

### Hospital Announces Open House

Open house during National Hospital week will be observed at Rogue Valley Memorial hospital, formerly Community Hospital, on Wednesday, May 9. Refreshments will be served in the penthouse from 2 to 4:30 p.m. by members of the auxiliary, under the general chairmanship of Mrs. Sheridan W. Scott.

Anyone interested in the hospital is invited to attend, according to Mrs. Shelby M. Tuttle, president of the auxiliary. Detailed floor plans for the new Rogue Valley Memorial Hospital building will be displayed, and Miss B. J. Larsen, administrator, will be present to answer questions concerning them.

A collection of pictures of nurses' uniforms and caps, dating back to the time of the first World War, is being arranged by Mrs. Walter Nelson, a surgery nurse at the hospital. Also on exhibit will be "Pinkie the Puppet," a toy being made by members of St. Martha's Guild, Church of the Good Shepherd at Prospect. The puppets are to be given to children confined as patients in the hospital.

Samples of "ditty bags" being made by members of the Gold Hill health unit will be shown. These bags are designed to be fastened to each patient's bed, and provide handy storage space for personal items such as glasses, comb, pencil and paper, etc.

The Prospect and Gold Hill groups are the first units which have come into the auxiliary as chapters from outlying areas. It was stated today by Mrs. Tuttle. The auxiliary by-laws provide for the inclusion of such units which indicate an interest in assuming work projects, or in sponsoring money-raising projects in their own areas, for the benefit of the auxiliary here.
