

## On The Side

(Distributed by King Features Syndicate, Inc.)

How sweet it is  
To have one lovely treasure,  
The heart can feed upon in secret,  
Which can be  
A star in sorrow, a flower in joy,  
A thought to which all other  
Thoughts refer;  
A hope from whence all other  
Hopes arise.  
Love, how sweet it is,  
To have the heart made a paradise  
By you.  
—London.

Whenever Johnstown, Pa., is discussed that flood of yester year is always mentioned. Other events of importance took place in Johnstown. For example, it is the birthplace of Charles Wakefield Cadman, the great composer; Col. E. R. Bradley, the distinguished breeder of thoroughbreds, and "Terrible Terry" McGovern, the truly remarkable ringman. Yes, sir, that is right. Terry was born in Johnstown but was brought to Brooklyn when very young.

### Sidelights

This seems to be an appropriate time to recall that Mrs. Harry Truman was 33 when first married. She waited for the right man for her, and got him. . . . From just one of his songs, "Cocktails for Two," Sam Coslow collects about \$5,000 a year in royalties. Sam wrote that song 22 years ago.

### Get It Right

Did George Washington throw a silver dollar across the Potomac? He didn't. Get it right. He threw a stone, not a silver dollar, across a river. That river was the Rappahannock. From Washington Irving's "Life of George Washington," written in 1855, I quote: "At Fredericksburg, near the lower ferry, Washington, when a boy, threw a stone across the Rappahannock."

### Guide to Gals

Libra (Sept. 24-Oct. 23) women are poor cooks. They have no enthusiasm for the culinary art. The best cooks in the Zodiac are the Scorpio (Oct. 24-Nov. 22) women but if you come late to dinner, they are liable to throw a frying pan at you. Or, so say the stargazers.

### Asking

Queries from clients. Q. Was Salvador, the horse Ella Wheeler Wilcox wrote the celebrated poem about, from California or Kentucky? A. Salvador was owned by J. B. Haggin of California. . . . Q. "Where in the Bible does it say a wife should obey her husband? I want to show it to my wife. A. From the book of Genesis, I quote: "And thy desire shall be to thy husband and

## Communist Guards Clear Border Areas

Vienna — (U.P.) — Hungarian border guards have set fire to the Iron Curtain to clear border areas of trees and underbrush.

Austrian border officials said Thursday "considerable damage" has been caused in several Austrian border villages where a stiff wind has spread the flames to some estates and houses.

Observers said the Hungarian Communists were cleaning up the border to prevent defections to the West and to strengthen their mine-plastered death zone.

Eye-witnesses saw Hungarian border guards laying new mines along the border at some points after flames had cleared the areas.

### HARD LOSER

Los Angeles — (U.P.) — Some motorists are hard losers. Police reported an apparently disgruntled traffic violator dropped a home-made bomb on the roof of the traffic court building Thursday. The bomb caused little damage.

### TIME TO READ

Milwaukee, Wis. — (U.P.) — Fred B. Hampel Thursday sold the bookstore he has operated for 35 years. He said he wanted time to "do some reading."

he shall rule over thee."

### Please Note

Is your hair thinning out a bit? Do you peel an apple before eating it? You shouldn't. According to hair growing experts apple peel contains many of the important hair minerals. That is also said to be true of carrots, radishes and cucumbers.

### Extra Husbands

In Tibet many women have more than one husband. Some have five or six. Husbands not only support the wife they share but take care of all the household. There is no particular excess of males in Tibet, so the good looking girls get all the husbands and the others are left out in the cold to pass their lives as spinsters. It must be an extremely depressing experience for a Tibetan spinster to pass another woman out walking with her six husbands.

## Indian Relocation Program Explained

Portland — (U.P.) — A plan to extend the Bureau of Indian Affairs relocation program into the Pacific Northwest during the next fiscal year was explained here yesterday.

Carl W. Beck, assistant to the commissioner in charge of economic development, said the bureau plans to open a relocation field office in Seattle if funds are appropriated by the present Congress.

The program is aimed at moving Indians off the reservation and into employment in the large industrial centers. Beck said the program has been in operation on 15 reservations in the nation and would be extended to about 45 in the next fiscal year, eventually including all of the 300 Indian reservations.

## Reserve Banks Up Rates of Interest

Washington — (U.P.) — Eleven federal reserve banks raised their interest rates today in an effort to hold down heavy business borrowing and record consumer buying on the cuff.

Nine of the 12 federal reserve banks boosted their rates from 2½ to 2¾ per cent. Federal re-

serve banks in Minneapolis and San Francisco boosted their rates from 2½ to 3 per cent—the highest level since 1934.

The Chicago Federal Reserve bank did not announce an increase but was expected to follow the other banks' move shortly.
