

### 234 Register In Baseball School Here

Approximately 250 boys were on hand yesterday for the opening day of the Medford city school systems summer baseball instruction program.

Supervisor Lee Ragsdale said that 234 youths actually registered yesterday. Registration will continue at 8:30 a.m. each day this week through Thursday.

Throwing and catching instruction was given yesterday. Today the youths were to see a film and to have had a number of scrimmage games, displaying their abilities in order that instructors could group them for further sessions. Ragsdale said that it is planned to have the boys grouped and the two shifts operating by Wednesday.

Frank Roelandt is to handle the intermediates and cubs this week and John Kovenz, Cliff McLean and Alex McDonald will work with pee wees and sandblowers.

The baseball program is slated Monday through Thursday mornings for seven weeks. Boys nine years through high school age in the school district may participate.

### Canada Golf At Half Mark; Hogan 2nd

Wentworth, England—(U.P.)—Long-hitting Stan Leonard of Vancouver, B.C., carried a one-stroke lead over Ben Hogan today into the final 36 holes of the Canada Cup Golf Championship as Canada and the United States met in a face-to-face team showdown.

Leonard, five-time Canadian PGA champion, birdied the last three holes of Monday's second round to complete a two-round score of 136.

That put him one stroke ahead of Hogan's 137 and helped to put Canada three strokes ahead of the favored U.S. team, 283-286, in the battle for the coveted team trophy won by the United States last year. A total of 29 nations are entered in the tourney, but the field was trimmed to the top 20 for today's last two rounds.

Leonard and his partner, Al Balding of Toronto, were scheduled to play all around both rounds today in a foursome with Hogan and his partner, Sam Snead of White Sulphur Springs, W. Va.

Snead, who had a first-round 76, struggled the outgoing nine in 38 Monday. His tee shots were so wild he switched to a No. 2 iron to drive. Then he came home with eight pars and a birdie on the back nine. Slammin' Sam complained of an ache in his right hand and said he may pass up the British Open championship next week.

### UO Team Seventh In NCAA Golf

Columbus—(U.P.)—The University of Oregon golf team stood in a four-way tie for seventh spot, 10 strokes off the pace set by North Texas State for the team title in the NCAA golf championships held here.

Bob Norquist fired a three-over-par 75 to lead the Oregon individual scorers.

### Provost Leads RVCC Golfers at Portland

Tom Provost Jr., led Rogue Valley Country club representatives with a 74 in the qualifying round of the Oregon Golf association match play tournament at Portland yesterday.

Joe DeVoe was the low Medford woman, third in all women's qualifying with a round of 80.

Other Rogue Valley scores were: Harry Millette and George Harrington, 76; Justin Smith Jr., 80; Carl Schmidt, 83; Deane Lambert and Bill McAllister Jr., 84; Del Berg and Russ Heysell, 87; Mahr Reymers, 91; Bud Hauptert, 92, and Miles Doran, 98.

For the women: Mrs. Les Schneider, 94; Mrs. C. B. Collins, 99; Mrs. George Harrington, 109, and Mrs. Mahr Reymers, 114.

Portland—(U.P.)—Two former champions lined up as the "one to beat" today as match play opened in the Oregon Amateur Golf championships.

Bruce Cudd, former Walker cup star and two-time winner of this coveted state title, fired one of only two sub-par rounds turned in yesterday as the men held qualifying play over the Portland Golf club course.

Grace DeMoss, of Corvallis, the 1951 state amateur title holder, broke the course record for women at Tualatin with a 77 to highlight play in the women's division.

Cudd carded a two-under-par 70 to edge Tualatin's Lou Tobin by a single stroke. Tobin was the only other entry able to finish below 72 yesterday.

Behind Cudd and Tobin came Bob McReynolds of Riverside and Spike Beeber of Columbia-Edgewater, knotted for third spot with even par 72 rounds.

Fifth spot was a three-way deadlock between Gene Maidment of Colwood, and Ray Isaacs and Ed Watson of Columbia-Edgewater, all with 73s.

Ten men knotted at 80 and had to play off for the final two spots in the championship bracket.

A surprise threat to Miss DeMoss' title hopes developed unexpectedly yesterday when Sutherland's defending champion, Carol Jo Kabler, decided to enter and take her automatic second seeded position.

Behind Miss DeMoss were Mrs. Tom Marlowe of Eastmoreland at 79, Sue DeVoe of Medford and Mrs. Harry Stepp of Riverside, both at 80.

### Yank Champ In Center at Wimbledon

Wimbledon, England—(U.P.)—Defending champion Louise Brough, four-time winner on the historic All-England Courts, moved front and center in the Wimbledon tennis championships today as American girls opened their drive for a 13th straight women's singles crown.

As reigning queen of the courts, the blonde Miss Brough of Beverly Hills, Calif., was accorded the honor of opening women's play in the 69th renewal of the court classic with the first match on the center court.

The 33-year-old American star, whose Wimbledon triumphs have been topped only by eight-time winner Helen Wills Moody, was matched against a lass less than half her age, 16-year old Jean Forbes of South Africa and was heavily favored.

Today's program called for an assortment of first and second round matches.

Chicago—(U.P.)—Christ Demos, 34, got too excited when the White Sox won a double-header victory over the New York Yankees Sunday and it cost him \$5 in court Monday. Demos said the "excitement was just too much for me" and that's why he dashed onto the field in the middle of the game and made a hook slide into second base.

Chicago—(U.P.)—Summer school was so popular at Hirsch High school Monday that police were called out to preserve order. School officials called police when 3,000 teenagers showed up to register and some climbed through the windows in their eagerness to get their names on the rolls.
