

Medford High Takes 4th Consecutive A-1 District Championship

KF Pelicans Head Tennis Qualifying

Chuck Finch and Roger Cooley were the only Medford high tennis players to advance past opening matches Friday in the district tournament at Klamath Falls.

They beat Paul Clark and Lynn Mannan, Grants Pass, in doubles 6-4, 6-3 but dropped their next match 3-6, 1-6 to Jim Hines and Jim Reynolds, Klamath Falls.

Jim Norland and Don Finney, Klamath Falls, defeated Medford's other doubles team 6-4, 6-3.

In singles starters Wayne Pounds, Klamath, downed John Thompson, Medford, 6-0, 6-0 and Dean Mason, Ashland, tripped Don Gordon, 6-4, 6-4.

Jim Gordon played lefthanded because of an injury to his right hand.

Klamath Falls qualified five men for the state tourney, John Bousquet in singles and Julius Reynolds and Jim Hines and Jim Norland and Don Finney in doubles. Dave Woods of Ashland got the other singles berth from the district.

Bousquet, 14-year-old freshman, is believed to be the youngest player who has won the district diadem.

PILOTS VICTORS
Vancouver, Wash. — (U.P.) — University of Portland downed Portland State, 14½-4½, in a golf match here Friday.

Bailey, Dellinger Lead UO To Conference Track Lead

Eugene — (U.P.) — The University of Oregon, led by its two crack distance runners Jim Bailey and Bill Dellinger, piled up 56 1-3 points here Saturday to dominate the Pacific Coast conference Northern division track and field meet.

Bailey, the man who has run the mile faster than anyone else in the United States, won his favorite event in 4:06.4 today, considerably slower than the 3:58.6 he posted last week in defeating his fellow Australian, John Landy, the world record holder. But it was fast enough to leave the field behind and set a new meet record. The old mark of 4:12.2 was set by Phil Liebowitz of Idaho in 1940 and tied by Oregon's Bill Dellinger last year.

Dellinger, the 1954 NCAA mile champ, set the only other meet record of the day in the two-mile event. The husky

Springfield, Ore., runner was clocked in 9:03.5, considerably under the old record of 9:11.3, set by Ken Reiser of Oregon last year.

Oregon picked up other first place finishes to go with the record breaking performances of Bailey and Dellinger. The Ducks took top honors in the 440, the javelin, the broad jump, the 220 yard low hurdles and then finished up the meet with a victory in the mile relay.

Runnerup Washington, finishing further back this year than it has in the last two meets when barely edged out by Oregon, posted 44 points. The Huskies picked up first place points in the pole vault, discus and the 120 yard high hurdles.

Washington State finished a distant third with 25 5-6 with Oregon State following at 24 1-3 and Idaho trailing the field at the final tabulations with 14½.

Medford Gains 12 Berths In State A-1 Contention; Wally Larson Ties Record

Medford High school's whirlwind track and field aggregation chalked up its fourth consecutive track and field district championship and gained 12 berths for state A-1 contention Saturday in a meet highlighted by the record equaling hurdling of Wally Larson.

The Black Tornado of the Rogue Valley rolled up 158-1/2 counters in a District 6 A-1 battle fought out in chilling cold on the Klamath Union High school field.

Grants Pass finished second with 133-1/2 and collected seven state meet spots. Klamath was third with 78-5/6 and five berths and Ashland scored 57 and got four state meet places.

Larson of Medford ran the high hurdles in :14.6 to equal the mark set by Jack Morris of the Tornado in 1950 and glided over the low barriers in :19.5 to tie the 1951 performance of Frank Morris, another Medfordite.

Close, Russell Win
Plumley won the shot for the Tornado. His distance was 52 feet 5 inches. Picking up other first places for Medford were Jerry Close with 21-6 in the broad jump; Mike Russell with :51.1 in the quarter-mile; Bilbee Lane with 2:01.8 in the half-mile and the team of Larson, Pete Kershaw, Russell and Mike Hawkins in the relay with a time of 1:32.1.

Getting seconds for Medford and also getting state meet posts were Dave Johnson in the high jump, Eldon Francis in the javelin, Mike Hawkins in the 100-yard dash, Lew Breazeale in the pole vault and Les Lingscheit in the 880-yard run. The total was seven firsts and five seconds for the Medfordites.

