Solons Threatening Seattle's PCL Lead; Beavers Trip Angels

By DON THACKREY
United Press Sports Writer

The Sacramento Solons, whose category seems to be mountain-climbing, needed only to get over Rainier today to reach the Pacific Coast League's top plateau.

The solons came up with the right answer to Seattle's mountain-name club last night and took a 2-0 win. Another of the same will put the Sacs in first place by a few percentage points.

San Francisco also used the whitewash brush last night and blanked Hollywood 5-0 to make a three-game gap between the league's first and second divisions. Vancouver aided in the gap-widening project with a 5-1 triumph over San Diego while Portland was trouncing Los Angeles 8-4.

Three Hitter

The correct answers for Sacramento were Cloyd Boyer and Milo Candini. They combined to lead Seattle to three hits and hand a defeat on Art Schallock. Boyer drove in one of the two Sacs runs and allowed two hits before Candini came on in the eighth.

Jerry Casale of San Francisco also got a shutout for his record, but he had to pitch harder for it. He allowed eight hits and walked three batters but had the stuff in the clutches. In addition he hit first baseman R. C. Stevens, breaking a bone in his wrist and sidelining him for several weeks.

Other Firsts

Other first taken by SM were by Jim Darland with 141-6 in the javelin, Ramon Elberts .109 in the 100-yard dash, Bill Carey 2:11.2 in the half-mile, and the relay team of Elberts, Gerald Darland, Carey and Dick Hayes in 1:40.

Rogue River Nabs County Track Championship; St. Mary's 2nd

Rogue River — The favored Rogue River High Chieftains survived a strong bid by St. Mary's of Medford yesterday to capture the 1956 track and field meet of the Jackson County B League.

A total of 102 counters amassed by the Chieftains was only 3 1/2 better than the 98 1/2 compiled by St. Mary's. Jacksonville scored 60 1/2 and Prospect 29.

St. Mary's, which is showing its greatest track interest this season, won first places in six of the 14 meet events. Rogue River took five firsts and established itself as team titlist by grabbing of six seconds and one tie for second while the Crusaders picked up just three second spots.

Don Vannice, Prospect, Gerald Darland, St. Mary's, and Gray Stewart, Rogue River, were the meet's double winners. Vannice broad jumped 19 feet 10 inches and ran the 180-yard low hurdles in 23.5 for his school's only blue ribbons. Darland ran the quarter-mile in :55.3 and the shot put with 39.6. Stewart took the high jump at 5-10 and the 220-yard sprint in :24.2.

Jerry Bramwell, third baseman for the Klamath Falls Pelicans, was very much surprised and irrigated during his team's game with Crater high at Central Point on Tuesday. Moving toward the fence in a try for Wayne Allen's foul fly, Bramwell knocked the faucet off a water standpipe and was showered by a considerable geyser. The high shooting stream of water finally was stopped by turning off a valve a half-block away.

CLUBS NOT ON PLANE

When Boros arrived here yesterday evening, it was found that his bag of clubs had been left behind by the airlines. Ron Gandee, chairman of the Jackson County Chamber of Commerce committee arranging for the exhibition, went to work and through Ken Cook, manager of United Airlines, it was arranged for the clubs to be flown here this morning. It was felt that while Boros might not mind too much playing with strange clubs, he might not like the idea of having to tour the course barefooted. His golf shoes were in the bag along with the clubs.

ONLY STOP IN OREGON

The exhibition stop here is Boros' only appearance in Oregon on the George S. May company's guaranteed tour.

MUSICIANS MEET GOLFER

A Hungry Five band from McLoughlin junior high school was on hand yesterday to greet Boros on his arrival at the airport. Members of the band, directed by Al Huntmann, were Jack Webster, Mike Gardner, Clinton Stiger, Craig Robison and Ronald O'Neil. All shook hands with the stellar linksman.

Indianapolis, Ind. — (U.P.)—Indianapolis Speedway officials have announced that lap prizes for the Memorial Day 500-mile auto race will total \$30,000, boosting total prize money to more than \$250,000. Drivers get \$150 for each lap they lead the field.

ACCOUNTANTS TEAM

It was an accountant and an ex-accountant teaming up today when Clayton Lewis, Medford, played as partner of world champion Julius Boros in the golf exhibition at Rogue Valley Country club. Boros is a former accountant
