

Bob Friend First Ten Game Winner

By FRED DOWN
United Press Sports Writer
Bob Friend gained the honor of being the major league's first 10-game winner Friday and set his sights on becoming the Pittsburgh Pirates' biggest winner since Burleigh Grimes notched 25 victories in 1928.

The 26-year-old righthander gained his 10th decision of the season when he shut out the St. Louis Cardinals, 2-0, in 11 innings to pitch the Pirates into undisputed possession of second place. It was Friend's second shutout in two tries against the Cardinals and he also has tossed four one-run games in a brilliant 10-3 campaign.

The Pirates have had only four 20-game pitching seasons since Grimes' 25-game campaign. Ray Kremer scoring 20 in 1930, Truett Rip Sewell notching 21 in both 1943 and 1944 and Murray Dickson gaining 20 in 1951.

The 40-year-old Dickson was the hard-luck losing pitcher Friday night, matching pitch for pitch with Friend for 10 innings. During that period he fanned eight batters and walked only one while Friend struck out nine and issued four bases on balls.

In the 11th, however, Dick Cole and Bill Virdon singled with one out. Dickson retired Lee Walls but then Dale Long, coming through as he so often has in Friend's games, broke the scoreless deadlock with a single. Frank Thomas followed with another single to give Friend an insurance run.

Friend, who struck out Stan Musial with the bases filled to get out of trouble in the 10th, retired the Cardinals in order in the 11th.

Oregon Schedules Coaching Clinic

University of Oregon will conduct its annual coaching clinic Monday through Saturday, June 11 through 16, on the campus at Eugene.

Basketball, wrestling, baseball, track and field, football and trampolining will be covered in the six-day program. Visiting coaches will be headed by Sid Gillman, Los Angeles Rams football mentor, and Bucky O'Connor, University of Iowa basketball tutor. Other visiting instructors will be Jack Mooberry, Washington State college, track; Mel Krause, Franklin high school of Portland, basketball, and Dutch Kawasoe, Vale high school, football. Krause and Kawasoe coached their teams to state championships.

Patterson Triumphant In Heavyweight Tiff

By JACK CUDDY
United Press Sports Writer
New York — (U.P.) — Young Floyd Patterson, who gave Tommy (Hurricane) Jackson a decisive beating Friday night, said today, "I'll lick Archie Moore for the vacant heavyweight title in September if my broken right hand heals in time."

Twenty-one-year-old Floyd of Brooklyn won decisively before 11,255 at Madison Square Garden for his 17th straight victory. But his triumph was tarnished slightly by a strange split 12-round decision.

Surprising most of the fans and 13 of 14 writers polled at the ringside, Referee Harry Kessler favored lanky Jackson of Far Rockaway, N.Y., on a "minute-by-minute" scoring basis. The two judges had Patterson well ahead at the end of the thrilling TV-radio fight.

Rapid-Fire Hooks
Patterson, scaling 178 pounds to Jackson's 193½, had tall Tommy in trouble from rapid-fire left hooks and leaping right leads in eight of the 12 sessions.

Jackson, who bled from the nose from the third round on, declared, "This boy's not as tough as Bob Baker or Dan Buchanan. If he fights Moore in September, Archie'll kill him."

Meanwhile Promoter Jim Norris announced, "I'll try to match Patterson and Moore for a 15-round fight in September, and I'll try to have it recognized by all boxing organizations as a fight for the title left vacant by Rocky Marciano's retirement."

Patterson and Jackson will receive the largest purses of their careers, \$40,000 each, guaranteed from the \$75,000 TV-radio fee and from the gross gate of \$66,038.

Patterson, the Olympic middleweight champion of 1952 who Friday night registered his 30th victory in 31 professional bouts, fractured the fourth knuckle of his right fist in the seventh round.

Six to Eight Weeks
Dr. Alexander Schiff, who put the hand in a splint, said, "He will be out of action from six to eight weeks while the knuckle heals."

In the voting on a rounds basis, Referee Kessler favored Jackson, 6-5-1; but Judge Har-

old Barnes had Patterson ahead, 8-4, and Judge Bert Grant also favored Patterson, 7-5, as did the United Press, 9-2-1.

