LINCOLN

The longest, lowest, most powerful Lincoln of all time

The car that speaks as well of you as you will speak of it

Of the many pleasures of owning Lincoln, none is more satisfying than what this totally new car says about you.

For here is the fine car that says you have a feeling for trend-setting style — that you admire the sweep of clean-flowing lines... the scant five feet of lowness... the sleek new length that is so unmistakably Lincoln. And, as so many others now turn to this Lincoln — making it the most sought-after of all time — this superb new car says that your judgment is of the kind others follow.

This Lincoln says that your heart lifts to spirited performance — the kind that comes from teaming 285 high-torque horsepower with Lincoln's incomparably smooth

Turbo-Drive. And yet it also says that you expect such great power to be beautifully balanced — with comfort to soothe you, stability to ease your mind, and a feel of the wheel to put you completely in control.

There's so much more that Lincoln says — and so much you will say. But why not let this new fine car speak for itself? Stop in tomorrow — or today if you can — and slip into the driver's seat. Make your own appraisal of this Lincoln that's so long — and so longed-for!

LINCOLN
Unmistakably... the finest in the fine car field
