Vernon, Repulski Back in Lead for All-Star Teams

New York—(U.P.)—First baseman Mickey Vernon of the Boston Red Sox and left fielder Rip Repulski of the St. Louis Cardinals moved back into the lead at their positions today in the balloting by fans for the two major league All-Star teams.

Both Vernon and Repulski had been leading in the tabulation of ballots until Sunday when Vic Wertz of the Cleveland Indians went ahead of Vernon and Frank Thomas of Pittsburgh temporarily eclipsed Repulski. The players picked will comprise the starting lineups for the All-Star game at Washington, July 10.

All of the other leaders stood pat. Mickey Mantle, the center fielder of the New York Yankees was the individual leader with 27,983 votes, followed by his team mate, catcher Yogi Berra with 26,307.

Commissioner Ford Frick, whose office is counting the ballots sent in by newspapers, radio and TV stations, said the poll closes on Friday. He asked all agencies handling ballots to send along all on hand as soon as possible to facilitate final tabulations.

Seattle Pitchers Lead Coast Loop in 2 Departments

San Francisco—(U.P.)—Elmer Singleton, who hasn't been charged with a defeat since May 3, teamed up with Bud Podbielan today to give the Seattle Rainiers some of the best pitching offered in the Pacific Coast League.

Lean Elmer led the PCL with an earned run average of 2.04 and also was tops for the most victories with a 10-3 record. Podbielan, former National League toiler, had a 7-2 mark which gave him a percentage of .778 for the league leadership in that department. Bud also had a neat earned run record of 2.47.

Dick Drott (7-3) of Los Angeles, who throws what the batters call "aspirin tablets," continued to lead in strikeouts with 103 to his credit. Pete Mesa (4-7) of San Diego had given up the most bases on balls, 62, and tireless Bill Werle (8-5) of Portland had pitched 108 innings for workhorse honors.

Takes Tennis Title

Klamath Falls—(U.P.)—Harry Doyle, of Portland, captured the state Junior Chamber of Commerce tennis title here yesterday by taking straight sets, 6-2, 6-2, 6-0 over Bob Smith of Springfield.

In the junior division, Bill Fowle, Portland, defeated Gary Joy of Ashland, 6-0, 6-0.

Chicago Beats Orioles, 5-2; Mantle Leads Yankees to Win

By CARL LUNDQUIST
United Press Sports Writer

Pitcher Jim Wilson is making his new boss, Chuck Comiskey of the White Sox, look like a pretty slick trader.

The youthful Comiskey, who is carrying on with the White Sox after the departure of such geniuses as Frank Lane and Paul Richards, swung the deal on May 21 that brought Wilson and utility player Dave Philley to Chicago. The White Sox gave up pitchers Mike Fornieles and Connie Johnson, third baseman George Kell, and outfielder Bob Nieman and the fans began to howl loudly that Chicago had been rooked.

Today the ex-White Sox boss, trader Frank Lane is catching heck in St. Louis for his "shimmy and shake" transactions and the Baltimore fans are grumbling at Richards for some of his deals, particularly the one involving Wilson.

Monday night hard-working Jim won his fifth game since donning a Chicago uniform and the 5-2 seven hit triumph was his second over the Orioles since the trade was made.

What makes it worse on Richards, the former White Sox manager who completed the deal for Baltimore, is that only Nieman has done much for the Orioles. He has been hitting well but Kell has been hurt and the two pitchers have been just so-so.

But Wilson, who has a 9-3 mark now, has turned in one good game after another. And in Monday night's triumph, which kept the runner-up Chicagoans 5 1/2 games behind the leading

Yankees, Philley also was a prominent figure. He scored two runs, got a hit, a sacrifice and played both right field and first base. Chicago racked up three Baltimore pitchers, including Fornieles, for 10 hits.

Yanks Beat Tigers
The Yankees topped the Tigers at Detroit, 7-4 on the margin of Mickey Mantle's three-run homer in the eighth, perhaps the longest blast ever delivered in Briggs Stadium. The ball cleared the roof of the park at the 360-foot mark where the triple decker stands are 110-feet high.

The Athletics took advantage

of sloppy defensive play by Washington to defeat the Senators 4-3 as Alex Kellner turned in a seven-hitter for his fourth triumph against two losses. Kansas City made 11 hits.

In the statistical traffic jam in the National League, Cincinnati again moved into first place by defeating the Phillies, 7-4 in 10 innings while lefty Warren Spahn of the Braves beat the upstart Pirates 3-2 at Pittsburgh dropping them into second, half a game behind. It was the first time this year Pittsburgh had lost three in a row.

Three In Tenth
Cincinnati put over three runs in the 10th on singles by Ted Kluszewski and Frank Robinson, a sacrifice by Ed Bailey, Ray Jablonski's walk, Roy McMillan's single, Brooks Lawrence's sacrifice fly, and Johnny Temple's single. Lawrence gained credit for the victory, his eighth without a loss, in relief. Jablonski hit Cincy's 87th homer in the fourth.

Spahn held Pittsburgh to eight hits, one a homer by Jack Shepard. Joe Adcock kept up his hitting streak with a two-run double for Milwaukee. It was the third victory without a defeat for New Milwaukee pilot, Fred Haney.

There were no other games scheduled in either league.

FORD sets 500-mile record at Indianapolis Speedway

Again proves nobody outperforms Ford... dramatic demonstration of the kind of performance and roadability that makes all your driving more fun in a Ford!

A Ford V-8 hurtled across the brick and asphalt surface of tough and testing Indianapolis Speedway... whirling through the tight turns and flashing over the straight stretches... to set a mark that no stock car ever reached before!
Previous to Ford's record run, no other stock car had gone even one lap at Indianapolis at 100 m.p.h., but one of Ford's laps was timed at the electrifying speed of 113.7 m.p.h.! And Ford averaged 107.126 m.p.h. for the full five hundred miles... close to the average set by the extremely costly, specially-built racer which won the Memorial Day "500!"
Ford fully realizes that the welter of claims and counter claims about "racing victories"

(many of them completely contradictory) must be confusing and disillusioning to the public. Ford ran this race against time, over the true "Classic" distance and at the most famous track in America, in order to dispel this cloud of doubt and disbelief and prove that no one outperforms Ford!
Peter de Paolo, leader of the team of drivers that piloted the winning Ford, states flatly: "No other stock car could have equalled this performance!" And Pete de Paolo should know, for he was the first driver to win the "500" Classic with a better than 100 m.p.h. average. And now he comes back with a group of drivers to establish a stock car record with the great '56 Ford!

Yet, this was no mere race against the stop watch. Ford's alert responsiveness and sheer roadability proved more than a match for the treacherous turns... taking them smoothly and giving the great Ford V-8 a chance to use its blazing acceleration in the straightaways.
Ford wrote this new mark large and bold in the record books. And the whole Ford did the trick. From the hood-full of throbbing horsepower to the road-hugging rear end, Ford demonstrated that it has what it takes to make your driving more enjoyable. Convince yourself that driving a Ford can be real fun. Test drive a '56 Ford. There's a set of keys waiting for you, so come in and see us soon.
