

## 50 Explorer Scouts From Area to Attend 'Citizens Now' Meet

Approximately 50 Explorer Scouts of the Crater Lake area Boy Scout council plan to attend a "Citizens Now" conference Friday through Sunday at Southern Oregon college, council officials have announced.

Purpose of the conference is to point out to explorers their current place in society and what they should do about it. State and community leaders will speak on home and community issues in which the Explorers are involved at the conference. The large assembly presentations will be followed by small discussion groups in which explorers will exchange opinions about issues.

**Steering Committee**

Co-chairmen of the conference steering committee are Jim Boyd, Explorer scout executive for the Crater Lake area council, and Cliff Hansen scout executive of the Crater Lake area council.

Main speaker will be Elliot Becken, assistant superintendent of Medford schools, who will talk

on "The Final Challenge." Hansen will speak on the purpose of the conference and two other speakers will discuss "Citizens Now in the Home" and "Citizens Now in the Community."

Members of the various conference committees include physical arrangements and registration, Dick Clark, chairman, John Laden, Rex Clark, Dennis Patton, Chester Wilcox, Kermit Thomas and Don Lewis, adviser; ceremonies and activities, Jim Gordon, chairman; Wilson Gillinsky and Bob Paine; discussion leaders and findings, Theron Middleton and Quintin Spangler, co-chairmen, Kip Lombard, Aller Hilligan, Bob Hall, Dennis Hogan and Bob Manchel, adviser; and publicity and speakers, Bryan Schroeder, chairman, Larry Hammond, Eddy Albright, Charles Robertson, Dick Byrd and Ryder Burg, adviser.

The conference will start at 4 p.m. Friday.

## Ford Foundation Check for \$17,100 Mailed to Hospital

Sacred Heart hospital will receive a Ford Foundation check for \$17,100 soon as the initial one-half payment of \$34,200 grant voted last December in the Foundation's program to help and improve and expand hospital services.

Checks totaling \$37,748,800 were mailed to more than 1,000 of the 3,500 hospitals which will receive \$200,000,000 from the Foundation, according to President Rowan Gaither Jr.

Officials of the hospital said they planned to use the funds for improvements. Sacred Heart was provisionally accredited in 1955, and all but a few minor improvements have been completed to again make it a fully accredited hospital, officials said.

**Joint Commission**

The accredited list is published by the Joint Commission on Accreditation of Hospitals, which was established by five health organizations, the American College of Physicians, American College of Surgeons, American Hospital association, American Medical association, and Canadian Medical association.

Inspections of hospitals are made upon request by the hospital, and an inspector surveys facilities and patient care. They rate a dozen or more factors in their surveys.

**Funds Not Listed**

Funds for Rogue Valley Memorial (Community) hospital were not listed in the Ford Foundation release, presumably because the money will not be used until construction is under way on the new hospital building to be put up starting later this year. It is scheduled to receive about \$26,000 under the Ford program.

One of the principal reasons for the decision to build the new hospital was that the old structure could not be modernized to permit it to be fully accredited although every effort is made to keep standards just as high as the building will allow, and to meet all requirements otherwise for accreditation.

Full accreditation is expected for the new structure when it is completed.

**EARNING HIS WAY**—Stewart Crum, young son of Mrs. Tracy Crum, Orchard rd., is shown in the process of selling soap to a local housewife, Mrs. T. A. Rupp. In three weeks Stewart sold enough boxes of soap to earn his two weeks' tuition at the summer YMCA Diamond Lake camp. He is a third year camper. Any boy between the ages of 9 and 15 may participate in the soap sale to help finance camp tuition, YMCA officials said. A camp reunion will be held at the Y building on April 20 at 8 p.m. for all old campers and those interested in the camp.

## 4-H Club News

**Gold Hill Sewing Club**  
The Flashing Seamstresses 4-H sewing club met April 4 in the Hanby school sewing room in Gold Hill.

The meeting was called to order by Dianna Jore, president. Flag salute was led by Bonnie Knapp, and the 4-H pledge by Vervia Beman. Roll call was answered by members telling their fortune off the bubble gum funnies, which were part of the refreshments served by Jan Newland. The meeting was then turned over to the leaders, Mrs. Al Beman and Mrs. John Jore, who helped us with our aprons. Judith Force, Reporter.

