Thousands of Girl Scouts To Attend First Roundup

By GAELE GREENE
United Press Correspondent
Highland, Mich. — U.P. — The largest, noisiest slumber party in history will take place in this tiny village of some 300 persons.

This pajama party is going to be a 12-day affair. It's all part of the first large scale roundup in the history of the Girl Scouts.

Five thousand teenagers, their faces scrubbed, their hair twisted into spiraled pin curls, will crawl beneath mosquito netting and zip themselves into sleeping bags. Chaperones speculate that the giggles and chatter may keep people awake 40 miles away in Detroit.

The Girl Scouts, all between the ages of 14 and 18, and their 1000 leaders and camp aides will take over the Highland recreation area in a two-way landing operation starting June 29.

Special Trains
They're coming from Hawaii, Alaska, Brazil, Great Britain, Norway, Denmark, Canada, Columbia and the 48 states. Special "Girl Scouts only" trains will pick them up at train stations across the country.

At Detroit, chartered buses will meet them at the station platform and rush them to the camp site.

Roundup staffer Mrs. Jan Griffis promised the girls will give the world "a glimpse of how pioneer women carved a home-like niche out of the wilderness."

"These girls should have their 3000 tent and picnic style kitchens set up within an hour and a half after they arrive," Mrs. Griffis said.

"We can't allow girls to chop down any trees, however," she added. "With so many Scouts, this place would soon look like an absolute desert. If anyone wants to lash a few sticks together to make a washstand or a

laundry rack, she'll just have to bring her own sticks."

No one is worried that life may grow dull in this all-female atmosphere. The Army is going to be there too. Congress passed a special law to allow a detachment from the Fifth Army to help move heavy baggage, supervise sanitary arrangements and handle first aid.

Girls Practiced
There will be a special subsection of the U. S. Post Office to handle roundup mail and a special telephone system. The phone number is, appropriately, Roundup 1956, Milford, Michigan.

Mrs. Griffis said this operation may be a real test for roundup organizers, "but it will be a cinch for the girls."

"They've been practicing for weeks," she said, and each girl was carefully screened for adaptability, camping experience and community standing.

Scouts will cook their own meals on charcoal stoves. "Menus will be simple, time saving. We don't want them to sit around all day over a hot charcoal stove," Mrs. Griffis explained.

Menus may be simple, but the advance orders and distribution may be more complicated—1800 pounds of haddock filets, 14 tons of meat and 10,800 cupcakes with chocolate goo on top, for example.

The Daughters of the British Empire, Bow Bells chapter, will hold its monthly meeting, Wednesday, June 27 at 8 p.m., at the Girl's Community Club. Members are urged to attend as this will be the last meeting until fall. All women of British birth or ancestry are invited to attend.

Auxiliary to Hear Delegates Report

Reports will be given to the American Legion Auxiliary Tuesday evening by the Medford Girls' State delegates who have returned from the weeks session at Salem. Auxiliary members are invited to attend the meeting at the home of Mrs. Cole Holmes, 16 Ross court, at 8 p.m.

Delegates from Medford who were selected senators include Jackie Cotton, Mildred Weaver, and Marcia Beeler. Linda White and Diana Russell were elected representatives.

Eastern Star Chapter
To Honor Past Officers
Reames chapter, Order of Eastern Star, will honor past matrons and past patrons at a meeting Thursday, June 28, at 8 p.m. at the Medford Masonic hall. There will also be initiation of new members.

Mrs. Hans Rammin and Mrs. Harry Barneburg will be chairman and co-chairman for refreshments.