Although the Hurricane stalked after smaller Patterson in every round, he was staggered in the second, third, fourth, fifth, sixth, eighth, 11th and 12th. Tommy almost hit the deck in the fourth and 12th. But he continued to fight back persistently. His best rounds were the seventh and ninth.

Seek Solution to Auto Unemployment

Detroit—(U.P.)—An 18-man "task force" was set up Friday to tackle the midwestern's unemployment problems and take them before President Eisenhower along with "proposed solutions."

The "task force" led by Michigan's Gov. G. Mennen Williams and United Auto Workers' President Walter P. Reuther, was formed at the UAW's inter-state conference on unemployment attended by 42 mayors, other city representatives and top union officials.

The group includes Williams, Reuther, UAW Secretary-Treasurer Emil Mazey, another union official, and nine mayors from communities in four Mid-west states hard hit by the drop in auto production.

An immediate five-point program stressing improvement in unemployment compensation and including tax cuts to consumers drew indications of general acceptance from the mayors.

The program called for upping personal income tax exemptions from \$900 to \$800 removing excise taxes on consumer products, federal action for adequate unemployment compensation, a suspension of home mortgage payments for laid off workers, accelerated defense allotments for stricken areas and a speed-up of pending public works program.

Boswell Returned to Nevada for Trial

Carson City, Nev.—(U.P.)—Bartender William E. Boswell, 35, was returned Saturday to face a murder charge for the strangulation slaying last month of an attractive young Philadelphia socialite and heiress.

Boswell, arrested at the home of his mother-in-law in Middlebury, Vt., was returned by Ormsby County Sheriff Lester V. Smith and Police Inspector Erwin Butner.

Although neither was available for comment, they said in Vermont that the suspect had denied any connection with the slaying "on or about May 21" of Mrs. Annie Harris Van Ryne, 23, in his apartment here.

Regiment Storms Shores of Iwo Jima

Tokyo—(U.P.)—A U.S. Army regiment of 2,500 men stormed the shores of historic Iwo Jima Saturday in mock atomic war games.

Fighting men of the famed Eighth Cavalry Regiment waded through heavy surf from landing craft to the black sand beaches of one of the bloodiest battle grounds of World War II.

A mock atomic explosion sent all the soldiers into emergency defense drills before the first attack wave landed.

An Army dispatch radioed from the USS Cavalier at sea off the island said the exercise was "designed to give intensive training to Army and Navy personnel in amphibious assault operation under atomic conditions."

Search Starts for Suspected Killer In Rape-Slaying

Pasadena, Calif.—(U.P.)—Authorities conducted a wide-spread search Saturday for a 26-year-old suspected murderer in connection with the rape-slaying of a pretty blonde Sunday school teacher.

Marilyn Marie Fink, 19-year-old secretary, was found murdered in her bedroom Friday. Her grandfather, Fred C. Mark, discovered the body when he entered the room to awaken the girl for work.

Police said Miss Fink had been raped and stabbed several times. Officers said her right breast was severed by a knife. Local authorities immediately issued an all points bulletin for the arrest of Kenneth Pashby, 26, brother of a son-in-law of the victim's grandparents.

Spends Night
Miss Fink had been living with her grandparents and according to police Pashby spent the night at the Mark home. Mark said he found the victim on the floor near her bed after Miss Fink's boy friend phoned the residence to inquire if the secretary wanted a ride to a bus stop.

The boy friend, Albert Graham, said he brought Miss Fink home around 1 a.m. after an evening of bowling at nearby Monrovia.

Graham, who told officers he planned to marry Miss Fink, said he noticed a strange car in the rear of the Mark home when he drove his sweetheart home. Police believed the car belonged to Pashby.

Mr. and Mrs. Mark described Pashby, a machinist, as a "drifter." They said he was unemployed and had been evicted from his apartment only last Thursday.

Airman Confesses Spokane Shooting

Spokane — (U.P.) — Andrew Taylor, a 20 year old airman from Fairchild Air Force base, confessed to police here Saturday the fatal shooting of Joseph Banks, 56, in a downtown hotel.

Taylor was booked by Deputy Prosecuting Attorney Bill Grant for further investigation. It is expected that Taylor will be recharged in the near future.

