'Mad Killer' Search Spreads

Warren, Ohio — (U.P.) — The search for the "mad killer" of three persons spread over a three-state area today. Authorities said Alfred (Buck) Wilson, 37, apparently had escaped the tightly woven dragnet.

But many residents felt Wilson was still around the abandoned quarries where he last was seen and spent another sleepless night with weapons nearby. The quarries, north of here, are in the spot where Wilson's abandoned auto was found.

Patrol cars continued to cruise the area but the man hunt extended to Kentucky and West Virginia because Wilson has relatives there and officers felt he may try to contact them.

Wilson, armed with a luger, went on a shooting spree because his common-law wife had left him. He shot and killed two of his wife's sisters, Mrs. Hazel Botts, 32, and Mrs. Geraldine Brown, 30. He then fatally shot Nancy Worthington, 16, whom he forced into his auto to after trying to rob the girl's companions.

Senate Debates Defense Money

Washington — (U.P.) — The Senate today debated a \$350,000,000 defense appropriation, with the main controversy centered on extra funds for the Air Force.

Sen. Henry M. Jackson (D-Wash.) said in a speech prepared for the Senate that unless an extra \$1,160,000,000 is voted for the Air Force the United States must reconceive itself to having "the second best air force in the world."

He said Russia would take over air supremacy within three years unless this country puts more money into air power.

Republicans sought to hold the extra Air Force funds to \$600,000,000. However, they conceded their chances were virtually wrecked by the uproar over Defense Secretary Charles E. Wilson's use of the word "phony" in discussing the Senate move to give the Air Force more money.

Wilson said the amount the administration originally sought for the Air Force was adequate. He later said reporters either "misunderstood" or "partly

Body of Columbia Drowning Victim Found

The Dalles — (U.P.) — The body of Robert Eugene Leachman, 19, of Wishram, Wash., one of two youths who drowned in the Columbia a week ago, was recovered from the river Friday, about a mile downstream from where the pair fell from a raft.

Still missing is the body of 20-year-old Larry E. Cohea, also of Wishram. The boys were both employees of the Spokane, Portland and Seattle railroad.

Child Learning To Ride Bike Fatally Hurt by Car

PORTLAND — (U.P.) — Linda Griffith, seven-year-old daughter of Mr. and Mrs. Griffith of View, Wash., died in a local hospital Wednesday from injuries suffered earlier when struck by a car.

Sheriff's officers in Clark county said the child was learning to ride a bicycle and rode into a country road in front of a car.

Tractor Driver Dies As Vehicle Overtakes

Longview — (U.P.) — A Longview man employed as a tractor driver on the gas pipeline project, was killed yesterday when his tractor tipped over onto him.

misquoted him in the use of the word "phony."

Sen. Styles Bridges (R-N.H.), said that prior to Wilson's remark he thought the Senate would approve the GOP proposal to limit the funds to \$500,000,000. But now, he said, the fate of the Republican proposal is "doubtful."

MEDFORD (OREGON) MAIL TRIBUNE—FIVE

City of Medford to be laid on Barnett Road from a point 1,250.0 feet West of the line between Donation Land Claims numbered 50 and 51. Easterly to a point 1,895.8 feet East of the most Easterly line of Donation Land Claim No. 51, said point being at the Westerly right of way line of Murphy Road, and the Council being of the opinion that said main on Barnett Road from a point 1,250.0 feet West of the line between Donation Land Claims numbered 50 and 51, Easterly to a point 1,895.8 feet East of the most Easterly line of Donation Land Claim No. 51, said point being at the Westerly right of way line of Murphy Road, in the City of Medford, Oregon, and WHEREAS said water main has not, as yet, been paid for and it appearing to the Council that the use of said water main as a lateral water main by said property last above mentioned will not materially interfere with the use thereof for the purpose for which it was originally laid, now therefore, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF MEDFORD, OREGON

Section 1. That it is the opinion of the Council that that part of the aforementioned water laid in the City of Medford described as follows: 10-wit 1,250.0 feet West of the line between Donation Land Claims numbered 50 and 51, Easterly to a point 1,895.8 feet East of the most Easterly line of Donation Land Claim No. 51, said point being at the Westerly right of way line of Murphy Road, in the City of Medford, Oregon, may be used by the property fronting thereon as a lateral water main without materially interfering with the use thereof for the purpose of a water main, the purpose for which it was originally laid, and the Council proposes to permit the owners of adjacent property to use the same for lateral purposes as aforesaid.

Section 2. It is the intention of the Council to assess the property fronting on the street wherein said water

main is laid as hereinbefore last described its proportionate share of so much of the cost thereof as equals the special benefit which will result to said property from the use of said water main as a lateral water main of such size as would be required to supply the property fronting on said street in case said water main was not so used and the Council has and does hereby determine that the sum of \$2.25 per front foot is the amount of such special benefit and the proportionate cost of such a lateral water main to such property as aforesaid and intends to assess said amount against such adjacent property on account thereof.

Section 3. The Council will meet at the hour of 7:30 o'clock P.M. at the Council Chamber in the City Hall on the 17th day of July, 1935, at which time and place all protests of said assessment, as hereinbefore provided for, will be heard.

Section 4. The Recorder is hereby directed to serve notice hereof upon the property owners aforesaid by publishing this resolution 3 times in a newspaper published and of general circulation in said City and by posting the same in 5 public places in said City; said publication and said posting to be not less than 10 days before the date of said meeting.

Passed by the Council and signed by me in authentication of its passage this 19th day of June, 1935.

Earl Miller, Mayor
