**ROGUE RIVER Benefit Card Party Held**

**By MRS. MYRTLE WHIPPLE**  
Rogue River—A benefit card party was given by Mrs. Walter Shock and Mrs. Andrew Guffin at the Guffin home May 21. A dessert luncheon was served. Two tables of canasta and one of pinochle were enjoyed. Mrs. Walter Kasworm won the prize for high score in canasta and Mrs. Charles Babcock was high in pinochle. Those present were Mrs. Claude Willoughby, Mrs. Edna Paterson, Mrs. Charles Babcock, Mrs. Walter Kasworm, Mrs. Harry Condray, Mrs. Henry Bonney, Mrs. James Whipple, Mrs. Gertrude Friden, Mrs. Harry Nelson and the hostesses. The proceeds were for the Laurel Garden club treasury. Mr. and Mrs. Herb Harwood of Eugene were week end visitors.

**Florida Democrats May Sport Colors Of GOP Next Fall**

**Miami (U.P.)**—The Florida primary which gave Sen. Estes Kefauver a "moral victory" and Adlai Stevenson 22 of the state's 28 delegate votes also left Democrats with a poser. How much Republican strength remained under cover? The consensus was that the closeness and the lightness of the balloting Tuesday reflected little potential help for either candidate at the Democratic National Convention. **Republican Colors** But the failure of some two-thirds of the state's 1,277,000 registered voters to cast ballots raised the question of how many of them are waiting to turn up wearing Republican colors in November. President Eisenhower was entered in the Republican ballot as was Sen. William Knowland (R-Calif.) but it was the mass of "Eisenhower Democrats" who gave Republicans their 1952 Florida general election victory. Kefauver said his relatively slender lag of 12,000 votes proved he is a vote-getter in the South. Percentage-wise Stevenson topped him 41.4 to 48.6. Until late in the counting they were neck-and-neck.

**Western Union Strike Possible**

**Washington (U.P.)** — Union and management representatives worked today to avert a possible nationwide Western Union Telegraph Co. strike. The present contract between the Commercial Telegraphers Union and Western Union expires at midnight. A union spokesman declined to comment on the possibility of a strike if a settlement isn't reached before the deadline. E. L. Hageman, national president of the Union's Western Union division, said new talks were scheduled this morning. Both sides have agreed to accept a two-year contract. But Hageman said no settlement has been reached on a wage increase, job classifications and pension deductions. The union asked for a 16-cent an hour across-the-board wage boost for all employees effective June 1. Hageman said the company offered a 10-cent an hour increase.

They wouldn't be inviting Gen. Nathan Twining to attend the show if they were not going to unveil something new and impressive," one western attache said. Twining, chief of staff of the U.S. Air Force, announced Wednesday he had accepted the unprecedented Soviet invitation. Britain's Secretary of State for Air, Nigel Birch, and high ranking Royal Air Force officers also will attend.
