County Postpones Budget Meeting

Jackson county budget committee meeting, originally scheduled for Friday, has been postponed until after the hearing on proposed Saturday closure of the courthouse, it was reported today.

The hearing is scheduled for 1:30 p.m. Friday, April 20, in the county court room. It is being held in response to a petition by courthouse personnel asking for the Saturday closure. Many courthouses in the state are open only Monday through Friday. The Jackson county courthouse is open Saturday mornings.

Date of the next budget committee meeting will be announced later, County Judge Rodney Keating said. Requests for 10 per cent salary increases for most of the courthouse personnel is the next major project facing the committee.

Teamsters Suspend Organization Plan

Portland — (U.P.) — Teamsters Union officials said here today they would suspend their organizational campaign at Portland and Coos Bay docks pending a National Labor Relations board hearing on charges of unfair picketing.

A court hearing scheduled for tomorrow on the Portland picketing would be unnecessary as a result of the stipulation signed by Clifford D. O'Brien, attorney for the union, and lawyers of the NLRB. A similar stipulation was filed last Monday on the Coos Bay picketing and resulted in a halt to demonstrations there.

Dock users at Coos Bay and Terminal No. 1 in Portland filed unfair labor practices charges with the NLRB after dock employees refused to handle lumber hauled to the docks by non-union truck drivers. The truckers are the objects of the teamster campaign.

Stevenson Backers See Boost in Oregon

Portland — (U.P.) — "Adlai Stevenson's strong showing will give a tremendous boost to the Oregon campaign to write in his name in the May 18 primary," was the statement of Stevenson's campaign committee here today.

Mrs. Marguerite E. Berg, Salem, and Alfred H. Corbett, Portland, co-chairman of the Oregon Stevenson for president committee, said the Illinois primary "shows the strength we knew was there and places the Minnesota primary in its proper setting."

They said that in Illinois Stevenson scored what they termed a "civil rights victory over Sen. Estes Kefauver by rolling up a vote of 25,000 to 16 votes in the four most populous Negro districts."

New York — (U.P.) — Basil O'Connor, president of the National Foundation for Infantile Paralysis, said today that paralytic polio can be cut in half in this year's epidemic period and reduced to a negligible amount in 1957.

O'Connor said the latest production estimates from manufacturers of Salk polio vaccine indicate that all individuals 19 years of age and under and all pregnant women can be provided with two shots of vaccine before the epidemic period begins July 10.

The Hudson River is 306 miles long from its source in Essex County, N.Y., to Upper New York Bay.
