Look at what you see — then see it—so much more glorious in true life than the picture can show. Barneburg & Andrews 1956 Tempo Group, like nothing else ever has, takes the pages right out of the decorator's book — and right out of the high priced custom order bracket. The two major pieces alone—sofa and chair—could easily cost as much as the total price of the full 14-piece group—and better yet, SLEEPS 3! Here's the way to thrift, to savings, to a remarkable, heart-thrilling way to live and way to look that every style-conscious home-maker wants.
