Lincoln PTA Closes Year With Concert, Installation

A concert by the school orchestra and band made up the program for last meeting for this school year of the Lincoln Parent-Teacher association. The school band, directed by Ward Smith, played several marches and waltzes. One of the members, Robert Heide, played a solo, accompanied by his mother. The band has 36 members, and the orchestra, directed by Miss Audrey Brist has about 20 members. The orchestra also played several selections.

The main business of the meeting, held in the school gymnasium on May 17, was the installation of the new officers of the unit. Installing officer was Mrs. Roland Holmes, past president of the Medford Council of Parent-Teacher associations.

Installed was Johnny Weber as president, and Mrs. H. S. Morris as vice-president. Mrs. J. J. Jones will be treasurer and Mrs. Eric de Place is the new secretary. During the installation Mrs. Holmes asked the new officers and all the members to re-pledge themselves to the objectives of PTA. These are to promote the welfare of children and youth in home, school, church, and community; to raise the standards of home life; to secure adequate laws for the care and protection of children and youth; to bring into closer relation the home and school, that parents and teachers may cooperate intelligently in the training of the child; and to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

The retiring president, Mrs. Kenneth Bramhall, presented two of the committee chairmen with PTA service pins for the work they have done during the past year; receiving the pins were Mrs. Austin Caldwell, chairman of the ways and means committee and Mrs. Eric de Place, publicity chairman.

Mrs. Bramhall distributed a list of the achievements of the Lincoln PTA for the past year, and a report by Mrs. H. S. Morris.

Some of the accomplishments of the PTA included treats for the children at Christmas and Easter; a Christmas dinner for PTA members, with a speaker; a successful membership enrollment with 370 members; a revision of the by-laws; a successful carnival that more than met the budget, which included a full tuition scholarship of \$150; another instrument for the school orchestra; and name plates and staplers for the teachers.

Mrs. Bramhall thanked all the chairman and members for their cooperation during the past year.

Roy Gilbertson announced that Lincoln's spring music program would be held on Thursday, May 24, at 7:30 p.m. The theme is "Roaring 20's". It will be directed by Mrs. Hazeldean Hohensee.

Mr. Gilbertson also urged all to vote in the school election to be held June 1 in the girls gymnasium at Medford high school, from 2 p.m. until 8 p.m.

Mrs. Bramhall was presented with a past presidents pin and a corsage by Mr. Weber.

The flag ceremony was presented by Mrs. W. O. Burnette's cub scout den, Den 1, Pack 2. Opening prayer was given by Mrs. de Place. Refreshments were served in the gymnasium before the concert by Mrs. Howard Pierce, Mrs. Don Moser, Mrs. William Johnson and Mrs. Jack Edmonds.

Health Problems To Be Discussed

"Public Health Problems in Growing Communities" will be the topic discussed at the next meeting of Jackson County Public Health association. It will be held Friday, May 25 at 1:30 p.m. in the courthouse auditorium.

Jackson County Public Health department representatives will answer various questions propounded by the health association. These questions, on subjects as running sewage, contaminated water supplies, etc., have been submitted by the health association in an effort to discover if the efforts of the association have kept pace with the growth of population.

Mrs. Henry Padgham, president of the public health association, announced that this is the final meeting of the summer. She is hoping for a large audience to attend this summing-up meeting, both to show interest in community health problems and to evince support of the "vital services" which the Jackson County Public Health department provides the community.

PTA Congress Opens Session In California

San Francisco — (U.P.) — The National Congress of Parents and Teachers opened its 60th annual convention Monday with 3000 men and women dedicated to improving education in the nation's public schools in attendance.

The delegates represented 40,322 local PTAs with a total membership of more than 10 million. The convention will last four days.

Mrs. Rollin Brown of Los Angeles, national president, said Sunday the national organization favors passage of the federal school aid bill. She hoped it would not be bogged down by "interminable debate" over the Powell amendment to bar aid to segregated schools.

"The possibility of passing Mr. Powell's rider is remote and we want money to get our children out of schools in garages and such places and to end double sessions and triple sessions," Mrs. Brown said. She said the national PTA favored federal school aid in general "but with maximum local control."

As for segregation, she said the PTA "accepts the Supreme Court decision as implementing the law of the United States."

She said the Supreme Court decision has brought no complaint to the National Congress from state PTA organizations and she does not expect the question to come up at the current meeting. "We are not an autocracy," she said. "For example, we feel it would be inappropriate for the people of Florida to tell the people of Michigan how to conduct their affairs."
