

MEDFORD THINCLADS IN 3-WAY SCUFFLE

Medford High's cinder-sweeping Black Tornado not only blazed with another rousing presentation of its track and field power here yesterday afternoon but improved on its previous performances as it trounced Ashland and Crater thinclads by an overwhelming margin.

A torrid :50.0 time by sophomore quarter-miler Mike Russell, a :14.9 high hurdles romp by junior Wally Larson, a sizzling 1:31.7 by the Tornado relay combine and a dead heat half-mile by junior Les Lingscheid and sophomore Bilbee Lane were the highlights as Medford amassed 102 points. Ashland finished with 25½ and Crater with 23½ in the triangular engagement.

Medfordites won 11 of the 14 events and in eight the Tornado victors turned in the best meet marks of the season for themselves or for the school. Crater picked up two first places and Ashland one.

The fine teams were recorded despite the fact that a considerable breeze blew against the runners on the finish stretch for most events.

Best Since Riggs

Russell, fastest prep quarter-miler in Oregon at last report, ran his lap in the best time for a Medfordite since a :50.3 turned in by Rich Riggs, a 1949 graduate of the school. Yesterday's :50.5 also ties the best effort as a sophomore of Ray Johnson, ex-Medford, who set the state mark of :49.5 in 1940.

Larson was the day's only double victor, taking both the 120 high and 180-yard low hurdles.

His :14.9 was his best of the season in the highs and his :20.5 low stick time was just .1 of a second off his top effort for 1956. Larson, Pete Kershaw, Russell and Mike Hawkins team in the half-mile relay and their mark was just .5 of a second of the 1:31.2 state standard held by Medford.

In the 880-yard run Lane passed Lingscheid in the final stretch after trailing through the race and from then it was a ding-dong battle to the twine. The time was the tops for each of them in a regular track meet this year.

Mike Hawkins came through with another best with a :10.1 time in the 100-yard dash and Jerry Close leaped 21 feet 3 inches for the season's top meet distance.

Eldon Francis, state champion javelin thrower won his specialty with his farthest heave in 1956 competition, 182-5. Also "best" for the year was Wilcey Winchell's 4:46 mile.

Other triumphs for the Tornado were posted by Neil Plumley with 53 feet 1 inch in the shot put and Lew Breazeale with 11 feet in the pole vault. Breazeale was the day's casualty, taking a bad spill in his event. Coach Bob Newland, who accompanied Lewie to the hospital for a check, said that the vaulter broke two front teeth and bit his lip in addition to having his "wind" knocked out. The mentor said, however, that Breazeale was "ok."

Ray Cochran took the high jump for Crater at a measured 5 feet 11 inches and Jack Lilly won the discus for the Comets at 135-4. Stewart Baker, Ashland's dash man, who has been a top runner in the area for several years, won the 220-yarder in :23 flat. He finished only fourth in the 100.

Medford captured first and second places in eight of the events and had one tie for second to go with another first. The relay, like the meet, was strictly no contest, Medford was so far ahead. Hawkins gave Larson a good race in the low hurdles until he appeared to have lost stride on one of the barriers.