Police detectives picked up Taylor this morning at Fairchild. Taylor then admitted to them he shot Banks following an argument in the hotel.

Banks was a state witness in a recent trial in which Lewis T. Anderson was sentenced to life imprisonment for the Jan. 6 shotgun slaying of boxer Oscar Gould. Ironically, Banks was shot in the same hotel involved in the Gould killing, and, police report, the time was approximately the same for both murders.

Police Hold Man Who Threatened President

Hartford, Conn.—(U.P.)—Police held a jobless Massachusetts man in lieu of \$5,000 bond Saturday for sending threatening letters to President Eisenhower.

Charles R. Hoye, 51, of Chelsea, a male nurse, was said to have threatened to "eliminate" the President because Hoye couldn't get treatment in a veterans hospital.

Secret Service Agent Robert Hastings said Hoye admitted to sending four letters and had a fifth in his possession when arrested. Hoye said he slipped on ice in Chelsea last March and hurt his foot and head but couldn't gain admittance to a veteran's hospital. Hastings said "Hoye was preparing to head for Washington and see the President and apparently carry out his threats."

Rogue Wonderland Group Organized

Shady Cove-Trail—The Rogue Wonderland association, a group that will promote improvement of tourist facilities and other projects to benefit communities and business along Highway 62, was organized Tuesday at a meeting of Upper Rogue area business people.

Chairman of the association will be John Dunlap, Trail, Uncanny Canyon; secretary, Mrs. Witt, Trail, Sunset-on-the-Rogue; and treasurer, C. P. Yundt, Trail.

Those attending discussed several tourist promotion projects and gave special attention to the Points of Interest leaflet scheduled to be given to the printers last Friday. The leaflet is expected to be ready for distribution soon at the business places in the area.

State Representative Al Littrell and E. H. Mann were introduced to the group and gave talks on distribution of highway funds. Petitions are now being circulated for repair of Highway 62.

Representatives of 23 business houses along the highway were in attendance at Tuesday's session.

Zhukov Reported in Ill Health This Week

Moscow—(U.P.)—Soviet Defense Minister Marshal Georgi M. Zhukov, President Eisenhower's World War II comrade-in-arms, has been ill, it was learned Saturday. The illness is not serious. Zhukov led the Soviet armed forces in World War II and has maintained friendly personal relations with Mr. Eisenhower since. The two have exchanged letters for years.

Zhukov's absence at official social functions for Marshal Tito has been noted by correspondents. Tito arrived in Moscow last Saturday.

The marshal made his last public appearance at a reception in the Argentine embassy. Correspondents missed Zhukov especially at the Kremlin reception for Tito last Wednesday. They had wanted his reaction to Mr. Eisenhower's statement that he might invite Zhukov to Washington if the Soviets asked U. S. Secretary of Defense Charles E. Wilson to visit Russia.

Just Graduated... To a Cadillac!

It's graduation time! And this happy gentleman—appropriately enough—has just gone through some important graduation exercises of his own.

It was just a few minutes ago, in fact, that he stood in his dealer's showroom and accepted the keys to his first Cadillac.

But even though he now holds his final degree, so to speak, in motor car ownership, his education in all the good things of motordom is only beginning.

Take performance, for instance. The car is so smooth and powerful, and so nimble and obedient that it automatically revises a man's standards of performance.

Consider comfort. Rolling along the broadest boulevard or taking the roughest bylane, the car is incredibly smooth and level in ride.

And think about pride and satisfaction. What an extraordinary feeling it is to sit in command of the "car of cars"—and find yourself the subject of admiring glances on every hand.

Have you ever considered how wonderful it would be to "graduate" to Cadillac? Certainly, it's the perfect season for enjoying a new Cadillac. The days are bright and long . . . the roads are beautiful and inviting . . . and there are wonderful places to go and exciting things to do.

And certainly, it has never been easier to sign your name to the title. We are, happily, in a position to offer you prompt delivery on your favorite model—and we know you will be pleased to learn how practical Cadillac ownership has now become.

Why not pay us a visit soon—and spend an hour at the wheel?

It's a wonderful season and a wonderful car—and a wonderful opportunity to enjoy them both!
