

# Hollywood Rambles Forward in PCL; Beavers Add Two More to Loss String

By MILES K. BENEDICT  
United Press Sports Writer

Not even Steve Bilko's 23-game hitting streak or the full treatment from the Los Angeles bullpen could stop the Hollywood Stars Sunday from copping their 13th and 14th wins in 15 starts at the expense of the league leaders. And don't look now . . . but those dark, dark, dark horses, the San Francisco Seals, are tied for fourth on the strength of a six-game winning streak.

**Stars Win Doubleheader**

The Stars belted their neighboring Cherubs twice, 6-3, and 10-8, and second-place Seattle moved to within one game of the coast league driver's seat by dropping the fading Sacramento Solons twice, 9-2, and 3-2. The Seals turned eight runs and 17 hits into 4-3 and 4-2 wins over Portland.

Sunday laws kept San Diego idle at Vancouver.

The biggest Hollywood crowd of the year, 11,626 fans, watched George O'Donnell win his third game in eight days in relief as Bill Mazerowski belted two homers and Paul Pettit and Gair Allie each connected for the circuit to account for all of the Stars' runs in the opener.

Joe Duhem carried a big bat in the finale driving home four runs with a homer and a double, the two-bagger climaxing a six-run second inning for the Stars. Both teams went to their bullpens liberally in the seven-inning nightcap with eight hurlers, four on each side, seeing service. Fred Green, who relieved Ben

Wade in the second inning was credited with the win.

**Seals Take Early Leads**

San Francisco handed Portland losses number 11 and 12 in a row on the airtight relief pitching of Bill Abernathie, in the nightcap and Jerry Casale's and Eli Grba's five-hitter in the opener. The Seals, who seldom give their hurlers more than four runs to work with, jumped off to early leads in both games to make it six in a row on the road and tie Sacramento for fourth spot in the league.

Abernathie has been a good luck charm for San Francisco since he was shipped down from the majors six days ago. His win in the nightcap in relief of Max Surkont was his second in four days.

Larry Jansen and Bud Podbielan allowed the Solons only two runs in each game. Art Schult's homer and double in the opener paced the Rainier's 15-hit attack. Jansen got help from Bobby Balenka who provided the margin of victory with a fifth-inning homer in the nightcap.

# Oregon Men Track Stars

Bill Dellinger of Oregon won the 5000 meter run in the time of 14:48.5. He had a 25-yard advantage over second place Jim Beatty of North Carolina.

Other Oregon athletes who placed in the Saturday meet included Oregon State's Wayne Moss who finished in a 10 way tie for fourth place in the high jump with a leap of 6 feet 4 inches; Oregon's Martin Pedigo finished fifth in the hop-step-jump with a mark of 47 feet 9 1/2 inches; and Dean Benson of Wil-

lamette finished fifth in the 110 meter high hurdles with a time of 14.1.

Meanwhile, at Los Angeles another Oregon athlete assured himself a place in the Olympic trials. Ken Reiser, ace distance man for the Webfoots last year but now in the Army, won the steeplechase at the armed forces track and field meet.

Reiser's time for the event was 9:20.1.

## Middlecoff Out of PGA Competition

Rochester, N.Y. — (U.P.) — Cary Middlecoff, elated at his one-stroke victory over Ben Hogan in the U.S. Open golf championship, said today he won't attempt to match Hogan's 1948 "double slam" of the Open and PGA titles.

"My doctor has ordered me not to play in the PGA," explained Middlecoff, whose one-over-par 281 just upped Hogan in the final round of the Open Saturday at Oak Hill Country club.

"I have a hip condition," said the Memphis dentist, "and the strain and effort of playing two rounds a day, such as is necessary in the PGA, is just too much for me."

Middlecoff thus passed up what many observers consider to be a golden opportunity to become the second man in history to win the Open and PGA crowns in the same year. Cary was a finalist in the PGA last year. Hogan is the only man who ever has scored the "double."

Middlecoff, who stamped himself as a major links prophet before the Open began by saying he would gladly "take 281 and never leave the clubhouse," said he spent "the toughest two hours of my life" waiting in the clubhouse at Oak Hill after he had finished Saturday.

Out on the course, Hogan, Julius Boros and Ted Kroll were taking cracks at his final score. One by one they went down but Middlecoff had to sweat it out as word trickled in.

"I'd have been happy to settle for a tie when they were running at me," he said. "While I waited, I never thought I'd get it. The boys gave me a real thrill. I'll tell you."

Boros tied Hogan for second and Kroll finished in a tie at 285 with Peter Thompson and Ed Furgol.