Colley Takes Discus
Pedro Colley of Klamath was first in the discus with 142-7/8, followed by South's 128-7/8 for Ashland. Larry Sessler of Medford was third. Colley also qualified in the shot put with 48-10 for second place.

Gene Parent of Ashland won the high jump at 5-10 beating out Johnson's 5-9. Larry McFarland of Grants Pass heaved the javelin 190 feet 5¾ inches to defeat the state champion Francis. The Medfordite retained his chance to defend the title with a throw of 181-2½.

Hawkins ran a :09.9 prelim for Medford in the 100 but was beaten by Stewart Baker's :10 flat for Ashland in the finals. Hawkins had :10.1. Baker also won the 220 in :22.4. Dave Pepple of Klamath took second with :22.7 and Hawkins finished third.

Terry Boatman won the mile for Grants Pass in 4:42 and was followed by his teammate, Mike Barrett. Phil Paquin took another GP first with 12 feet in the pole vault and Breazeale qualified for state with 11-8.

Second places nabbed by the GP Cavemen included Chuck Weller with 21-4¾ in the broad jump, Bert Klett with :14.9 in the high hurdles and Bob Maryott with :20.5 in the low hurdles.

Tom Farrell of Klamath Falls was second in the 440-yarder with a :51.7 time and the Klamath relay crew of Pepple, Butch Kimpton, Donn Taucher and Farrell was second in 1:33.

Plumley reportedly had to

puts better than the district mark following his event. The distances were not available from Klamath Falls last night.

Larson High Man
Larson was high point man with 22½. Baker scored 21½, Colley 18 and Pepple 16.

Plumley in warm-up and after the shot event beat by several inches the district mark of 54-7 set by Jack Moad of Medford in 1953.

Sickness which had bothered him all week hampered Medford's Wilcey Winchell in the half-mile. He finished seventh. Bob Tisdell of the Tornado hurt his ankle in the broad jump, hobbling him for participation in the high jump.

Russell in the quarter was boxed by Farrell and Jim Cattanauch of Grants Pass. That accounted for a time slower than Russell's best this year. Once loose the sophomore ran a great race.

Plans Told For Lifts On Mt. Shasta

Mount Shasta, Calif. — Mt. Shasta Ski Bowl, Inc., has taken the wraps off the biggest mountain development plan in the United States.

A two section lift, spanning more than 2½ miles of Mt. Shasta's extinct volcanic cone, will carry passengers from a base station at 7,600 feet to a lookout at 11,050. Height of Mt. Shasta is 14,162.

Sen. Randolph Collier, president of the Ski Bowl organization, said that the plan has been prepared by Heron Engineering, Denver, Colo.

The upper lift will be the first in the nation to employ four passenger gondola cars. Capacity of the upper tramway is set for 250 passengers per hour. Lower lift will be a regular double chair installation. It will handle 600 passengers per hour and will run from the 7,600 to 9,800 feet elevations. The lower facility will be 7,775 feet long and will serve a ski bowl two miles long.

Vice President Elmer Kennedy said that the Ski Bowl organization has assurances that the entire development, including cost of a lodge, warming hut and upper vista house facilities can be completed for less than \$1,000,000.

The development plan was launched when the Forest Highway Programming body earmarked \$880,000 for paving Everitt Memorial highway, from Mount Shasta to the Ski Bowl at Panther Meadows. Work on the 15-mile route is expected to begin in June.

Mt. Shasta Chairlift Development committee initiated the lift project. The Ski Bowl corporation has been formed out of contributors to the development. Actual development will start after the U.S. forest service issues a prospectus next month and approves the best qualified bidder. The project will be on forest service land and under its control. Time table calls for completion of the lower lift in 1958 and the upper lift in 1959.

CRATER HIGH TRIUMPHS IN DISTRICT A-2 MEET

Ashland — The Crater high school Comets, with only a pair of seniors on their team, collected top scoring honors in the District 6 A-2 track meet here yesterday and earned seven berths in the state prep meet next Friday and Saturday at Corvallis.

The Comets, who rise into the A-1 ranks next fall, ran up 87 points in their final appearance within the A-2 area. Sutherland came next with 54½ and Myrtle Point was third with 50.

