## Powerful Good Pork Chop and Corn Skillet

Plentiful pork is packed with high-quality protein and minerals... and tastes good. For a fast stick-to-the-ribs meal, make this your main dish for satisfying hearty appetites.

6 rib or loin pork chops cut 1 inch thick  
1/4 cup hot water  
1 1/2 teaspoon salt  
1/2 teaspoon pepper  
1/2 teaspoon thyme  
2 No. 303 cans whole kernel corn (4 cups)  
Salt and pepper  
6 tablespoons chili sauce  
6 dill pickle slices, cross cut

Brown pork chops slowly and evenly in hot skillet. Add the one-fourth cup hot water, the salt, pepper and thyme; cover and simmer for about 40 minutes. Remove chops from skillet, add corn and sprinkle lightly with salt and pepper. Arrange chops on top of corn and crown each chop with a tablespoon of chili sauce and a dill pickle slice. Cover skillet and continue cooking for about 10 minutes, until corn is heated through. Six servings.

## Sierra Salad

Here is an ideal dressing for any combination of salad greens such as shredded lettuce, shredded raw spinach, parsley, maybe some onion rings and hard-cooked egg slices. With a rotary beater, blend one-half cup commercial sour cream, one-half cup tomato ketchup, two tablespoons lemon juice, dash of salt and freshly ground pepper. Toss at table.

## Dutch Potatoes

A savory, economical meat and potato main dish to satisfy the men of the family. Using an apple corer, core six pared medium potatoes. Draw a frankfurter through each. Place in a baking pan with four tablespoons fat drippings. Add one cup milk and bake at 350 degrees for one hour. Six servings.

**Gingerbread Excitement.** Prepare a package of gingerbread mix. Just before serving, heat a can of apple sauce and sprinkle with cinnamon. Serve apple sauce topping on warm gingerbread.

## Glamorous Breakfasts

Treat the family to a few breakfasts that are different. Takes very little more time. Broil canned grapefruit sections. Arrange grapefruit sections in a shallow pan; sprinkle with brown sugar. Place pan beneath the broiler, about four inches from source of heat. Broil until sugar melts and grapefruit is warmed, five to eight minutes.

Serve them scrambled eggs on cheese toast points topped with heated canned, sieved and seasoned tomatoes.

Try adding some dried chipped beef to scrambled eggs, then topping them with a tomato-cheese sauce. Do the tomato-cheese sauce the day before if morning time is rushed.

Consider pork sausage patties or little pig sausages, fried thoroughly, with hot canned apple sauce alongside. Toast or other quick bread.

Orange toast will prove a welcome variation on French toast. For six slices, combine two eggs, beaten, one-fourth cup milk, one tablespoon sugar, one tablespoon grated orange rind and a dash of salt. Mix well, dip bread slices in egg mixture, lightly coating both sides. Brown in hot butter. Serve with honey, sirup, strawberry jam or other sweet spread.

## Creamy Cabbage

Plenty of solid, green, vitamin C-rich cabbage. That is fine in cole slaws or served as a hot vegetable fixed like this for each four servings.

Wash and finely shred one medium-size head of cabbage. Saute in one-fourth cup bacon fat not longer than five minutes. Most cooks overcook cabbage. Mix two tablespoons sugar, one teaspoon salt and two tablespoons vinegar. Stir in one cup thick sour cream. Pour over cabbage; mix and heat thoroughly.

**Girth Control?** In a recent weight control study, 72.5 per cent of the adults "studied" gave overeating as a major cause of excess weight.

Plentiful bacon adds fine flavor to sandwiches, soups, salads, casseroles besides making good breakfast eating. Liver and bacon are a nutrition-packed two-some. Many top meat loaves with two or three strips of bacon for added flavor.

## Check-List of Best Buys Means Easy Meal Planning

Many think that meat makes the meal, start meal planning with meat choice. April meat choice is practically unlimited. Think of family favorites or consider something new and different—and it is yours for the buying.

**Meat Situation.** Continued cause for rejoicing in the meat department. Beef cuts for braising, stewing, pot roasting, for Swiss

steaks and other longer, slower cooking methods are featured. Steaks and ribs for roasting are reasonable. There's plenty of pork in all cuts with very good buys in pork shoulders, spare ribs and other economy cuts. Enjoy bacon and pork sausage more often while prices are reasonable. Lamb is readily available, of excellent quality, at reasonable cost. Lamb breast is a rare bargain, has marvelous flavor when simply salted and peppered and baked in a 350 degree oven until crispy brown. Or braise it in a barbecue sauce. Stuff lamb shanks with any favored stuffing and bake.

**Fish and Shellfish.** Now is the season of rising production of fresh west coast fish and that means lower prices. There are fish fillets galore, fresh, freshly frozen and packaged, frozen. There's cod, halibut, mackerel, ocean perch, red snapper, sablefish, salmon, sea trout, sole, shrimp, clams crabs and crabmeat. And both white and black sea bass are running, for good eating broiled, baked, deep fat corn or pan fried.