## Pathfinder Group Awards Presented for Displays

The Medford Pathfinder group, under the direction of Mrs. Robert Gregg, held a program and displayed handcrafts, fruits and vegetables at Rogue River academy recently.

The program included a pie and baked goods sale, under the direction of Oral Tucker, and tumbling by a group led by Wesley Riley. A duet was sung by Darold and Caroline Bigger, a trio by Jo Ann Hoyt, Phyllis Gregg and Muriel Wilbur, and a duet by Ronnie Archer and Phyllis Gregg.

Mrs. Gregg was honored with a farewell song.

## Ore Samples Shown At Mining Meeting

Samples of ore from the Colorado Uranium property of A. C. Van Galder, Jacksonville, were shown at a recent meeting of the Northwestern Mining Council, Inc.

Van Galder said the Atomic Energy commission at Salt Lake City has issued permits to ship all the ore available from the property, as well as that from his Lakeview holdings.

He said there was no need for worry about a market, as the AEC told him that 80 to 85 per cent of the known reserves will be depleted by 1952.

Samples of cinnabar from Pleasant Valley, Nev., were also shown.

The meeting heard articles concerning development in central Oregon by the Tip Top

Uranium and Oil, Inc., of Denver, Colo., and the decision by the United States Supreme court holding the government liable for damages to mine owners in some cases in the closure of gold mines during World War II.

The council is planning a picnic for May 27 at Tou Velle park. Frank Root was named tentative chairman with Ben Lear to help with entertainment.

**PLEASED**

Ogdenburg, N. Y. — (U.P.) — Mayor Lee W. Keyes was pleased when he was tagged for a parking violation. He paid the \$1 fine and commended the police who ticketed his car for their vigilance.

## Boys Ignite Smoke Bomb in Theater Here

Two fourteen-year-old Medford boys were released to their parents late Friday night after their arrest by city police for igniting a smoke bomb in the Craterian theater.

Police said the two and a third youth who escaped officers narrowly missed alarming theater patrons when they set the bomb under a seat. The first smoke from the bomb was seen by a patrolman in the theater shortly after he watched the three leave their seats and move to the side of the building.

The case was remanded to juvenile authorities.

## Hearing Scheduled For Marketing Change

A public hearing will be held April 27 to consider modification of marketing area requirements for salvage timber on Revested Oregon and California and Re-conveyed Coos Bay wagon road grant lands in Oregon.

The hearing will begin at 9 a.m. at the Interior department auditorium, Interior building, Portland, according to Elton M. Hattan, acting state supervisor, Bureau of Land Management.

The hearing will consider whether marketing requirements now affecting sales of O&C timber shall be modified to permit the processing of O&C salvage timber in any O&C marketing area.

## A Little Vacation In Every Day!

What's it like to take the wheel of a 1956 Cadillac?

If you don't already know, then we hope you'll come with us now on a little imaginary journey in the "car of cars".

Suppose, if you will, that you're in the driver's seat.

How wonderful you feel. Those deep, luxurious cushions hold you in perfect comfort—your hands rest naturally on the slender wheel—and all about you are vision... and beauty... and luxury.

It's an inspiration just to watch the miles go by.

And how quiet and restful it is! The car is so smooth and silent that your only sense of motion comes from the sound of the wind and from the passing landscape.

Driving? Well, what could be more relaxing! Starting... stopping... turning—all are regulated with the lightest touch of toe and hand. You simply lean back and enjoy the ride... and the car does all the rest.

We've heard it said that a drive in a new Cadillac isn't really a drive at all, in the normal sense of the word. It's a time for rest and pleasure and relaxation.

As one of our friends put it—"It's like having a little vacation every day!"

Better come in for a visit some day soon.

If you should decide to move up to a Cadillac, it will be our purpose to make you as pleased with your relationship with us, as your dealer, as you are certain to be with the car itself.

The Cadillac name has long been a symbol of automotive integrity and honesty of purpose—and we make every effort to have our business reflect the same ideals in our dealings with owners.