Douglas took fourth with 48 and Eagle Point, a rising threat in track circles, had a 42 tabulation and Bandon recorded 36. Phoenix scored 31, Myrtle Creek 29½, Illinois Valley 29, Coquille 18, Henley 5 and Glendale 2.

Crater's first place winners were Jack Lilly with one 134 feet 5 inches in the discus, George Juveland with :10.6 in the 100-yard dash, Bob Mason with 21-1¼ in the broad jump and Dick Davis and Craig Cochran who tied at 5-9 in the high jump. Juveland was second in the 220 and Don Goyette runner up in the pole vault.

Double Winners
Brant Strickland in the hurdles and his Douglas high mate, Don Thompson, in the mile and half-mile were the only double winners of the conflict. Strickland had times of :15.7 and :21.2 in the high and low. Thompson ran the mile in 4:47 and the half in 2:06.6. The two got the only places for their school in the state meet.

Sutherland also picked up four meet spots. Stillwell won the 440-yarder in :54.5 and the team of Stillwell, Carl Bay, Chriss and Seal took the relay. Bay was second in both the high and low hurdles.

Myrtle Point and Bandon each got three berths. Stan Sharp was first for Bandon in :23.6 in the 220 and was second in the 100. Dale Moore won the vault at 11-7¼ for the Tigers. MP's Bobcats got seconds by Mike Russell in the discus. Jess Adams in the 440 and Springer in the half-mile.

George Plumlee won the shot put at 46-5½ for Illinois Valley and got another state spot with second in the javelin.

The spear event was taken by Wayne Christian of Eagle Point with a dandy 172-5½.

For other state meet trips Phoenix was second in the relay. Ed Sanders, Coquille, in the shot, and Naas, Myrtle Creek in the mile.

TORNADO, CAVEMEN VIE TUESDAY, WEDNESDAY; GRIZZLIES ELIMINATED

SOUTHERN OREGON CONFERENCE STANDINGS

Team	W.	L.	Pct.
Grants Pass	7	3	.700
Medford	5	5	.500
Ashland	6	6	.500
Klamath Falls	2	8	.200

Its only Grants Pass and Medford in the case for the Southern Oregon Conference and District 6 A-1 baseball championships now.

Ashland high was eliminated yesterday when it split a doubleheader with Klamath Falls. The Grizzlies won the opener 6 to 2 but were shaded in the finale

4 to 3. Klamath Falls previously had bowed out of contention.

Medford and Grants Pass prepsters failed to get in either of these scuffles slated for last week. The conflicts are now billed for Grants Pass on Tuesday and Medford on Wednesday. Wet grounds spoiled plans to play here on Friday. Grants Pass had a mix billed with Roseburg yesterday and Medford has a jayvee tiff at Ashland on Monday.

Medford Sates KF
Coach Mel Ingram might have brought his GP Cavemen to play at the fairgrounds here Friday. But there was no assurance that the diamond would be adequately dried out. There was also the matter of further rain.

Medford has also a loop doubleheader date next Saturday at Klamath Falls. Grants Pass completes its league season with its Medford encounters.

The Black Tornado needs to take both conflicts from GP to gain the loop lead. If it can accomplish that a split with Klamath would give Medford the championship. Grants Pass can grab the title by sweeping its Medford games. A split in the Tuesday-Wednesday action will assure the Cavemen of at least a knot for the crown.

Ashland has finished league play.

Verdict Goes To Bahama

Syracuse, N.Y. — (U.P.) — Yama Bahama said he expects to drop from middleweight to welterweight in his next bout "because the pounds slow me down," although he was speedy enough to cop his 22nd straight victory over a less-experienced Hardy (Bazook) Smallwood.

Yama, who won a unanimous decision over Smallwood in a national televised fight Friday night, won't be seeking his next match, however, until a cut that required stitches heals under his right eye.

Best Blow
Smallwood's best blow in the slow fight opened the cut in the third round, but Bahama's handlers stopped the blood and it did not trouble the 23-year-old winner.

Referee Barney Felix called it seven rounds for Bahama, two for Smallwood and one even while Judge Paul Cummings gave the nod to Bahama, 5-4-1, and Judge Richard Fazio called it six for the winner and four for Smallwood. The United Press card agreed with Felix.