**Poultry and Eggs.** Supplies of fryers and broilers continue heavy. Eggs are reasonable enough to give the men and boys of the family a couple of eggs each at breakfast more often. Send them to work and to school better equipped to do their work.

**Fruit Buys.** Plenty of apples from storage which means they must be refrigerated, then eaten soon for best flavor because long-stored apples "tire" easily. Lots of fresh dates for eating out-of-hand, with cereal, in salads, desserts, date bread. Grapefruit and oranges of very good quality are being specialized.

**Vegetable Buys.** Low cost foods include "old" potatoes, cabbage, dry onions (watch these for quality), sacked carrots, celery. New season items, moderate to high in price now, but increasing in supply right along, are asparagus, new potatoes, zucchini squash.

**Other good buys** include canned green beans, dairy products, dry beans, peanut butter, rice.

## Around Hollywood

By ALINE MOSBY  
United Press Correspondent

Hollywood — (U.P.) — Television viewers who despair at some of the programs can despair further. Many a good TV show never sees the light of living room sets.

"Pilot" or test films are made of shows that have a fighting chance to get on TV. Only one out of five is selected. The rejects are gathering dust on the network shelves but several look better to me than what's on TV now.

Alan Young starred in a pilot film a year and a half ago for an off-beat series, "That's Life." I sneaked a look at it and thought it was, hands down, funnier and better made than most series on television now.

"That's Life" follows the format of such motion picture short subjects as MGM's Robert Benchley series, the Pete Smith shorts and the Joe McDoakes series.

**Young Narrates** Comedian Young narrates silent scenes in which he portrays the average man involved in such predicament and problem.

In the pilot film, Young became a photography addict. The series was directed by Richard Bare, who used to make the Joe McDoakes shorts at the Warner studio.

Why wouldn't a top show like that sell? "We felt sure it would—it was a breath of fresh air for television," sighs Ed Beloin, the pro-

ducer. "But people yelled, what were we trying to do, bring back silent pictures?" **Wife Series Shelved** Producers still make husband-wife domestic pilots in the hope of hitting another "I Love Lucy." One interesting reject on the NBC shelf is "My American Wife," starring French actor Claude Daughin as a Paris husband, with Geraldine Brooks as his bride from America.

The dialogue and situations might set Franco-American relations back 40 years. But at least the Paris scenery was a refreshing change from the usual chintz curtains of the existing TV domestic serials.

However, some of the rejects should stay rejected. An attempt to star Pat Crowley in a series about a Chinese house boy, "My Man Sing," didn't come off.

Another show that fortunately never was put on TV was "Skip Taylor, USAF." It was filmed complete with all the cliches about nasty officers and true-blue cadets and the girl who drives by the boys in a white Thunderbird.

## HERE'S A PROSPECT

Des Moines, Ia.—(U.P.)—A man in Cornwall, England, wrote that his No. 5 model Jewett typewriter made here in 1908 was not operating as it should. He asked for several new parts. Homer Jewett had to reply that although the typewriters had been sold throughout the world, they have not been made since 1908 and no parts are available.

## Highway, Liquor Funds Apportioned

Salem—(U.P.)—Apportionment of highway revenues totaling \$2,371,626 for the three months ending March 31, has been reported by Secretary of State Earl T. Newbry.

Counties participated pro rata on basis of 820,829 motor vehicles registered during 1955, Newbry said.

Newbry also announced apportionment of liquor tax revenues for the first quarter of the year totaling \$55,766 to various cities and counties of the state. Apportionment of amusement device tax money totaling

\$10,685 was also announced with 60 per cent going to the state public assistance fund and 40 per cent to the counties.

Amount payable to the counties is based on amounts expended for old age assistance during the year ending June 30, 1956, Newbry said.

## VETERAN NEWSMAN DIES

Cleveland, O.—(U.P.)—Paul Bellamy, editor emeritus of the Cleveland Plain Dealer and a veteran newsman of 50 years, died of a heart attack at his home Thursday night. He was 71.

## FIRE COMFORT

Detroit—(U.P.)—John Gilliam, 81, figured as long as he had to watch his house burn down he might as well watch in comfort. Gilliam, standing in his back yard in sub-freezing temperature, dashed into the house despite the efforts of three policemen to restrain him. Seconds later, he dashed back out wearing a heavy overcoat.

## DOUBLE JEOPARDY

Bowling Green, O.—(U.P.)—Gilbert Ernsthansen lost control of his car which hit a utility pole and landed in a ditch. A truck helped get his auto back on the road, but seconds later another truck smashed head-on, knock-

ing the car back into the ditch. The truck overturned on top of the auto.
