Stars Blaze Up In PCL; Beavers Divide With Seals

By SCOTT BAILLIE
United Press Sports Writer

The Hollywood Stars, who always take six weeks to warm up, were the hottest club in the Pacific Coast League Monday while Sacramento was entering its usual cooling off period after an early-season spurt.

A crowd of 10,224 watched in the Stars' Gilmore Field Sunday as they swept a double header from Los Angeles, 4-1 and 3-0, to leave their cross-town rivals hanging on in first place by five percentage points.

Runner-up Seattle had a big chance to zoom into the lead but missed out by blowing its nightcap to cellar-bound Vancouver, 8-3, after winning the opener, 6-1, on Bud Podbielan's five-hitter.

Sacramento, which hadn't been lower than third since May 1, lost two games to San Diego, 10-5 and 3-0, but remained in third spot by a game and a half over the souped up Pads.

Beavers, Seals Split

Portland and San Francisco split their twin bill. The Seals won the opener 12-6, and the Beavers took the nightcap 2-1.

Bill Lillard ABC Winner

Rochester, N.Y. — (U.P.) — Bill Lillard of Chicago was officially crowned the first "triple crown" champion of the American Bowling Congress tournament today at the close of the 79-day pin-busting carnival.

Lillard swept nearly all the honors as he won the all-events title with a score of 2,018, teamed with Stan Gifford to win the doubles championship with a 1,331 score, and led the Falstaff Beer team of Chicago to the team crown with a 3,093 score.

George Wade of Steubenville, Ohio, won the one big prize that escaped Lillard — the singles championship with a score of 744.

Lingscheit Adds Touch A la Landy

Les Lingscheit, Medford half-miler added a "John Landy" touch to the Oregon state Class A-1 track and field meet at Corvallis, his coach, Bob Newland, reported.

Lingscheit, who did not work out all last week because of a pulled achilles tendon, was one of the leaders until the backstretch of the final lap. When he realized he was beginning to "fade," according to Newland, he turned his head to teammate Bibbee Lane, who was still behind him and shouted, "Lane move up." Lane, 16-year-old sophomore, responded, "He went on to win the race."

Although the handicapped Lingscheit failed to place, Newland credited him with running a "tremendous race."

Newland did not see the finish of the half-mile. Lane had bumped a runner when the thin-clads were bunched early in the race, and had not the coach had some words with the judge, the sophomore might have been disqualified. The jostling did not hamper the other runner but Lane "got an elbow" from him.

Story Fires Tornado

The Medford mentor gave some credit to a Portland Oregonian story for sparking up the Black Tornado for its Saturday afternoon victory, its fourth straight in a state meet. The story declared that Medford had faltered and that its stock had dropped Friday when the relay team was disqualified and Eldon Francis failed to qualify for the javelin.

Tornado runners, jumpers and throwers didn't appreciate what they read. They went out and showed that they were still the state champions.

Lew Breazeale ripped hide off his hand clearing 11 feet 6 inches for Medford in the pole vault Saturday and was hampered in his further attempts to clear the cross bar.

Fine Point

Medford's relay disqualification Friday was on a fine point. Pete Kershaw had just the front part of his foot out of the exchange zone when he took the baton from Wally Larson to begin the second leg of the relay. His heel was still in the zone. Kershaw stopped still to take the pass from the Tornado lead-off man. Still Medford's relay time was the best of the meet.

Grants Pass should be put down as fourth in the state meet Saturday. The Cavemen had 33 points, no 23 as an addition slip-up indicated Sunday.

Crater high was seventh in Class A-2 with 16 3-7 points.

Even though the Stars take a five game winning streak up to Portland on Tuesday, they remain mired in seventh place thanks to their horrible early season start.

However, they looked like the goods Sunday. In the first game the Stars broke a 1-1 tie in the sixth inning with a two-run rally and Paul Pettit singled home another run in the eighth to insure pitcher Curt Raydon his fourth win of the year. Raydon went the distance.

Pettit drove in all of Hollywood's three runs in the nightcap with a bases loaded double in the fourth inning and veteran Ben Wade stifled the Cherubs with a three-hitter to post his fourth triumph.

San Francisco and Portland remained fifth and sixth respectively by taking turns beating each other. Haywood Sullivan drove in a total of five runs for the Seals with a pair of homers in the first game during a 12-6 rout.

Bob Alexander bottled the Seals up with a two hitter in the nightcap, one of the blows being a bases empty homer by Tom Umphlett. He also homered in the first game.

Soil Bank Versions Sent to Conference

Washington — (U.P.) — The House today sent differing versions of new soil bank farm legislation to a Senate-House conference to work out a compromise.

Rep. W. R. Poage (D-Tex.) said negotiations will start later today. He hopes an agreement can be reached in time for final Senate and House action on a compromise bill Tuesday.

House GOP Leader Joseph W. Martin Jr., had suggested that the House simply accept the Senate version. He noted that administration leaders have indicated the Senate bill would be acceptable to President Eisenhower.

But Poage said the Senate had made so many changes that a conference was mandatory. He had complained to reporters earlier that the Senate measure ultimately would create even bigger grain surpluses and that it would result in "depressed prices" for cattle, hogs, chickens and eggs.
