Wealthy Businessman Goes Berserk While Driving Big Cadillac

New York—(U.P.)—A wealthy Baltimore businessman went berserk in a cream-yellow Cadillac Wednesday, leading police on a 95 mile per hour chase in which 16 shots were fired before Memorial Day traffic trapped him.

Passenger Train Wrecked; One Killed

Parkersburg, W. Va.—(U.P.)—The Baltimore & Ohio Railroad's 11-car National Limited passenger train was wrecked near here early today when the diesel locomotive struck a boulder and plunged into a creek. One crewman, the engineer, was killed and another crewman was reported missing.

Three other crew members and one passenger were injured but none seriously enough to require hospitalization.

Six cars were derailed but all except a mail car remained upright.

Thornton Rules on Real Estate Licenses

Salem—(U.P.)—Attorney General Robert Y. Thornton said Tuesday that a "regular employee" of a real estate development firm was not required to be licensed as a real estate broker under the Oregon real estate law.

Thornton noted that the law was inapplicable to "regular employees" of a corporation performing acts with reference to property owned by the corporation where such acts were performed in the regular course of management.

Institute for Visual Handicapped Being Held

Salem—(U.P.)—The eighth annual institute for parents of visually-handicapped pre-school children opened here last night and will continue until Sunday. Discussions are designed to acquaint parents with work done for the children.

The blind school and the Oregon auxiliary of the Lions club are sponsoring the institute. Baby sitting for the approximately 50 families throughout the state is being provided by the Lions auxiliary groups.

Breitenbush Spring Resort Has New Owners

Salem—(U.P.)—M. D. Bruckman, Salem, owner of the Breitenbush Spring resort, 11 miles above Detroit, announced here yesterday that he had sold the resort.

Involved in the sale were approximately 100 acres of land, a 32-room hotel, store and 82 cabins. Sale price was estimated at \$250,000.

Bruckman said the new owners were Albert, Wayne and Wendell Halseth and Everett Holt, all of the Salem area.

TENNIS SHOES ONLY

Milwaukee—(U.P.)—Police were on the lookout Wednesday for a young man wearing white tennis shoes—and nothing else. Picnickers at Jackson Park said the man dashed across the grounds in his unusual attire Wednesday afternoon. Police surmised he had gone for a swim in the raw and someone stole his clothes.

Five policemen narrowly escaped being run down, two cars were struck and the Cadillac's rear window was shot out.

Various Charges
The businessman, Joseph Fisher, 39, was arrested bare-chested and grinning behind dark glasses on a New Jersey superhighway.

Police said before Fisher's capture he had panhandled, double parked, triple parked, driven without a license, escaped from police, denied a police car fender, run red lights, speeded through the Lincoln Tunnel to New Jersey without paying the toll and speeded in New Jersey.

A police surgeon at the Fort Lee, N.J., police station said he found Fisher of "unsound mind" and "incoherent in his speech."

In Baltimore, his wife Mildred said her husband had recently been released from a psychiatric institution and disappeared last Sunday.

"He's not a well boy," Mrs. Fisher said.

The chase began at noon Wednesday when Fisher's conspicuous cream-yellow car was found parked in the middle of the street outside the Sherry Netherlands Hotel.

Received \$2
The doorman at the Sherry Netherlands said Fisher had been panhandling and received \$2 from a patron who left the hotel.

Fisher was arrested. He drove to a midtown police station accompanied by the officer, locked up his car and gave police the keys.

When police messaged Baltimore for more information, Fisher asked if he could get his jacket from his car. An officer accompanied him but Fisher bolted, took duplicate keys from his pocket, got in the car and drove off. He nearly ran down a patrolman and banged a detective's car.

Potato Commission Office Move Protested
Redmond—(U.P.)—A protest against proposed removal of the headquarters of the Oregon Potato Commission from Redmond to Salem was being drafted here today.

The resolution will be presented at the commission's June meeting in Ontario by the Deschutes unit of the Oregon Farm Bureau Federation.

The resolution said that "since most Oregon potatoes are raised in central, eastern and Klamath basin areas, the bureau feels the office should remain in one of these sections..."
