

Protests Mar JC Softball

McCulloch Chain Saw squeaked by Bill's 99 Chevrolet service 9 to 8 in a game played under protest and Crater Lake Motors walloped Medford Auto Upholstery 20 to 2 in Jackson county softball association play at the high school field last night.

In make-up games Monday night Courtney Chevrolet took winless DeMolay for a ride 15 to 6 and league topping Walt's Lithia Motors underhit but outscored the National Guard, 6 to 5.

The Lithia Motor-National Guard game was protested by the Guard team after a ball bouncing on the field and over the fence was ruled a home run.

McCulloch Chain Saw collected 10 hits, with Irven, Weber and Drake each getting two. One of Weber's wallops went for a home run, aided by an error. Miester by Bill's 89 got three hits and Terrill, Johnson, Garner and Sweet each netted a pair.

Cearley and Gober both homered for Crater Lake Motors. Medford Auto Upholstery's only runs came on third and fifth inning round trippers by Smith.

Giambra Favorite For TV Battle

Syracuse, N.Y. — (U.P.) — Smart, speedy **Y. Giambra** of Buffalo, N.Y., is favored at 13-5 to beat slugger Johnny Sullivan, former British middleweight champion, in their return TV-radio 10-rounder tonight at War Memorial auditorium.

Their previous fight here, April 6, was a beaut, and Giambra wound up with a close but unanimous decision.

Rusty-haired Sullivan, 23, has promised to shoot the works tonight and turn the tables on slick, black-haired Giambra; for this is Johnny's last appearance on his current U. S. campaign. His visa expires next month.

Sullivan of Preston, Eng., who trained to be a circus tight-rope walker in his youth but who turned to the boxing booths instead—won three and lost three bouts during his present American visit. His 65-19-3 record includes 35 knockouts.

United Nations authorities estimate there are from 30 to 40,000,000 refugees in the world today.

Kermit Smith's Estate Settlement Scheduled Thursday

Portland — (U.P.) — A proposed settlement of the \$32,500 estate of the late Oliver Kermit Smith, Portland attorney killed in a bomb blast in his car last year, was scheduled to come up in Circuit Court here tomorrow.

Marjorie Smith, widow of the attorney, would receive \$2500 under the proposed agreement. She was found innocent of a murder charge in connection with her husband's death.

Must Settle Guardianship

Another clause in the proposed settlement calls for the administrator of the estate not to distribute the remaining funds until guardianship of Mrs. Smith's three-year-old daughter is established. The agreement was drawn up by Allen Davis, Portland attorney, and John Burnett, San Jose attorney.

In a court suit in California, custody of the daughter was given to Mrs. Ellen Hightower, a sister of Smith. An appeal on the ruling has been made to the California Supreme Court. Under terms of the agreement, the widow has agreed that her daughter will receive all assets but \$2500 of the estate.

Congress Patching Security Program

Washington — (U.P.) — Congressmen today labored in the House and Senate to patch up the government's battered security program.

They sought to reverse the Supreme Court decision issued Monday limiting federal security firings to workers in "sensitive" jobs.

Rep. Francis E. Walter (D-Pa.) pressed for action on a bill that would make all federal workers subject to firing as security risks. Sen. James O. Eastland (D-Miss.), prepared a similar bill.

High government officials said patching up the security program is up to Congress.

Forest Service Plans Lodgepole Pine Sale

A proposed sale of lodgepole pine timber in the Klamath Falls region is being prepared by the forest service according to Regional Forester J. Herbert Stone, Portland.

The timber will be sold for pulpwood. It is located in the Fremont and Rogue River National forests next to the north-eastern borders of the Klamath Indian reservation.

It will be "the first major sale of a hitherto unused or low value species for pulping process" in this area, according to Jack Wood, supervisor of the Rogue River National forest.

Small Diameter

Because lodgepole pine trees are of such small diameter, they are considered too unprofitable for lumber. The only real interest in using lodgepole for lumber in Oregon has been in small operations in the Bend area.

Stone said "This proposed sale has been designed to make possible the installation of manufac-

No Plan To Reopen Corruption Charges

Salem — (U.P.) — Gov. Elmo Smith's office said today it had not been requested to intervene to re-open investigations of charges of graft and corruption in state institutions.

Several Marion county grand jurors were reported dissatisfied with results of the original probe which did not result in any indictments. The charges were brought by Al Richardson, former food manager at Oregon state prison.

Last Friday, Attorney General Robert Y. Thornton said he was called by one of the grand jurors and asked about making an investigation. Thornton said he could act only if instructed to do so by the governor.

District Attorney Kenneth Brown said he had not been approached by any grand jury

Heart Skipping Beat No Cause for Worry

Ann Arbor, Mich. — (U.P.) — Dr. Franklin Johnson, professor of internal medicine at the University of Michigan Medical school, says you shouldn't worry if your heart skips a beat now and then.

"Many people with no heart disease have transient skipping or irregularities of the heart," he said. "But individuals with symptoms of this kind should not jump to the conclusion that these sensations are indications of serious heart trouble."
