, the 440-yard relay. Mike Hawkins, Bob Gould, Wally Larson and Gary Riley covered the lap in 44.3. The Tornado followed that up with standard shattering two-mile relay victory with Les Lingscheit, Bilbee Lane, Bill Richy and Wiley Winchell touring in 8:24.7.

**Medford Nabs Shuttles**

Wally Larson, Hawkins and Dennis Miller, Medford, leaped over the shuttle hurdles in a new fast time of 34.3, and Medford's crew of Wayne Close, Bob Tisdell and Hawkins hopped to a new mark of 61-9 1/2 in the broad jump. In the mile the Medford team of Pete Kershaw, Loren Christian, Winchell and Mike Russell established the new time of 3:26.3.

Lew Breazeale established a new height of 12-3 for Medford in the pole vault.

Marshfield won two events, the 880-yard and shot put relays.

Pedro Colley took the discus for Klamath Falls and Crater won the high jump relay.

The Black Tornado suffered a demerit disqualification for passing the baton outside the exchange zone in the half-mile test. Medford finished in second place with anchor man Gary Riley only a stride and a half back of Marshfield's Roger Johnson. Had Medford been allowed the eight points for second place, it would have retained its championship.

In setting the broad jump Hawkins jumped 20-11. Close 20-6 and Tisdell 20-3 1/2. Neil Plumley was top individual in the shot put with a distance of 50-2 1/2. Most of Medford's cinder victories were by wide margins. After going 12-3 in the vault Breazeale tried to clear 12-6 and almost made it on the first of his three tries.

Grants Pass collected seven seconds to boost its cause in the two-mile, the 880, the hurdles, the vault, the mile, the broad jump and the high jump. The Cavemen had thirds in the 440 and the shot put and got a fourth in the discus. Medford got seconds in the javelin and shot, third in the high jump and fourth in the distance medley. It failed to place in the 880 and discus.

The trophy, donated by Medford Kiwanis, was presented to Chuck Weller, captain of the Grants Pass team by A. Freeman Sersanus, Portland, Pacific Northwest district governor of Kiwanis.

Are you planning a picnic today? If so, why not take the family to Emigrant lake. That's the suggestion of the Western Speedboat association.

The lake today will thrum with the hum and churning of outboard motorboats as the WSA stages its annual regatta. With the races sanctioned by the American Powerboat association, which will award points, the southern Oregon speedboat group are hopeful of their most colorful and most successful presentation.

First of six races is to begin at 1 p.m. There will be two heats of five laps in each race and these may make for an after-

noon-long program of keen competition and thrills.

**Outstanding Drivers**

Entries have been listed at near the 100 mark with some of the outstanding drivers of the Pacific coast bringing their sleek hulls and powerful motors. Among the entries listed since Friday are Ned Collett, Coquille, and Bud Backen, a B hydro skipper and former hardtop racer from Roseburg who attends Southern Oregon college.

Drivers from this area who'll try their skill against the strong representation from other sections are WSA Commodore Jerry McGrew, Fred McPherson, Bill Barnes and Rod Witham. There may be others who make up their minds at the last minute.

The stellar boat jockey list includes such names as Paul Woodruffe, Salem, and Rocky Stone, Willamina. Other standouts are Lyle Knox and Johnny Hartley, Coquille, Bob and Bill Larsen, Delake, and Dick Pharis, Albany. California drivers include Les Manasar and H. J. DeMartin, Crescent City, and Harold Fowler, Redding.

**Swoope Chairman**

Today's regatta is being conducted under the chairmanship of Tom Swoope. Mel McGrew will be referee and the APBA official is Bill Larson. Chief scorer will be Lorraine Barnes and Jane Witham and Gene Hinsky are other scorekeepers. Stan Smith will be timekeeper and Gordon Hayes and Don McGovern will operate the starting clock. Pit manager will be Al Stevens. A. C. Allen and Orvil Hayes will have the crash boat.

Announcer will be Greg McDougall. Registrations are being handled by Olie McGrew, Mrs. Jack Schauble and Mrs. Barnes. Dr. L. G. Case will be medical officer and Lidwiler ambulance will be on hand.

Lunch and snack concessions will be operated by the Moose lodge of Medford. WSA members said that there will be facilities to adequately take care of most of the needs of spectators.

Those going to the lake south-east of Ashland off Highway 66 are requested not to bring their pleasure boats along. For their own safety and for that of the contestants, the pleasure craft operators will not be permitted on the lake. Only the racing hulls and crash boats will be permitted.

Children under 12 will be admitted free.

**Umpire Purchased**

Cincinnati — (U.P.) — Victor Delmore, a Southern Association umpire for seven years, was purchased by the National league today and assigned to work the 1956 season in the American association.

# Board Tables Segregation Proposal

Baton Rouge, La., (U.P.)—The Louisiana State University Board of Supervisors refused to act on a move today made by a pro-segregation leader to ban mixed athletic events of LSU at home or away.

The board unanimously tabled a resolution proposed by board member J. Stewart Slack of Shreveport, La., executive of the White Citizens' Councils Association of Louisiana.

Although Slack agreed to bring up his resolution again at the next meeting of the board, probably in May.

"I serve notice that I'll bring my motion up again, if I'm still living," he said.

Slack said if the university goes through with its present policy of playing racially mixed teams, the University of Wisconsin will send Negroes to play in the LSU stadium.

At its Feb. 18 meeting, the board adopted a policy which okayed a home and football match with Wisconsin.

Slack charged that Wisconsin had Negro players and said, "The National Association for the Advancement of Colored People is sure to bring one of them to play in LSU's stadium, if only to play for two minutes."

"And I don't care if we never play in a bowl game if it means playing against coons," he said.

Slack was not present at a Feb. 18 meeting when the board agreed not to ban mixed athletic contests.

**Verdict Goes To Giambra**

Syracuse, N.Y., (U.P.)—Middleweight Joey Giambra of Buffalo, N.Y., said today his 10-round victory over John L. Sullivan of England gave him a new stature for a climb back into title contention.

"I've shaken off the rustiness from two years in the Army, and I'd like to have a title shot by the end of the year if I make a good showing in my next fights," the flashy 24-year-old boxer said after a unanimous decision Friday night over Sullivan.

"I was a little too light for the fight and I felt the difference," Giambra said. He weighed 156 1/4 to Sullivan's 161.

"Out of Book" Giambra used a style, described by Sullivan as "right out of the book" in the nationally televised bout at War Memorial auditorium.

Giambra, using a strong left hook and a stand-up style, won the first round on the cards of the referee and judges, but Sullivan's pressing attack to the ropes cost Giambra the second round on all three cards.

Referee Harry Kessler, had to separate the fighters only a couple of times during the fight.
