

Mollet, Russian Party Head Agree Cold War 'Corpse'

Moscow — (U.P.) — French Premier Guy Mollet and Soviet Communist party head Nikita S. Khrushchev agreed informally Thursday night that the cold war has been reduced to a "corpse."

The accord came at a French Embassy stag party for 33 guests, including Khrushchev, Premier Nikolai Bulganin and other members of the Soviet Presidium.

The affair started at 8 p.m. and lasted until nearly 1 a.m. today.

Toasts Coexistence

An exchange of toasts between the Russian and French leaders led to the cold war topic when Khrushchev lifted his glass to "peace and coexistence between all peoples."

"The cold war resembles a corpse around which the family sits hoping to resurrect it — but the corpse remains a corpse," he said.

Mollet replied, "We agree to the funeral."

Khrushchev added, "We, too, but there are mourners following the hearse to the grave."

Dulles Criticized

During a discussion about world disarmament, one of the principal subjects of the formal Russo-Franco talks at the Kremlin, Khrushchev criticized U. S. Secretary of State John Foster Dulles for belittling the Soviet announcement that the army would be cut by 1,200,000 men.

The Communist Party first secretary termed "childish" Dulles' statement that the Soviets were making the reduction in response to internal pressures.

Mysterious Blast Heard in Coos County

Coquille — (U.P.) — A mysterious explosion was heard in Coos and Curry counties late yesterday.

All reports were basically the same: A huge ball of orange fire was seen high in the sky — possibly in the upper stratosphere, followed by visible signs of smoke. Later the sound of the blast was heard on the ground.

At least five reports of the explosion were turned in from Coos Bay, Powers, Port Orford, Bandon and Sixes.

John Pickett, head of civil defense for Coos county, said no ground damage was reported. He suggested the possibility that the blast could have been an exploding meteor falling into earth's atmosphere.

Salem Youth Drowns In Bypass Pond

Salem — (U.P.) — Gary Hammerton, 19, Salem, drowned late yesterday while swimming in a pond along the Salem bypass highway.

Hugh Towery, a companion, said Hammerton and Lloyd Agan of Silverton both tired while swimming across the 150-yard pond and went under the surface. Towery shouted for help and other swimmers and a state police officer responded. Agan was unconscious when rescued but was quickly revived.

Hammerton's body was recovered from 10 feet of water about 45 minutes after he drowned.

Fire Damages Two Hermiston Buildings

Hermiston — (U.P.) — Fire Wednesday night damaged two Hermiston business buildings and a third suffered smoke damage.

The Hermiston Variety store owned by Mrs. Lee Hahn of Grants Pass was heavily damaged at the rear and the operators reported loss of about \$24,000 in stock.

Hale's Tavern next door to the variety store suffered about \$2500 damage. It is also owned by Mrs. Hahn. More than 1000 stuffed birds and animals were damaged. Smoke damage forced Lee's clothing store in an adjacent building to be closed pending an insurance checkup.

CLOCK FOR CABBIERS

New York — (U.P.) — Police ruled Thursday that cab drivers may leave their cabs at curbside for up to 45 minutes for lunch and "personal necessities" if they leave a cardboard clock in the windshield to show when they left.

Acid Stomach After You Eat?

Just eat 1 or 2 Tums for top-speed relief from gas, heartburn, acid indigestion.

COTTONS fit to print!

Fresh as the new season and gaily printed, they're full, full skirt circled with rick-rack... easy to care for, easy to wear. We particularly like the scoop-neck, the tiny hearts used for buttons and, of course, the tiny price tags of just 7.98 in turquoise and cherry.
