

# Johnson To Seek Hells Canyon Vote

Washington (U.P.)—Senate Democratic Leader Lyndon B. Johnson said yesterday he is determined to get a Senate vote this session on a bill to authorize a high dam in Hells Canyon.

Johnson said the measure, now apparently blocked in the Senate Interior Committee, should be brought to the Senate floor, through the "rider" method if necessary.

The people of the country, he said, should know just how Senate Republicans and Democrats stand on the measure.

The proposed dam would be on the Snake river, on the Idaho-Oregon border. The Idaho Power Co. obtained a license from the Federal Power Commission last summer for three low dams in the canyon, which would flood the high dam site.

Johnson gave no indication to

# ROGUE RIVER Funerals Held for Residents

By MRS. MYRTLE WHIPPLE  
Rogue River—Death has visited Rogue River three times this month.

On April 2, the funeral of Nat B. Hart was held at the Presbyterian church with the Rev. D. F. Barnett officiating.

Mr. Hart was born in Goldendale, Wash., on Sept. 6, 1879, and died March 30 in Grants Pass.

Nat had lived in Rogue River and carried the mail from train to post office for many years. He was a Spanish American war veteran and military services were conducted at the graveside. Mr. Hart leaves his widow, Belle, and a daughter, Mrs. Ione Jones, and two grandsons, Chris and Wayne Jones, besides many friends and other relatives.

On April 7, the funeral for William John Ruehling was held at the Presbyterian church, the Rev. D. F. Barnett officiating.

Mr. Ruehling, or "Gus" as he was called by his friends, was born June 14, 1880, at Leavenworth, Kan., and died in Medford on April 4.

Gus came from Los Angeles, Calif., where he was a fireman, and has lived in Rogue River for about 25 years where he has farmed in a small way. He is survived by his widow, Kate.

Mr. Ruehling was a Spanish American war veteran. A military funeral was held at graveside.

Another funeral was held Monday afternoon at the Assembly of God church for John Wirt Garrett, who was born Jan. 9, 1861, in Logan county, W. Va., and died April 5, at Medford.

The services were conducted by the Rev. Ernest D. Havemann assisted by the Rev. Ray Prinzing, Lowell, Ore.

Mr. Garrett has been a resident of Rogue River several years. He is survived by his widow, three sons and two daughters.

The sympathy of the city goes out to the families of these men.

Mr. and Mrs. Charles Williams of Toppensish, Wash., visited Mrs. Mae Shults Tuesday afternoon. Mrs. Williams and Mrs. Shults are cousins.

Mr. and Mrs. Orville Dengler of Portland and Mr. and Mrs. Harold Laws of Eugene were in Rogue River April 2 to attend

what other measure the Hells Canyon proposal might be attached as a rider. A possibility could be the Interior Department appropriation bill due to come before the Senate in a couple of weeks.

# Rise of Zhukov Studied Closely By State Officials

Washington—U.P.—The steady rise of Marshal Georgi Zhukov in the Kremlin's tight inner circle is getting close study at the State Department, it was disclosed today.

The impact of Zhukov's ascension, Stalin's downgrading and other dramatic shifts in Soviet policies are being reviewed with U.S. Ambassador to Moscow Charles E. Bohlen. The veteran diplomat arrived home Sunday and is expected to be here at least another week.

**Elected to Presidium**  
Zhukov, wartime friend of President Eisenhower, was elected an alternate member of the Presidium of the Central Committee of the Communist Party at the recent party congress in Moscow. Zhukov is the first professional military man to reach this exalted party status. There is evidence that he should be regarded as a full member of the Presidium along with Khrushchev, Bulganin and nine other full Presidium members.

**Getting Attention**  
Zhukov and the Soviet Army have been getting more attention inside Russia since Stalin died three years ago. They are being decorated more. The army has a new respect that has risen as fear of the secret police has fallen off.

There is new evidence and information indicating that Zhukov and the army played key roles in the arrest of Police Chief Lavrenti Beria in 1953 following Stalin's death.

Russian experts believe that Zhukov, who was virtually exiled under Stalin, is being "paid off" by Moscow's new rulers for his role in controlling the Soviet army and helping dispose of Beria, Stalin's feared henchman.

**Palatial Nassau Home for Margaret's Honeymoon**  
Nassau, Bahamas—(U.P.)—The palatial ocean front home of a French Count is being prepared for the honeymoon of Margaret Truman and Clifton Daniel.

The two will be married April 21 in Independence, Mo. Harris Gibson, butler for Count Repogniere, French consular representative here, said the couple is expected to arrive April 22 and will remain at least until May 15.

The count and his wife are away.

# Magician Sets Show At Griffin Creek

The magician, the Great Eads, will perform at 8 p.m. Friday at the Griffin Creek school. Proceeds will benefit the music class of the school, according to Mrs. Myrna S. Frink, principal.

The magician is making his 14th annual tour of schools in the area and features the illusion of the "Elusive Canary," in which he causes a live canary to vanish from his finger tips only to reappear in a light bulb 30 feet away.

Tickets may be secured at the school or from student salesmen. Mrs. Frink stated that although extra seating will be provided, none will be reserved and those attending are urged to come early.

# Lovers' Lane Terror Captured by Police

Davenport, Ia.—(U.P.)—Police captured Thursday a "gorilla-like" animal which has been terrorizing a lovers' lane.

The "animal" turned out to be a 17-year-old high school student who had rented a realistic gorilla costume. They said they wanted to scare their girl friends.

**Marilyn Monroe Rests At Hollywood Hospital**  
Hollywood—(U.P.)—Actress Marilyn Monroe today was "resting comfortably" in St. Vincent's hospital where she is recovering

from a virus infection, exhaustion, overwork and acute bronchitis.

Dr. Lee Siegel, 20th Century-Fox Studio physician, ordered the film star hospitalized yesterday after she had been back at

the studio for two days following an illness last week. Siegel sent Miss Monroe home last week when she reported for work with a temperature of 101 degrees.
