

Padres Stop Portland; Twinks Move Up, SF Seals Skid in PCL

By DON THACKREY
United Press Sports Writer

The dark horse San Francisco Seals were only living up to part of their name in the Pacific Coast League today.

Before the season the Seals—now a farm club for the Boston Red Sox—were touted as being dangerous. But the only danger they exhibit so far is to the Vancouver Mounties—they may fall atop them at the bottom of the standings.

The Seals lost to Seattle 3-1 last night to fall within a half game of 7th place Hollywood.

The Stars moved up on the Seals with a pair of wins over the Mounties, 9-2 and 6-2.

Sacramento outpowered the Los Angeles Angels 8-2 and San Diego outlasted Portland 8-7.

Bud Podbielan held San Francisco to seven hits and outpitched four Seal hurlers to give the Angel-chasing Suds a 3-1 edge in the series. Three early runs made it easy for Podbielan,

who surrendered his only run in the eighth frame.

Jerry Casale took the loss.

Good Pitching

Hollywood moved into within a half game of the unluckily sixth spot by getting a pair of good pitching jobs. In the opener Lino Donoso held the Mounties to three hits and got home run help from Gair Allie and Dick Smith to breeze to the win.

In the second game Curt Raydon and Fred Green combined on a five hitter as the Stars took advantage of three Vancouver errors and bounced two pitchers for nine safeties.

Sacramento ended its series with first place Los Angeles on a happy note as Gene Bearden, the grey-beard left-hander, held the Angels to eight hits.

The Solons used LA's favorite play—the home run—to help out in a six-run fifth inning that sewed up the game. Rufe Crawford and Nippy Jones tapped the four-baggers as the Solons broke a 2-2 tie.

Bilko's Back

In the fourth Steve Bilko, homerless since Sunday, blasted his 24th of the year to tie the score at 2-2.

Dick Drott was loser for the Angels.

San Diego got three-run homers from Dick Sisler and Harry Elliott in beating Portland for the first time in the series.

Sisler's blow in the third inning was the big one. It put the Padres ahead to stay. However, Portland fought back strongly, including a home run by Ed Mickelson, and scored four times in the eighth to climb to within a run. But the Padres were able to hold on for the victory.

Chain Saw, Chris Drugs Post Wins

McCulloch Chain Saw knocked Medford Auto Upholstery out of unbeaten status in the Jackson County Softball association with a 12 to 8 triumph yesterday and Chris Drugs gained a knot with the Upholsters for second position in the standings by nipping National Guard 3 to 2.

Yesterday evening's outcomes left Lithia Motors at the head of the standings with its unblemished record in four encounters.

Big frame for the Chain Sawmen was the third when five runs crossed the plate. LaRue Smith homered in the canto, Larry Irwin and Webber doubled and Norm Loop and St. Helair singled. Three runs got in in the fourth when Irwin homered and Chuck Cowan, Tom Rodgers and Gentry singled.

Granger Homers

The Auto Upholsters had their big time at bat in the sixth inning with four runs on hits by Riley and Parker, three bases on balls and hit batter. Granger slammed a home run in the second inning.

The Druggists got the tying and winning markers in the seventh inning. Hits by Wendt, Dick Sanford and Isaacs and a fielder's option broke up the ball game. Chris picked up its other run in the sixth on singles by Francis Guidry and Don Sanford.

National Guard scored twice in the fourth inning on hits by Ted and Ned Landers and couple of errors.

T-C Braves Gain Ground In NW Loop

By UNITED PRESS

The Northwest League standings got some shaking up last night for the first time in several days.

Yakima still held the lead, in fact increased it to four and one-half games by knocking over Salem, 6-0, for the Bears' sixth straight win. But Tri-City is the new third-place stockholder, and Lewiston is but six percentage points ahead, in second place.

Tri-City earned its new rating by bouncing Spokane, 15-8 in a game that featured no less than 36 base hits. Lewiston was victimized by the visiting Wenatchee Chiefs, 12-3, and the Chiefs moved into fifth place, four points behind the idle Eugene Emeralds.

Everybody changes partners tonight. Lewiston goes to Spokane. Eugene resumes action at Yakima and Salem will be at Kennewick to meet the Braves. Wenatchee sits out this series.

Temper Flare

The Yakima-Salem contest again saw tempers flare, for the second straight night. But after the brief second inning rhubarb, the loop leaders, behind Arleigh Downs' five-hit pitching grabbed two runs in the fifth and four more in the ninth inning to keep their win streak alive.

Tri-City scored in all but the first, seventh and eighth innings after Spokane had taken a short-lived 2-0 lead in the first frame. George Huffman got five for five at the plate for the winners.

At Lewiston, Bob Duretto was the major spoiler, clouting two home runs good for five of the six tallies he drove in. Glenn Isringhouse was the winning hurler.

Three Mothers Held in Plot To Murder Husband

Columbia, S.C. — (U.P.)—Police today held three young mothers who admitted that they took part in a fantastic neighborhood murder plot that ended with the killing of one of the women's husbands.

Officers said Mrs. Alonzo Wesley Turner confessed that she fatally shot her sleeping gambler husband and two of her neighborhood boy friends admitted they helped plan and execute the strange slaying.

Mrs. Turner, mother of six children and expecting a seventh, at first told police that a stranger came to her door and killed the 34-year-old nightclub operator. However, she later confessed that she pumped four shots from a .22 calibre rifle into her husband as he slept.

Months of Planning

The killing, according to officers, climaxed several months of planning by Mrs. Turner and neighbors Mrs. Clestell Gay and Mrs. Audrey Roakes. All of the women are in their 20s.

Mrs. Gay, the mother of one, admitted buying the rifle and shells for Mrs. Turner, and officers said she was apparently in the Turner home at the time of the killing. They said that she was to receive \$300 for her help.

Following the murder, the rifle was taken to the home of Mrs. Roakes, the mother of five, and hidden there. According to officers Mrs. Roakes aided in the slaying because she was a "good close friend" of Mrs. Turner.

Two Accidents Are Reported to Police

Vehicles operated by Conrad Johnson, 79, of route 2, box 745, Central Point, and Morton Oliver Goffett, 18, route 2, box 184, Central Point, were involved in accident on Highway 99 at the Elk Lumber company road about 4:10 p.m. yesterday, according to state police.

Police said Johnson was cited for failure to yield to oncoming traffic.

A trailer truck operated by Leon Bernard Russell, 39, of Salem, went out of control and over an embankment near the Lincoln Guard station on the Greensprings about 11:35 p.m. yesterday, police reported.

Russell told police he pulled over in an attempt to avoid a collision with an oncoming car and he lost control of the truck. Russell was brought to Medford by Lavern Watrud, 210 Ashland ave., Medford, who passed the scene, police said.

THE HASTY HEART

Newark, N.J. — (U.P.)—Police arrested Emanuel Wade, 60, Thursday on charges he tried to warm up his sweetheart when she cooled toward him. Police said Wade, after a disagreement with Mrs. Stella Simmons, got a bucket of gasoline, poured it on her door and set it afire.

Summer Homesites at Hiatt Lake Available

Fifteen summer homesite lots on O and C land adjacent to the east shore of Hiatt lake are available for lease to persons entitled to veterans' preference, Virgil T. Heath, Oregon state supervisor for the bureau of land management, has announced.

A detailed description of the small tract lots, building restrictions and other conditions, and drawing procedure will be posted in the Portland land office, the district forester's office in Medford, the Jackson and Josephine county court houses, and the post office in Ashland.

Eugene Peterson, district forester, said if there is sufficient interest additional lots would be surveyed but probably will not be made available for lease before 1957.
